General Summary.

Between December, 1851 and December 1852, Alexander Dumus has written 40 volumes. The orders from Austria at Birmingham, are so numerous, as to be with difficulty executed. Horses in England are deteriorating.

Ten houses of papier mache have been made in Nephi Packard, England and sent out to Australia. They are made Cyrus B. Hawly, S. J. Lamb, to resemble brick buildings.

CHEAT LIVING .- For breakfast, take two cents James Ivie, worth of dried apples, without drink; for dinner, drink C. H. Allen, a quart of water to swell the apples; take tea with " Andrew Allen, Geo. Hawley, friend.

"Tum," said an acquaintance of his, "who did you say our friend B. married?" "Well, he marriedforty thousand dollars !--- I forget the other name."

become rich on five hundred a year; others can scarce- with them. ly keep out of jail, on five thousand. Saving has fault.

commanding one's destiny.
