What It Costs

Must be carefully considered by the great majority of people, in buying even necessities of life. Hoods Sarsaparilla commends itself with special force to the great middle classes, because it combines positive economy with great medicinal power. It is the only medicine of which can truly be said "100 Doses One Dollar," and a bottle taken according to directions will average to last a month.

THE CRY OF MILLIONS
OH, MY BACK!
STOP IT NOW,
SOON IT WILL BE TOO LATE.

I have been troubled many years with diseases of the kidneys and have tried many different remedies and have sought aid from different physicians, but never obtained relief. About three years ago I was suddenly taken with a very violent attack that almost prostrated me to the ground. Such a misery I was never. When I was down it was utterly impossible for me to get up alone, or to put on my clothes, when kind providence sent Dr. Peebler with the OREGON KIDNEY TEA, to my home. I immediately sent for a bottle and commenced to use it, and in almost miraculous effect, and to the astonishment of all the people of the hotel, in a few days I was happy to state that I was a new man. Such a happy change I never experienced the like to an afflicted as I have been.
