### Gen. Harrison's Will.

Indianapolis, Ind., March 18 .- Before the members of the immediate family of Gen. Harrison leave the city a meeting will be held at which the general's last will and testament will be read before

it is probated. The will of the ex-President now files in a safety deposit box at the Fletcher National bank, along with other private papers and securities belonging to the estate. W. H. H. Miller, the legal ad-viser of the family, will probably file the will within the next few days. Gen. Harrison wrote the will in his own hand-writing shortly before he left for Paris in the spring of 1899. The signa-ture was witnessed by Howard Gale, Harry Milligan and W. H. H. Miller.

No one knows the provisions of the last instrument. Those who knew the general intimately believe that the will was very carefully drawn and that the estate is equitably apportioned among those who were entitled to be named beneficiaries. It is also surmised that the bulk of the estate is left in trust for his little daughter, Elizabeth, and for his grandchildren.
