

THE SEMI-WEEKLY NEWS

Issued Mondays and Thursdays
and Contains All the Cream
of the Daily and Saturday News.

LOCAL BRIEFS.

To visit China—Ye Tow, a State street Chinese waiter, has secured a passport and is about to revisit the scenes of his youth in the Orient.

Chaplain Conscience—Word from Manila states that Chaplain Axton has suffered a recurrence of his former malady, inflammatory rheumatism, but is now convalescent.

Will be Here Saturday—Dr. J. Torrance Rugh, of Philadelphia, a distinguished orthopedic surgeon, will be in this city Saturday and Sunday, visiting with Dr. Baldwin.

Prohibition in Idaho—Rev. L. S. Fuller has returned from Idaho where he says the prohibition wave has attained to such proportions that neither party feels that it can ignore it.

Cardinal Nears Home—Cardinal James Gibbons left Chicago yesterday for Baltimore, the last leg of his journey across the continent and back again according to a telegram received here.

Was no Fire—Dense, long-hanging clouds of smoke in Commercial street early this morning caused an alarm to be sent to the central fire station. When the department answered the call all that could be found was the smoke from a chimney.

After the Encampment—Fred Graham has gone to the mountains for a much needed rest and change, after the strenuous work attending the G. A. R. encampment. Prof. McClellan has been ill and confined to his house, but is now able to be around again.

May Quarantine Town—Dr. John Sundvall returns this afternoon from Payson where he was sent by the state board of health to investigate the smallpox situation there. If he finds reports correct of a general prevalence of the disease the whole town will be quarantined.

Big Shipment Ends—Stockmen say that over 40 per cent of the entire number of Utah sheep will be shipped to eastern packing houses ere the season closes. Nearly a million Utah bred lambs and yearlings are booked to Chicago, Omaha, Kansas City and St. Louis at \$3.50 to \$5 per head.

To Resume Meetings—The executive committee of the Salt Lake Chapter of the American Institute of Banking met last evening when it was decided to resume regular meetings on the evening of Sept. 2, at the Commercial club. The report of the delegates to the Seattle convention will be received at this meeting.

Pleased With Conditions—E. L. Worsham, state geologist, returned from Georgia, where he was in the city as the guest of J. P. Taylor, Utah state horticultural inspector, says he is much pleased with horticultural conditions in the west. Compared with some other parts of the country he says there is a marked absence of pests.

Horticulturists to Meet—An important meeting of the Salt Lake County Horticultural society will be held in the offices of the county commissioners at the city and county building tomorrow afternoon at 1:30 o'clock. A cordial invitation is extended to fruit growers in the county to be present as a number of topics of vital interest will be discussed by J. E. Taylor and others.

Ice Famine Ends—The continued cool weather, with the care that is being exercised by the ice men, will go far towards averting the danger of an ice famine, which seemed imminent last week. If another prolonged heated period does not come it is believed that the people of Salt Lake will get through the summer without much inconvenience from lack of ice.

Back From Reunion—James Hogle has returned from attendance at his class reunion at Yale and a northwestern trip. He saw all three of the games between Yale and Harvard, and says the third game in New York was the best of the lot. He believes in a professional coach for the ball team, the advantage of which was made very evident during this season's college baseball season.

Committees Meet Saturday—The committees on entertainment and reception which will welcome President Taft when he comes here in September will meet at 2 o'clock Saturday afternoon in Governor Stry's office. At that time the complete arrangements for his reception will be known. The program as now arranged will take up all the president's time while he is here. The Ohio society and the Yale alumni are trying to arrange a fitting welcome for the president when he comes.

NEW WATER MAINS FOR FOURTH WARD

Nearly 80,000 Feet of Pipe Ordered Laid by Council Committee.

WILL EXHAUST ALLOTMENT.

Improvement Will Practically Consume Portion of Bond Issue Apportioned to That District.

The water works committee of the city council will recommend to that body the adoption of a general plan drawn by the city engineer for extension of the water system in the Fourth ward. The extensions will cost about \$80,000 and will exhaust practically all of the allotment to the Fourth from the bond issue of last year.

It is proposed to lay 40,690 feet of 8-inch mains, 8,428 feet of 6-inch mains, 6,065 feet of 10-inch mains and 870 feet of 12-inch mains. In all 78,453 feet of pipe will be laid.

The pipes will be laid on First, Second, Third, Fourth, Seventh, Ninth, Tenth, Eleventh and Twelfth avenues, on the alphabet streets from A to U, on Virginia and Cemetery streets and in Newhouse Park. The system will connect with the high line direct as well as with the Emigration pipe line through Federal Heights, making a circuit between the City creek and Emigration creek systems.

The allowance from the bond fund for the Fourth ward was \$100,000. Some other extensions were some time ago ordered from it so this will cover the work for that part of the city for some time.

REGAINS CONSCIOUSNESS.

Miss Lily Harding, Injured in Car Accident, Will Recover.

Miss Lily Harding of Provo was seriously injured last night by being thrown to the ground while attempting to alight from a Salt Palace car. Striking on the back of her head, the force of the fall rendered her unconscious, and when removed to the L. D. S. hospital it was feared she was suffering from concussion of the brain.

At the hospital this morning it was reported that she had regained consciousness through the night and that she is now in no grave danger. Miss Harding in company with her sister Hannah came to Salt Lake on a visit last Wednesday morning. Last night they went to the Salt Palace, and as the car reached Third South street, and before it had come to a stop, both young women attempted to get off. Hannah alighted safely but Miss Lily missing her footing was thrown backward. She was taken to the Dr. H. H. Franklin drug store, where an effort was made to revive her. She was later removed to the L. D. S. hospital.

SALT LAKE ROUTE CHANGES.

According to the new schedule on the Salt Lake Route which goes into effect on the 29th inst., a train for Provo and Nephi will leave Salt Lake at 8 a. m., making direct connection with Sanpete valley. The train leaving this city for Provo and Lynn at 4:10 p. m., will also connect at Lehi Junction for Mercur and Tropic. Then the train leaving Salt Lake for Provo and Lynn at 10 p. m., will return next morning, arriving here at 9:30 a. m. with Tropic connections. The train from Lynn will arrive at 12:30 p. m. instead of 1:45. An additional train is to leave this city for Tropic at 10:30 a. m., returning the same afternoon.
