## OGDEN NEWS.

OGDEN, UTAH. - SEPT. 11, 1901.

### DISTRICT COURT HEARINGS

County Commissioners Pass Resolution Denouncing Secret Orders of Anarchists.

United States Judge Marshall Sitting on Waterworks Case—Laying of Corner Stone of Carnegie Library.

In the second district court yesterday, the following cases were heard:

In the case of Hilgreen vs. Union Pacific Coal company, wherein an action brought by a resident of Wyoming against the defendant company, the plaintiff filed an affidavit to the effect that he was unable to pay the costs of the filing of the suit, and asked that the costs be paid by the state. The court, however, did not consider that a non-resident of the state had a right to sue in the state without standing the expense of the same, as the statutes of Utah provide that a non-resident must give security for the costs of the action, and the court refused his decision in accordance with the same, holding that the plaintiff will be required to give security for the costs. The time was extended for thirty days.

State of Utah vs. William Clark; case continued for the term on motion of defendant, and by consent of the state. In the matter of the estate of Rasmus Jensen, deceased, administratrix, with bond fixed at \$100.

In the case of A. R. C. Smith vs. P. Holm et al, the motion for a new trial was denied.

In the matter of the estate of George W. Richards, deceased; Mary J. Richards was appointed administratrix without bond.

In the matter of the estate of Edna W. Armstrong, petition for discharge of guardian and approval of final account was referred to the clerk.

In the matter of the estate of Bodie M. Keyser; the hearing on petition was continued until September 25, 1901.

In the matter of the estate of Thos. Bradshaw; the final account and distribution account were referred to the clerk.

In the matter of the estate of George Hays, G. G. Abbes was appointed administrator with bond fixed at \$500.

The case of the State vs. John McCoy, charged with assaulting George Kaiser, and breaking one bottle, and otherwise inflicting him, was given a hearing before his honor, and the following jury: C. A. Ecklund, Edward A. C. P. McDowell, John Hooper, Alexander Wilkinson, Jr., J. J. Brummett, Wm. Bartlett and Chas. Aldous. The evidence produced by the prosecution went to show that McCoy assaulted Kaiser because the latter was turning some water out of a ditch running through McCoy's property. The jury after several hours' deliberation returned to the court room and reported that they could not agree. The court dismissed the jury.

### ANARCHISTS DENOUNCED.

The board of Weber county commissioners passed the following resolution this morning:

"We, the board of county commissioners, greatly deplore the terrible calamity which has befallen our nation in the dastardly attack upon the life of our beloved President, William McKinley. The fiend in human form who under the guise of friendship, grasped the hand extended by a confiding love and appreciation of his fellow citizens, and with the other secretly drawn weapons with which he aimed to destroy that life—the life of one so good and noble—has committed one of the most dastardly, cruel and unnatural crimes ever recorded in history among the white race. We, the board of county commissioners, with much love and personal motive to prompt the diabolical deed, but to the fruits borne of a training in the secret school of anarchy, we denounce such secret orders of conspiracy, villainy and murder, a menace to the whole world, and while desiring that a speedy and effectual banishment of such vile organizations will take place from our much beloved land of freedom and a generous and most liberal government, we sincerely believe and pray that a divine Providence will heal the wounds and restore to health, to wife, to children, the nation and whole world, our much loved, wise, able statesman and President, William McKinley."

JOSEPH STANFORD,  
GEO. HALVERSON,  
Committee.
