THE Utan Central will run a special train tomorrow (the Fourth) which will leave Ogden at 7:45 a. m. reaching this city at 9 a. m. It will leave here, on its return at 6:30 p.m. This train will be run for the accommodation of people in the north who may wish to witness or participate in the celebration here.

Company at the Theatre last night was somewhat weak, and the audience were not at all satisfied. The dissatisfaction was so marked that a considerable number of people left the

building before the close of the performance. The company will perform "Escaped from the Law" tonight.

A CHINAMAN sitting under a tree, opposite a quantity of fireworks of various kinds, which he had attached to the fence for the purpose of attracting customers, was an example of enterprise which pedestrians on First South Street, between Second and Third West streets, noticed this forenoon. Without expense for rent or license, he ought to be able to sell goods cheap.

DR. HALL has been making efforts for a year past to cultivate a lawn in front of his house at No. 231 Sixth East Street. The grass was just getting nicely started when, about a week ago, he discovered a cow on one part of it. The animal had tramped about and badly demoralized one-half of the lawn, and this morning the other half was cut up so badly by the same animal that the doctor feels justly in. censed at the neighbor through whose carelessness the damage has been done. On the second occasion parties saw the cow put her horn to the gate,

throw it open, and walk in.
