Memorial Day. Macon, Ga., 25.—Memorial day was celebrated with great ceremony. The confederate monument corner stone was laid by the Grand Masonic Lodge of Georgia. An eloquent letter of Jefferson Davis was read and an oration was delivered by Governor Colquitt. The largest crowd ever known on me-morial day was present.

Jefferson Davis' Letter.

In his letter to the Memorial Association of Macon, in response to an invitation to deliver an address, an invitation to deliver an address, Jefferson Davis says: "Let not any of the survivors impugn their faith by offering a penitential plea that they believed they ware right. Let posterity learn by this monument that you commemorate the men who died in a defensive war; that they did not, as has been idly stated, submit to the arbitrament of arms. The question involving inalienable rights, inherited and held in trust for posterity, but they strove for the state severeignty which their fathers left them; and which it was their duty, if possible, which it was their duty, if possible, to transmit to their children. Let this monument teach that heroism derives its lastre from the justice of the cause in which it is displayed, and let it mark the difference between a war waged for the robbet-fike purpose of comquest and one to repel invasion, to defend a people's hearths and alters, and to maintain their mass and liberties. Such
