Civic Improvement League Committee Shows Up Ogden's Educational Conditions.

MUST PROVIDE FOR 800 PUPILS

penand More Adequate High School Facilities-Appeal to Citizens to Support Bond Proposition.

Ogden, May 22 .- The committee the Ogden City Civie Improvement league has prepared a statement of the ion of the school finances of the ity which will be presented to the jax ayers of Ogden in the near future, tha view of securing a favorable resideration of the matter of bonding rancy high school building.

Members of the committee who were s follows, John S. Lewis, chairman; T. Wright, J. N. Spargo, J. C. Nye d Rev. John E. Carver and Supt. met at the Weber club, Wediay night to consider the statement was prepared by Chairman Lewis. , had made a very thorough inves-tion regarding the financial end of school condition. collowing are extracts from Mr.

statement;

ewis' statement: Total school census of Ogden City of school age) July, 1907-6,850. Number that have attended the vari-us schools during years 1907-8: High chool, 450: Washington, 400: Pingree, 55; Central, 305; Grant, 650: Five conts, 275; Mound Fort, 400; Dee, 520; fadison, 760; Quincy, 300; Lewis, 600; West Ogden, 50; total, 5,005.

Spring Ailments Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, fits of biliousness, indigestion and headache, are some of them. All are cured by Hood's Sarsaparilla,

which thoroughly cleanses the blood and restores healthy functional activity to the whole system. This spring take Hood's Sarsaparilla

In usual liquid form or chocolated tab-lets called Sarsatabs, 100 Doses \$1.

this year on account of contagious disnormal capacity of the school buildings without uildings without using besements, oor recoms, offices, annexes, etc., is 550 ss than the present attendance. The Provide Booms, offices, annexes, etc., is 560
less than the present attendance. The probable increase next year in school is 250. Total to be provided for next year above present capacity, 800.
The bond limit of the Ogden City school district may be 2 per cent of the valuation of \$11,750,000 (1908) \$235,000.
The school district is now bonded for \$135,000. Leaving an amount that the district can be bonded for of \$100,000.
The school taxes paid by the man who pays taxes on \$1,000 valuation is \$12, divided as follows: State tax, \$3; county school tax, \$1.70 and city school tax, \$7.30. If the \$100,000 of bonds are voted it will cost about 35 cents additional per \$1,000 valuation. The cost per capita to educate the child is about \$19.50.
The committee has also compiled a

per capita to educate the child is about \$19.50. The committee has also compiled a careful statement of the expenditures during the past five years. For the present year the sum of \$133,100 was received. Since the buildings of a large number of the big buildings in 1890, five build-ings including the high school, have been remodeled and have additions built to them and this has cost \$125,797. The buildings built or remodeled include the high school building. Dee, Lewis, Pingree, Central, Five Points, Mound Fort, Washington and Pingree, , The available building fund for 1908-9 is estimated at \$128,000 providing the bonds are voted.

conds are voted. committee concluded its report The

The committee concluded its report with the following summary: To sum up, we need room for 800 pu-pils at once. We need a grade build-ing located right where the present high school now stands and of its pres-ent size. We need a new high school because:

1- The present building is too small ad too poorly arranged for high school

poses. —The growth of ideas and expan-ns of educational principles demand introduction of business methods, mual training, domestic science, athurposes terior and mining, domestic science, attri-tetic training, laboratory sciences, mili-tary and modern educational ideas. 3—The grammar schools must keep sace with the world in educational thought and application, sanitary and fre equipment, and general accommo-dation and progress.

fire equipment, and general accommo-dation and progress. 4-Ogden demands that we keep up in all educational as well as all other lines. These things are what make a town worth living in, and what must be dond in order that Ogden may be placed on such a footing that her stu-dents will be well educated and accept-ed in any of the great schools of the country.

The average attendance has been low Southern Pacific shops has returned

from a trip to the coast and stated that hereafter the men in the shops will work six days a week and there will hardly be any further suspensions in the department during the present year. With the resumption of the heavy freight traffic, Mr. Malone says that he is confident that every department in the Ogden shops will be running at full blast and for the entire year. FUNERAL SERVICES.
