Get My Book, if Sick.

Don't Send a Penny.

Don't send a penny. Just wait till you see what I can do. I'll take the risk. Let me prove up first what Dr. Shoop's Restorative can do. The Restorative will gain your friendship, your endorsement, if you test it. For a whole month you can use it without the slightest risk.

I will tell you of a druggist near you who will furnish six bottles of Dr. Shoop's Restorative a month on trial.

I will absolutely stand all the cost if it fails. If you say, "It did not help me," that ends it as far as cost to you is concerned. Do you understand me? I am telling it as plainly, as clearly as I can. I want you to know absolutely and without doubt that this offer is made on honor. I have the prescription that cures. My only problem is to convince you that Dr. Shoop's Restorative will cure—is and uncommon remedy. A common remedy could not stand a test like this. It would bankrupt the physician making the offer. And I am succeeding everywhere and here is the secret of my success. I found invariably that where there was a weakness, the inside nerves were weak. Where there was a lack of vitality, the vital nerves lacked power. Where weak organs were found, I always found weak nerves. Not the nerves commonly thought of but the vital organs' nerves. The inside—the invisible nerves.

This was a revelation. Then my real success began. Then I combined ingredients that would strengthen, that would vitalize, these nerves. That prescription I called a restorative. It is known the world over now as Dr. Shoop's Restorative. Thousands are accepting my offer and only one in each forty writes me that my remedy failed. Just think of it, 39 out of 40 get well and these are difficult cases, too. And the fortieth has nothing to pay. That is a record I am proud of. It is wrong to stay sick when a chance like this is open. If well, you can tell others who are sick of my offer. Don't let a sick friend stay sick because he knows not of my offer. Tell him. Get my book for him. Do your duty. You may be sick yourself, sometime. Sick people need help. They appreciate sympathy and aid. Tell me of some sick friend. Let me cure him. Then he will show his gratitude to both of us. Your reward will be his gratitude. Send for the book now. Do not delay.

RULING IN AN OLD MURDER CASE

John Rice, Charged With the Killing of Fred Beutler, Enters Plea of Not Guilty.

Case Set for Trial for Tuesday, May 31, and That Against Abe Hunter June 2.

Judge Morse this morning denied the motion of defendant to quash the information in the case of the State vs. John Rice, charged with the murder of Fred Beutler in this city more than seven years ago; whereupon Rice entered a plea of not guilty to each of the three counts in the information filed against him, and his case was set for trial, upon motion of District Attorney Benner X. Smith, for Tuesday, May 31.

The motion was based upon a question of jurisdiction of the lower court and was reported in full in last evening's "News." The matter was submitted without argument by defendant's attorneys, A. J. Weber and J. M. Hamilton. After the motion was denied by the court, Rice again entered a plea of not guilty to the charge, he having withdrawn a similar plea in order to give his attorneys an opportunity to submit the motion to quash.

Abe Hunter, who is also charged with the murder of Beutler, was allowed to withdraw his plea of not guilty, and his attorney, Soren X. Christensen, filed a demurrer to the information which was submitted without argument and overruled by the court. The demurrer was based on the ground that the information did not state facts which constituted a public offense. After it had been overruled by Judge Morse, Hunter again entered a plea of not guilty to the information, and his case was set for trial on Thursday, June 2, to follow the Rice case.

MOTION TO QUASH.

Attorney Questions Court's Jurisdiction In the Green Case.

J. T. Green was arraigned in the criminal division of the district court this morning before Judge Morse upon the charge of obtaining money under false pretenses. He is charged with obtaining $100 from Neils Johnson at Bingham Junction on Jan. 23, 1904, for a one-half interest in a restaurant outfit which did not belong to him at all, but belonged to P. A. Sorenson. Attorney Frank Hoffman filed a motion to quash the information against Green on the ground that the court below had no jurisdiction in the case for the reason that the warrant for defendant's arrest was issued without the approval of the county attorney, as provided in the statutes.

District Attorney Smith contended that Green, by waiving his preliminary hearing in the justice court and entering a plea of not guilty to the charge, forfeited his right to raise the point of jurisdiction of the court. Judge Morse decided to take the matter under advisement until Saturday, May 7, in order to look into the question, so the defendant did not enter a plea to the information today.

THOMAS BRIGHTON'S ESTATE.

Wife of Murdered Conductor Asks to be Appointed Administratrix.

A petition for letters of administration of the estate of Thomas B. Brighton, deceased, the street car conductor who was killed by James M. Shockley on the night of Jan. 6 last, was filed in the probate division of the district court today by Mrs. Margaret L. Brighton, widow of the deceased, who asks to be appointed administratrix of the estate. The estate consists of real estate and household goods valued at $200. The deceased left five children and it is asked that Robert Brighton, a brother of deceased, be appointed as their guardian. The petition will be heard by Judge Hall on Friday, May 13.

FARNSWORTH GETS $9,500.

Jury in Federal Court Finds Against the Union Pacific.

The jury in the case of Don Farnsworth vs. the Union Pacific Coal company rendered a verdict at 9 o'clock last night for the plaintiff in the sum of $9,500. The amount asked for was $25,000.

The evidence, which has occupied the Federal court for several days, went to show that Farnsworth, a man of family, about 30 years of age, was employed to run a car in one of the company's mines. It was his duty to signal the engineer from this car by means of a system of wires when anything went wrong. On one occasion, when a car got off the track, he reached out to give the signal to stop, when his head came in contact with a heavy projection on the side wall, and he was thrown under the car. The wheels passed over one leg, necessitating amputation, and he was otherwise crushed and permanently injured.

The plaintiff and his family were overjoyed by the announcement of the verdict, for since the accident Farnsworth has been in desperate straits and his physical condition will not admit of his making a living.

Two Divorces Granted.

Judge Morse this morning granted two decrees of divorce. Lena Kooyman was granted a divorce from Cornelius Kooyman on the ground of non-support. They were married in March, 1903, and after three months of married life defendant refused to provide for his wife and she was compelled to go to her parents' home and work for her own living. Her maiden name was restored to her.

John Allsop was divorced from Emma M. Allsop on the ground of desertion.
