PRICKLY ASH BITTERS

The majority of the ills of the human body arise from a derangement of the **Liver,** *affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and Sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.* **Prickly Ash Bitters are specially compounded for this purpose. They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc.** *As a Blood Purifier they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the invalid. It is a medicine and not an intoxicating beverage.*

BOX ELDER STAKE CONFERENCE.

Was held in the Tabernacle at Brigham City, Saturday and Sunday, Oct. 27th and 28th, 1883, Pres. O. G. Snow presiding.

The weather during conference was quite unfavorable, and the Saturday meetings were thinly attended, nevertheless, there was a rich flow of the Holy Spirit resting on the speakers and congregation, and the most valuable instructions were given unto the Saints. The subjects were chiefly the weakness of humanity, proneness to vanity, and the love of earthly things, the tendency to yield to appetites and passions which in general terms are common to all mankind. The necessity of a wise exercise of charity and forbearance for each other, and of wielding the influence of persuasion and long suffering.

On the afternoon of Saturday we were pleased to see in the stand Apostle A. Carrington, who delivered in the forenoon of Sunday an instructive discourse, full of the choicest counsels and exhortations, delivered with child-like simplicity; said the Israel of our God is increasing in faith; exhorted all to pursue an active, earnest and energetic course in the great work of our God, and guard against the spirit of covetousness, selfishness, and their attendant evils; the love of money and wealth, incites to its worship, and the sequence is idolatry. I pity a wealthy man, it has ruined many spiritually; in riches alone there is not harm, but the evil lies in the love of them; exhorted all to be kind, merciful and forgiving, and contribute of their means to aid and assist each other, build up one another, not oppress and pull down, be long suffering, and exercise the power of persuasion towards those who err. We should be careful, and not take our brethren severely and unwisely to task, or infringe on the rights of any one.

Apostle Lorenzo Snow, delivered on Sunday afternoon an excellent discourse, taking for his texts the 19th verse on page 301—Doc. & Cov. "I give upto you these sayings that ye may understand and know how to worship" etc. He desired by the spirit of God to say a few words to the Saints on the preparation necessary to behold the son of God and live with him here. When he comes and dwells with his people He will be a stumbling block to the Gentiles as he was unto the Jews, when he sojourned in the land of Judea. He then gave a description of his glorious appearance in the Kirtland Temple, and also on another occasion when the Prophet Joseph bore testimony to those present of Jesus's identity; spoke of the three glories, and said those who receive of the Telestial glory, suffered the wrath of God on the earth, and the torments of hell; they were those who loved and made lies, etc.; related a dream a prominent Elder had had of a noted man who had departed this life, but who in life was not what he appeared to be, like some Elders probably who are listening to me, whose hearts, if opened, would astonish their neighbors, and his portion on the other side was with sceptics, etc. He gave some excellent counsel to the young respecting marriage.

The Willard City choir was in attendance, and the sweet music rendered by it and the home choir was a pleasing feature of the Conference.

The usual reports were read, the general Church and Stake authorities were presented and unanimously sustained.

A new ward was laid off on Warm and Rock Creeks, with Elder Wm. Neeley as Bishop.

At the close of the Conference, several ordinations were attended to, filling up vacancies, etc.

Conference adjourned for three months.

JAMES BYWATER, Clerk.

The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

7 Dearborn Ave., Chicago, Nov. 2.
I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

The above are the results of neglected and mistreated Catarrh. Below follow the results of Dr. Van Hummell's treatment of Nose, Ear, Throat and Lung Diseases.

The Doctor has taken an office on West Temple Street, third House South of Valley House, Salt Lake City.

Letter from Judge Wenner, Office over London Bank:

SALT LAKE CITY, UTAH, August 28, 1883.

Dr Van Hummell: I take great pleasure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid restoration to what I consider permanent good health to the treatment I received at your hands in 1879, and I unhesitatingly recommend your treatment to all afflicted with Catarrh, Throat or Lung Disease.

Very truly yours, U. J. WENNER.

Nasal Catarrh Cured.

Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can induce others suffering with this dreadful disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skillful enough to succeed, I think the public should know it.

I remain yours,
STEPHEN B. LEYBOURNE,
Corner First South and Third West.

From Mr. Warren Hussey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, COL., August 2, 1878.

This is to certify that I have been for many years a great sufferer from nasal and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temporary relief from some, growing gradually worse, until last winter, being in a very bad condition, I consulted Dr. Van Hummell and put myself under his treatment. From the first week my head and throat were relieved, have not had a headache—they were the bane of my life—since he began with me, and now I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummell a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully. WARREN HUSSEY.

The Cure is Permanent.

From a prominent capitalist, former owner of the Golden Terra mine, Black Hills:

DENVER, Col., March 6, 1879.

Dr. Q. Van Hummell, Dear Sir: I am happy to inform you that the catarrh and throat trouble for which you treated me over a year ago has not returned. I consider the cure permanent.

Yours gratefully, J. W. BAILEY.

Dr. Van Hummell's professional qualifications attested to by one of the first men in America, Ex-Gov. T. A. Hendricks:

INDIANAPOLIS, Ind., Oct. 30, 1877.

Governor Irwin: Understanding that you will be called upon to fill a vacancy in the State Board of Health, I take pleasure in recommending Dr. Q.
