LOCAL AND OTHER MATTERS.

THEATRICAL.—A large audience assembled last night at the Theatre to witness the drama, "Through by Daylight." This play is well characterized by our exchanges as being the climax of the sensational, for it abounds in action, bustle, and sensations of divers kinds from beginning to end. The prologue is melancholy and affecting. In that and the play are songs, dances, fights, knockdowns, shootings, abductions, locomotive, street car, almost a hang, poisoning, desperate leaps and a long inventory of scenes and incidents of the striking order. Altogether, it is a stirring affair, that animates the audience to boisterous applause, but does not afford much opportunity for the display of genuine histrionic abilities. All the actors appeared to acquit lathingly "do their best," and the dancing and singing, part of the latter by the Rocky Mountain Vocalists, were inspiring. It was pleasant to see on the stage again Miss Couldock, Mr. McKenzie, and Mr. Graham, the latter in a role which particularly suits him. Mr. Harris made an excellent Irishman, and Miss Adams as his pugnacious Irish wife was immense.

The same play to-night, at the matinee to-morrow, and to-morrow evening.

THE SOCIAL EVIL.—Yesterday the city police made a descent on several houses in this city, of questionable reputation, and arrested the following named parties: Mr. Hutchings and wife, Cora Taylor, Mattie Oram, Rose Miller, Nelly Hurlbut, Nelly Hutchinson, Jenny Cornell, Mrs. Etna Ewing, Sally Salisbury, Mrs. Wiseman, Charles Merrill, George S. Smith, Isaac Brown and Carry Barrett, who, on the affidavits of various persons, were arraigned before Justice Clinton, on a charge of keeping brothels. Most of them gave bail, their sureties, being business men, chiefly Israelites, to appear at specified times for the investigation of the charges. It seems a great pity that certain individuals who have been so anxious to arrest and convict "Mormons" on charges of "lascivious cohabitation" did not move in this matter; to have been consistent, they certainly ought to have done so; they might have gained some credit among the people here and elsewhere had they done so; but it is more than likely that personal reasons deterred some of the most prominent of that clique from taking part in such proceedings, for the women might have made disclosures that would have jeopardized their liberties and rendered them liable under the Utah statutes to twenty years in the penitentiary and a thousand dollars fine. As it is, while heartily desiring to see every den for the encouragement of vice and immorality within the confines of Utah promptly suppressed, we would rather, of the two, hear of the supporters of such infamous dens being arrested and subjected to the highest punishment the law allows, than of the unfortunates who minister to their libidinous pleasures.

We may add that when the above persons were brought into court, the tender susceptibilities of a young gentleman present were so wrought upon at the distressing position of the ladies, that Quixote like, he there and then volunteered his services to aid them if in any way it lay in his power to do so. Poor fellow, how sympathetic!

OUR SALESMAN, the neat monthly circular of Linforth, Kellogg & Co., San Francisco, has come to hand.

SMALLPOX IN CARSON VALLEY.—The Carson *Register* reports that the smallpox has broken out in real earnest in upper Carson Valley, there being seven well developed cases in the "Dutch Settlement," near the confluence of the East and West Forks of the Carson River.

MARRIED.—In this city, yesterday, by the bride's father, Mr. Rodney C. Badger and Miss Harriett Ann, daughter of Elder John Taylor. Mr. Badger was formerly an attache of this office, and while here won the respect and good will of all hands, which has been augmented, if possible, by the souvenir forwarded for their enjoyment on the occasion of his marriage. All wish the young folks the fullest share of *felicity in their* matrimonial venture, and, *hope* that, as life rolls on, their sentiment with respect to wedded life may be that embodied in the language of the poet Longfellow:

"Then come the wild weather,—come sleet or
come snow,
We will stand by each other, however it
blow;
Oppression and sickness and sorrow and
pain,
Shall be to our true love as links to the
chain."

A PLEASANT CALL.—We had a very pleasant call yesterday from Mr. Bonwick, late of Melbourne, Australia, now *en route* to his native land, Great Britain. Mr. Bonwick is a native of London, but for thirty years, with occasional visits to the old country, he has been a resident of Tasmania. He is a gentleman of intelligence and culture, and the author of several works on the aborigines of the Tasmanian colonies, among others one entitled "The Last of the Tasmanians," which has elicited high encomiums from the British and colonial press.

