

## CAME 4,000 MILES TO HEAR SON SAY MASS.

The Rev. Aloysius L. Blaznik enjoys the distinction of being the first Slavonic priest to be ordained in the Catholic church in New York. Five years ago Archbishop Corrigan of that diocese decided that the Slavs living in the metropolis were entitled to ecclesiastical representation. He sent a priest to Austria for the purpose of selecting a candidate. The choice fell on Blaznik, a wealthy merchant of Lubach, Austria. The elder Blaznik and his wife were witnesses of their son's ordination which took place in St. John's church, New York City, last week.

## NEW GOVERNOR OF OHIO.

The death of Gov. Pattison, of Ohio, last week wrests control of that state from the Democratic party. The accession of Lieut.-Gov. Andrew L. Harris, a Republican, who succeeds him, will give the Republicans the benefit of the patronage of the state institutions in which thousands of Republicans are office holders. Gov. Pattison's long illness prevented him from ousting the Republican officeholders, so the state Republican organization is practically intact.

Gen. Andrew L. Harris, the new governor, was born in Ohio and is a veteran of the Civil war.

## A THOUSAND DOLLARS' WORTH OF GOOD.

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain," says A. H. Thurman, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick-dust-like substance and now I have no pain across my kidneys and I feel like a new man. It has done me \$1,000 worth of good. Foley's Kidney Cure will cure every form of kidney or bladder disease. For sale by F. J. Hill Drug Co.

What could be more enjoyable than a moonlight sail on the lake at Calder's?

## Naples and an Earthquake.

Apologies of Vesuvius and its eruptions, a New York man said: "I dined in the spring at the new Hotel Excelsior, in Rome, with Henry White, the American ambassador, and Mr. White told me a little-known and astounding fact. This fact was that for 75 consecutive years the mortality from volcanoes and earthquakes in Italy had averaged 1,500 a year."

"Mr. White told also a story about Naples, a story that the Neapolitans love."

"He said that two Englishmen attended a dinner at one of the Neapolitan hotels on the water front—one of those hotels along that massive stone embankment against which the waves of the sea often break in showers of spray 20 or 40 feet high."

"After the dinner the Englishmen went out for a walk. They walked along the embankment. The sea was rough. The spray splashed them. Soon they saw a statue, and as they neared this statue, it nodded to them gravely."

"Did you see that statue nod?" said the first Englishman.

"I certainly did," said the second.

"It is this confounded Capri wine," said the first.

"Well," said the second, "we had better get back home to bed before we are run in."

"So, ashamed of themselves, the Englishmen went home to bed, and when, amazingly fresh, when all things were considered, they sat down to breakfast the next morning, their waiter said to them:

"Did the gentlemen feel last night's slight earthquake shock?"—Los Angeles Times.

## STIMULATION WITHOUT IRRITATION.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orin's Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. For sale by F. J. Hill Drug Co.

Theater open at Saltair this week.

## SHAW MAY SUCCEED ALLISON AS SENATOR.

It is persistently reported that Secy. Shaw is seeking Senator Allison's place in the United States senate, and that the illness of Mr. Allison prompted the renewed activity shown by Shaw in the Iowa campaign. Mr. Shaw recently declared to close friends that he is not seeking the presidential nomination, and that he intends to return to Iowa upon his retirement from the cabinet next year. Those with an intimate knowledge of Senator Allison's ailment declare a new senator will be sent from Iowa within four years.
