WILL PLAY FOR CHAMPIONSHIP.

Agricultural College and University Teams Battle This Afternoon. STRUGGLE WILL BE FIERCE.

The winner in today's struggle on the gridiron will be the recognized interscholastic champion team of 1901. The contest is between two of the strongest teams in the state - the Agricultural College and University of Utah eleven. The former has been coached under the watchful care of Dick Richards, and the 'Varsities have been drilled by Coach Holmes, a veteran player.

There is more interest in today's game than in any previous contest this year, and the crowd in attendance promises to be a record. From the moment the game was arranged for both organizations settled down to hard, faithful work, because victory means much to either. The students of all Hallows' college were preparing for the battle, and the same may be said of the local eleven.

The 'Aggies' arrived this morning in splendid condition and proceeded to the Macon where accommodations were made yesterday for the entertainment of seventy-five persons. The boys are enthusiastic and Coach Richards is positive they will return to Logan crowned with victory. On the other hand, the Agricultural College and University of Utah eleven, are worried not in the least. They feel certain of victory.

The teams lined up as follows: Univ. Position. Ag. Col. Harker, L. E. Little, King, W. E. Elmore, J. Weston, R. G. Moore, J. H. Robbins, C. G. Madson, G. Weston, R. G. Nebecker, Johnson, R. E. W. Jardine, Roberts, L. H. B. Langston, Sanders, R. H. B. Allright, Bennion, T. B. J. Jardine

GUARDS WIN ONE. Defeated All Hallows on a Flake Yesterday Afternoon.

Two to nothing on a flake, Bassett and Christy knocked out, the latter probably for the season, is the result of a little argument on the gridiron between the soldiers of the N. G. U. and the students of All Hallows' college yesterday afternoon at Walker's hotel.

The Guards scored 2 points on a punt by Cline, the oval smashing into an opponent and bouncing over the goal line. The game was fierce to the extreme, and that it was close goes without saying. Nothing of very great note happened in the first half. The Guards put the hogline into play, Beck kicking to McMonigal who stopped on the ten-yard line, the soldiers getting possession of the ball.

It was lost on the thirty-yard line by a fumble, after being carried there by a series of determined bucks. The Collegians concluded a punt would be a good thing and tried it. The Guards thought the same and repeated the play. After the ball was dead, Bassett seized it and ran for a touchdown which was declared null and void. After this the soldiers fumbled the ball and the ball was immediately recovered.

Within two yards of the goal line, All Hallows held the other side for downs. Just before time was called the Collegians had a chance in rushing the ball back to the fifteen yard line. Each team drew a cipher; time of half twenty-five minutes.

The Guards got the ball in the kick-off in the second half and carried it to the fifty-yard line, where they put off a fumble occurred and Smith fell on the ball. Fred Smith waded through the line for a ten-yard gain and was tackled by Christy. The latter probably spoiled the Collegians' chance to do the talking for the day was carried off the field. Fumbles and more fumbles and the Guards had the ball on the fifteen-yard line when the smoke cleared away.

At this stage of the proceedings Cline attempted his punt. The ball 'mote' Lynch in the back and bounded over the goal line, where it was seized by Smith. This scored a safety for the Collegians and giving them two points. The ball was taken by All Hallows to the twenty-five yard line for a place kick. Here Pike and Clayton were substituted for Romney and Bassett. The latter kicked a good one, but a comb three. Someone tried to perform an operation upon Tom Fanning and laid bare his cheek bone. He was not knocked out, however, and remained in the fight until time was called.

The line-up and officials follow. National Guards. All Hallows. Douglas, J. E. P. Smith, Stanton, Crane, L. E. Poye, Kidder, J. E. P. McMonigal, Smith, Worthen, Chaffin, Niland, Beck, Tallon, Christy, Gallinger, Thomas, Fred Smith, Jackson, Cline, John Boyle, referee; Kenyon, umpire; McFadden, timer; Jennings and Petty, line-men. Time of halves, 25 and 20 minutes.

WANT TO JOIN THE CLUB.

Wealthy Men Would Pay Big Price for Membership.

One thousand dollars is the standing offer for a membership in the Bear River Duck club and there is no hope for sale, says the Denver Post. One year ago when the club was organized memberships sold for \$250 each.

Applications have been received from all the interested parties. The club is the biggest duck club on earth. These applications have been from multi-millionaires, but they have gone for one thing they cannot get.

George Walery and Alvin B. Daniels conceived the Bear River Duck club. They went with a party of Salt Lake men hunting last winter for ducks in the lakes along and tributary to Bear River, fifty miles from Ogden, in Utah. When they returned to Denver they had conceived the idea of a gigantic duck club to control all the lakes.

Mr. Walery and Mr. Daniels carried their scheme through. They got other interested parties and got 7500 acres of land, which included the lakes. The club has completed its new club house and it is one of the best and most comfortable dwellings of its kind in the world. The popularity and fame of the club is now world-wide.

The membership is limited to one hundred. Those now in don't want to get out and those out want to get in, and accounts for the big standing offer for a membership. Every duck hunter knows that there are countless thousands of ducks at the club lakes.
