The Pair Will Meet in Butte  
Arena on September  
Fifth.

ARE GIVEN A BIG GUARANTEE.

Transportation to be Wired at Once  
When Articles Will be Signed  
And Forfeits Posted.

(Special to the "News.")

Butte, Mont., Aug. 16.—Batting Nelson and Aurelio Herrera will fight 20 rounds, or less, in Butte on Labor day, Sept. 5, in the new arena of the Montana Athletic club. W. S. Nolan, manager of the club, received a telegram yesterday afternoon from the managers of Herrera and Nelson, telling him to wire transportation and that both men would be signed and forfeits posted here for Butte on Sept. 5. Articles would be signed and forfeits posted here for Butte on Sept. 5. Articles would be signed and forfeits posted here for Butte on Sept. 5.

This contest, while it lasts, will be one of the most vicious the Butte fans ever saw. The dispatch does not state the conditions of the match, but we know Teddy Murphy, Nelson's manager, well enough to venture the assertion that the weight will be 130 pounds, and that the purse will be divided 50 and 40 per cent. Herrera would not doubt make the weight 128 pounds, but the "boy manager" thinks that in drawing it a little too fine for him he has made a mistake.

TONIGHT'S BIKE RACES.

Feature of Program Will be Western  
Championship for Ten Miles.

Practically all the professionals at the track have entered the event. Among the amateurs who will ride are the Redman brothers, Heagren, West and Elwood.

Schmidt in a light car covered 25 miles in 16:23.5. Barney Oldfield covered the same distance in 16:23.5. Oldfield's last mile was covered in 1:59.4 seconds.

In the 15-mile free-for-all, cars from 142 to 224 pounds Barney Oldfield defeated George Graham. The time for the event was 16:23.5. Only two started.

Christy Mathewson, the Giants' big pitcher, is twisting in great form for this season. At the beginning of the season Mathewson was unable to

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff  
Without Herpelide.

Did you ever see any one trying to  
wash themselves without soap or  
water?

If you did what would you say of  
him?

It is every bit as foolish to try to get  
rid of dandruff and to prevent bald-  
ness by feeding the scalp which causes  
it with Cantharides, Vaseline, Glycer-  
ine and similar substances which form  
the principal ingredients of most so-  
called Hair Vigors.

Newbro's Herpelide is successful be-  
cause it attacks and kills the parasite  
which feeds on the hair roots.

It is the original and only genuine  
hair germicide manufactured.

Fifty Against Two.

It is not reasonable to expect two  
weeks of outing to overcome the effects  
of fifty weeks of confinement.

Take a bottle of Newbro's Herpelide.  
This great tonic will do more than any  
other to refresh your blood, over-  
come your tired feeling, improve your  
appetite, and make you sleep easy and  
refreshed.

A adulteration goes full  
length in spices and flavoring  
extracts—you think it isn't  
worth while to cheat in such  
trifles—four-fifths of "vanilla"  
is tonka; cost's one or two  
cents for "\$1-worth".  
Schilling's Best are entirely  
pure; at your grocer's.

get his stride, but now he has it and is  
doing great work.

Up to the time the Giants began their  
recent series in Pittsburgh "Matty" had  
twisted 10 winning games in succession  
for the Giants. He was anxious to sur-  
pass Jack Chesbro's record of 14  
straight winning games, but he had  
the misfortune to lose the game and  
was compelled to start over again.

Mathewson claims he has more speed  
this year than ever before, and that  
before the season is over he will satisfy  
the baseball cranks that he has not  
gone back as a twiler, as some people  
had begun to think.

Mathewson is a native of Factory-  
ville, Pa., and is 23 years of age. He  
pitched for the Bucknell university  
one for two years and made his de-  
but as a professional with the inde-  
pendent team of North Attleboro,  
Mass., in 1891. In 1900 he played with  
the Norfolk club of the Virginia State  
league. Late in the season he joined  
the New York club and pitched a few  
games. At the end of the season he  
was released and drafted by the Cin-  
cinnatis.

