

Large machine shops, car shops, steel works, etc., will be established here as soon as the road reaches the coal fields.

the manufacture of steel and iron prod ucts is found here in abundance, and the North Platte river furnishes ten times the amount of power needed to run the mills and shops. THE SALT LAKE

KANSAS CITY & SOUTHERN DEAL

Another Move Towards Concerted Financial Control of Railroad World.

New York, Oct. 30.-It is learned on excellent authority that John W. Gates, who recently purchased a controlling interest in the securities of the Kansas City Southern railroad, has just sold such control to a syndicate representing various connecting roads. The new pur-chasers include Mr. James Stillman, representing the Rockefeller interest in the Missouri, Kansas & Texas; Cohen Loeb & Co., representing the Union Pacific; E. H. Harriman, representing Pacific; E. H. Harriman, representing the Missouri Pacific. The Filder Jesse Smith in the Second ward meeting house next Friday night. An meeting house next Friday night. An as well as regards Pacific coast busi as well as regards Facine coast busi-bess. In the first place it does away with an active disturbing element in the railroad situation, and in the next place it relieves the Kansas City Southern of the old imputation of being a road "starting nowhere and going no-

Where. By means of the new control it now becomes a direct road from Chicago to the Gulf, and by means of the Union Pacific a direct routs to the Pacific. The disagreeable weather last night Securities purchased by Mr. Gates had the effect of reducing the attendby him re-sold comprise about \$6.- | ance of theatergoers, but there was still 600,000 bonds, and about \$500,000 stock. a very fair turnout at the theater, to other step towards concerted financial greet the Nelli company in general, and control of the railroad world.
