

WIGGINTON'S UTAH ELECTION BILL.

IN the House of Representatives, June 12th, Mr. Wigginton, from the Committee on Territories, reported a substitute bill "to regulate elections and the elective franchise in the Territories of the United States," which was read twice and recommitted. We subjoin a brief abstract of the principal provisions of this new bill.

SEC. 1. Provides that only male citizens of 21 years and upwards resident in the Territory six months preceding an election, and in the precinct ten days, shall vote. Idiots, insane persons, convicts, bigamists and polygamists cannot vote. None but qualified voters can hold civil office in a Territory.

SEC. 2. Provides for secret ballot.

SEC. 3. The secretaries or the governors of Territories to supervise the printing of all ballots and envelopes used, and see that the latter are properly gummed, or "mucilated," as no other material can be used to secure them. Anybody can obtain these ballots and envelopes by paying the cost price of them. The secretary finable as high as \$1,000 and imprisonment for as long as two years for wilful neglect or omission in this connection.

SEC. 4. Three judges of election in each precinct—the senior justice of the peace, and two other electors, one appointed by the governor, the other by the county court.

SEC. 5. The judges of each election precinct to choose two clerks of election.

SEC. 6. The judges and clerks to be sworn in. Vacancy in judges to be filled by choice of qualified voters present at the polls at the time.

SEC. 7. The judges can administer the oath to each other and the clerks, if no other authority is handy.

SEC. 8. Polls open from 7 a. m. till 6 p. m. If choosing of judges interferes, then polls to open as soon as possible.

SEC. 9. Polls to be opened by proclamation of one of the judges, and closed by like proclamation thirty minutes before the time of closing.

SEC. 10. Ballot-box to be publicly opened and exhibited before commencing to poll, then locked and not opened again till after the election.

SEC. 11. Each clerk of election to keep a poll book with number and name of elector entered as he votes.

SEC. 12. All voting to be by ballot, delivered to a judge.

SEC. 13. All the candidates voted for by one elector to be on one ballot.

SEC. 14. Ballot to be delivered to a judge openly; judge to pronounce the name of the elector; if not objected to, and the judge is satisfied, the vote is to be received.

SEC. 15. Challenged voters to be sworn to truly answer questions; then to be questioned by the judge; if the judges are satisfied with the answers, then the vote to be allowed. Certificate of naturalization, duly certified, to be produced, if required, also a certified copy of court records naturalizing such voter. If original certificate and court record are lost, then the applicant to be allowed to vote, on stating when and where he was naturalized.

SEC. 16. Challenged and allowed voters to be so distinguished on the clerk's record, to be taken as prima facie evidence.

SEC. 17. Votes to be counted publicly immediately after the election until completed.

SEC. 18. Procedure in counting the votes.

SEC. 19. Ballot box not to be removed from the room until all the ballots are counted. Names of candidates voted for on each ballot to be read aloud by the judge, and recorded.

SEC. 20. Result to be publicly announced. Concerning lists and certificates.

SEC. 21. County court to canvass returns in public, declare the result, make abstracts, etc. Secretary of Territory to canvass votes, etc.

SEC. 22. Manner of conducting town or city elections similar, with necessary exceptions.

SEC. 23. Concerning perjury.

SEC. 24. Concerning hindering an elector from voting, repeating, illegal voting, etc.

SEC. 25. Concerning opening ballots or ballot box illegally, disclosing names of persons voted for by any elector, forgery or counterfeit of returns, altering returns, making

false or fraudulent returns, omitting to perform duties, etc.

SEC. 26. The Governor to establish election precincts in certain cases.

SEC. 27. Repeals repugnant acts.