John T. Brush traded him to New  
York for Amos Rusie. Matty in the  
meanwhile signed with Connie Mack of  
the Philadelphia, then changed his  
mind and signed with New York. His  
record in the early part of 1901 has  
never been surpassed. His wonderful  
work caused a revival of baseball in-  
terest in this city and virtually saved  
the National league from a disastrous  
season.

Matty signed with the St. Louis  
American league club last summer, but  
the peace conference awarded him to  
New York. Last year he won 13 games  
and lost 8. His batting average last  
season was .200 per cent.

## GEORGE GARDNER WON OVER JEFFORDS

Big Jim Endured For Only Six  
Rounds—Had No  
Chance.

M'CARTHY BEAT LAFONTISE.

Last Night the "News" Called the  
Turn on Both Battles—Prelimi-  
nary Was Fierce Bout.

(Special to the "News.")

Butte, Mont., Aug. 15.—George Gar-  
dner tonight defeated Jim Jeffords in the  
third round, knocking him out with a  
fist swing to the jaw that laid the  
flesh open and sent the Californian  
reeling and spinning to the floor. Jef-  
fords struggled to his feet and gamely  
mixed it again with Gardner, who with  
another swing sent him to the floor  
again. Jeffords for the third time re-  
gained his feet and in a dazed manner  
attempted to strike at Gardner, who  
calmly squared off and, landing again  
on his groggy opponent, walked him  
one that dropped him like a log. Jef-  
fords lay like one dead for several mo-  
ments and was in his corner for about  
three minutes before he was able to  
comprehend anything.

Jeffords was no match against the  
Lovell man's cleverness. Gardner re-  
peatedly jabbed his left and right into  
Jeffords' face. Jeffords would swing  
at Gardner with terrific force, though  
the blows almost invariably would go  
wild or be ducked by Gardner. With  
his long left Gardner kept tantalizing  
Jeffords as he feeling him out, and when  
in the third the big fellow made an ef-  
fort to get away from rapping lefts,  
Gardner swung his right to Jeffords' jaw  
with deadly effect, dazing and  
sending him to the floor.

Jeffords was a disappointment to a  
fight followers here, his footwork ap-  
pearing clumsy against that of the  
clever man against him.

Little money changed hands on the  
fight. Odds of 50 to 40 on Gardner went  
begging.

It was announced from the ringside  
by Manager Nolan of the Montana  
Athletic club that Aurelio Herrera and  
"Batting" Nelson had agreed to a  
match in Butte in September and ar-  
ticles and transportation had been wired  
the two fighters.

Jerry McCarthy of Salt Lake defeat-  
ed Moose La Fontise after a four-round  
preliminary of fierce fighting, winning  
on a decision.

LUCAS IN BUTTE.

Says Positively that the Miners Will Not  
Pull Out.

(Special to the "News.")

Butte, Mont., Aug. 15.—W. H. Lucas,  
president of the Pacific National league  
is in Butte, looking after affairs of the  
league.

Lucas states positively that the Butte  
team will not be sold, nor will it make  
any wholesale disposal of players. Lu-  
cas is confident that the present man-  
agement will be able to see its way out  
of the difficulty.

"But Butte team will not disband,"  
said President Lucas, "nor will there be  
any wholesale disposal of players."

Salt Lake tried to sell off some of its  
best players in a bunch and we would  
not stand for it. Such a move not only  
hurts the team at home, but also its  
drawing qualities away from home. The  
league in other towns is doing well,  
and we will certainly finish the season  
all right. Butte should get right in a  
short time."

President Lucas left Butte tonight.  
"Piggy" Ward has been sold to Bir-  
mingham club, leaving today for the  
south.

Lucas is on his way to Salt Lake for  
the purpose of looking into some affairs  
here which came up as a result of the  
recent transfer.
