Board of Censors Get at Their Work in Rapid Steps Today.

VERY FEW ERRORS HAVE BEEN FOUND.

And Then Only in Excerpt from the Tables—Work Reported by Censor Board.

The board of censors of election returns for Salt Lake county have today announced the result of their work on the several thousands of the printed tickets for the November election of the Supreme court members of the legislature, county officers and general officers. The board has found only a few errors in the returns, and these only in the tables of the returns.
