

**AN ADVERTISING DODGE.**

Frank Draggett, of the Wabasho Herald, narrates the following about Lute Taylor, of the Prescott Journal. Lute's philosophy is better than Greeley's.

Lute made out Dill's bill, and among other items was one for.

"Business adv. 1 year, \$50.

"What's this?" said George.

"Can't you see?" replied Lute. "It's my charge for your advertisement."

"Why, I don't remember having seen one in the paper," says G., honestly.

"Well, you've not had one in the paper. But that's not my fault. I've published the Journal just the same, and it's your own fault if you haven't advertised. I can't afford to lose by your carelessness. I have been obliged to set just so much extra matter—\$75 would not make the whole, the fact is, I will be out at least \$25, anyhow. If you don't advertise, I must have my money just the same," and all this in Lute's peculiarly taking style.

A light dawned on George's visage, just as you have seen a bright May sun dispel the morning mist, and the faintest ripple of a laugh disturbed his otherwise quiet features.

"I'll pay you for this, Lute, but hereafter I won't pay on any advertisement I don't see in the paper. Put in as much as you think I ought to have, print me circulars—anything I need, and send in your bill."

George was converted.

Ever since last Tuesday, says the Enterprise of Sunday morning, the Donner Lake route has been so completely blockaded by snow, that the coaches have been unable to get through, and the passengers and mails are detained in the mountains. The passengers by the coach that left this city on last Tuesday, were the last that left Cisco; the others are at Huffaker's, Crystal Peak and other places along the route. There is about eight feet of snow in the mountains. Wells, Fargo & Co., have established a new snow-shoe express for the transposition of the letter mail until the road is broken for sleighs.—Reese River Revue.

ALUM WHEY, IN DIARRHEA.—To one pint of fresh milk, add one-fourth of an ounce of powdered alum. Heat the mixture until it boils, and strain it. In common cases of the above complaint it is employed in doses of a wine glass full for an adult three times a day. In the country, it is sometimes inconvenient to call the services of a physician, and in such cases similar remedies may very properly be employed.—[E.

DARK HOURS.—To every man there are many, many dark hours—when he feels inclined to abandon his best enterprise; hours when his heart's dearest hopes appear delusive; hours when he feels unequal to the burden, when all his aspirations seem worthless. Let no one think that he alone has dark hours. They are the common lot of humanity. They are the touchstone to try whether we are current coin or not.

The telegraph operators inform us that Valley station (138 miles from Denver on the road to Julesburg) has been burned by Indians. Yesterday, Charley Moore, of Moore's Ranch, while on his way from Sidney to Riverside, was run five miles by about thirty Indians, but he succeeded in escaping.—Colorado Tribune, Jan 3d.

An enterprising Washingtonian offers for sale fresh buffalo meat, received direct from the hunting grounds, via Pacific railroad. Rocky Mountain ice cream will be in order next summer.

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

**CASH!**

We will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

**ARGUMENT:**

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get held of "Ten Dollars," a chance to buy Goods Cheap.
