Estimable Woman Succumbs to Long Illness from Lung Trouble.

SESSION OF THE CITY COUNCIL.

Ira Maddox Wanted for Forgery-Mrs. Frank B. Carpenter Sues for Divorce-Wedding Bells.

Mrs. W. T. Beardsley, wife of Willis T. Beardsley, and one of Ogden's most highly esteemed young ladles, died yesterday at the family residence in this city, after an illness of several months from lung trouble. The deceased was a daughter of Mr. and Mrs. William Newel, and was 34 years of age at the time of her death. She was at one time a leader in social circles, and took a prominent part among the ladies of the city in gatherings of various kinds. She was a lady of noble thought and character, always throwing out a beam sunshine wherever she was, Throughout her entire illness she was patient and contented, that whatever hould come, it would be for the best. When Mr. Beardsley had finished his term of office as city auditor, he acepted a government position at the Philippines, and in company with his wife started for that country, but Mrs. Beardsley was taken seriously ill at Hong Kong, and returned home. She intinued to grow weaker until the final summons called her to the great be-yond. The time of funeral will not be fixed until Miss Alice Newel, a sister, who is now in New York, is heard from. IRA MADDOX WANTED FOR FOR-GERY.

A man named Ira Maddox, a tailor by trade, is wanted by the Ogden police on the charge of forgery. Maddox came o Ogden several weeks ago and secured ovment in C. E. Ecklund's ta. He worked energetically, and well, but Sunday the desire struck him to leave the city and to seure the money with which to leave he forged the name of his employer to four checks, aggregating \$47. Maddox is supposed to have gone west.

Police. Officer Forbes' resignation from the department was reported by Chief Browning.

The report of the city engineer as to the protests of the property owners in the curbing and guttering districts showed that the city had acquired jurisdiction to districts 4, 5 and 6, but that the road was so close in No. 6 that the council dropped it from the list. The matter of printing briefs for the

city attorney in the waterworks appeal case was referred to the engrossing committee.

The clek of the municipal court re-ported fines and forfeitures for the month of December amounting to \$1,-989.10. Frank M. Cook applied for a position as cremator. The application was re-

The case of Bostaph against Taylor, suit brought to quiet title to certain lands, was argued by the attorneys this morning and taken under advisement by Judge Rolapp.

The case of the State of Utah against Jack Williams and Tom LaRose was commenced in the district court today. The defendants are charged with burglary. R. A. Middleton held the lucky num-

except the one we most expected, the one that was most needed-water-works. The people had voted some \$16,000, the full limit allowed under the law, for waterworks. The estimated cost was about \$30,000. The propriety of proceeding with the small amount of available means was questioned by some, but the great need of this place being the want of pure water, water that is fit to drink, caused everybody to hope, and help along, the project. The city fathers promised us that the water should reach us by Christmas. We were looking for it. Prior to the election in November, a great deal of energy was put forth; the promise waterworks by Christmus was renewed; and the people generally felt jubilant. Practically the same city officers were elected; but since the election, work has been suspended. It is the hope, however, that work may be speedily resumed, and that the people may be supplied with pure water