Mr. Bonwick says he has heard much about Salt Lake, and its people, but the half had not been told, for the city far surpasses his anticipations, and speaks wonders in praise of the energy of the people by whom it has been built.

If the blockade of the road east continues it is very probable that Mr. Bonwick will give a lecture during his stay here, on "The Last of the Tasmanians;" which, from his long acquaintance with them, and his research into their habits and peculiarities, would be one of far more than ordinary interest.

SNOW ON THE U.P.R.R.—A telegram per the Western Union telegraph line, dated Cirinne 7th, says:—

"A telegram from Medicine Bow, this afternoon, says there is considerable snow between Rock Creek and Wyoming, and men had just began shovelling. They have been laying track around the wreck at Look Out all day, and by working hard will probably get trains through by morning. The weather is cloudy with the appearance of more snow. The westward bound passenger train is reported laying at Laramie for three days. A desperate effort will be made to start them to-morrow.

A most lovely morning to-day.

ALDERMAN'S COURT.—This morning several persons were arraigned and tried for drunkenness, and fines amounting to forty-five dollars were assessed.

In the case of sundry persons charged with keeping houses of prostitution, Mr. Hoge appeared for the city and Messrs. Earl & Johnson for the defendants. The defence argued a motion to quash and urged that the amounts assessed against them should be collected as in an act on for debt. The Dr. couldn't see it, and overruled the motion, "the defendants having no property the city wished to invest in." Court adjourned until 2 p.m.

ACCIDENT.—The *Ogden Junction* says by the accidental bursting of a double-barreled shotgun, at North Ogden, Dec. 2nd, Chas. H. Garner, 15 years old, son of Mr. David Garner, was struck by a piece of the gun, over the region of the heart, the blow producing insensibility and internal hemorrhage, the blood issuing from the lad's mouth. Dr. F. L. Anderson attended him and he was progressing favorably.

FINED.—Mrs. C. Wiseman, one of the parties arrested yesterday, on a charge of brothel keeping, when in Court this morning, conducted herself with such impropriety and used such bad language, that she was fined $10 for contempt, and ordered to prison till four o'clock this afternoon. While being removed from the court by the officers, to the jail, she begged to be spared the indignity of the incarcera-

tion, and asked to be taken into Court again to plead with his honor. The officers brought her back, and on her promising to behave decently the justice remitted the imprisonment. The lady's daughter Nelly struck one of the officers a severe blow on the eye, swearing that her mother should not be interfered with. The young virago was arrested and held to await her trial.

TELEGRAPHIC COMMUNICATION WITH EUREKA.—The following was received per Deseret Telegraph line this morning:

Eureka, S.

President B. Young, Superintendent Musser, and Deseret Telegraph Company:

Eureka City, Utah, through your enterprise in electric communication with the rest of the world, sends greeting, and expresses the hope that increased facilities for communication may lead to increased prosperity, and the flashing of human thought along the wire to increased friendship between man and man.

140,000

SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American, June 10, 1871.*

The Singer Manufacturing Company,

AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the owners of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,600
Wheeler & Wilson	83,236	Gold Medal	8 913
Howe	75,156	Ætna	5,906
Grover & Baker	57,402	Empire	3,560
Weed	35,002	Finkle & Lyon	2,420
Wilcox & Gibbs	28,880	Parham	1,760
American Buttonhole & Overseaming	14,578	Wilson	500

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being one-half greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the "Singer Company" have lately commenced making, besides their old and well-established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one better than their old style." Their total sales for 1869 were 81,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

One-half of our Gigantic Sales, now nearly

THREE-QUARTERS OF A MILLION Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS.

But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,

With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This New Family Machine is now capable of a range and variety of work, such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easy operated, speedy, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-elastic-stitch, alike on both sides of the fabric sewn; the only stitch which is universally approved, or is at all adapted to first-class work. This, beaver cloth, or leather may be sewn with great strength and uniformity of stitch, and, in a moment this willing and never-wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking of tartatan, or ruffling, or almost any other work—even by a child—which delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish them and color the thread and oil all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE-GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
