EXCHANGE BUILDINGS.

ST. LOUIS TRADE.

Are a Home Institution!

Made for and specially adapted to the wants of Western people. They combine great weight, distributed to the best advantage, with beauty of design and perfection of manufacture.

Charter Oak Cooking Stoves were first introduced to the public in the year 1852, and at once took the lead, and have ever since grown in favor, until there are now a

GREATER NUMBER SOLD DAILY than any Stove in the market. Over ONE HUNDRED THOUSAND

are in daily use, and we offer every stove as a reference, wherever it may be found. When our new patterns were made, all recent improvements were united, and we confidently offer the

NEW CHARTER OAK AS THE **Heaviest, Best Constructed, Most Uniform and Quickest Baking Stove in the market.**

The Charter Oak is the cheapest first-class stove ever made. Twenty-eight sizes, with and without Extension Top, sold wholesale and retail by
