BILIOUSNESS

Is an affection of the Liver, and can be thoroughly cured by that Grand Regulator of the Liver and Biliary Organs,

SIMMONS LIVER REGULATOR

MANUFACTURED BY

J. H. ZEILIN & CO., PHILADELPHIA, PA.

I was afflicted for several years with disordered Liver, which resulted in a severe attack of jaundice. I had as good medical attendance as our section affords, who failed utterly to restore me to the enjoyment of my former good health. I then tried the favorite prescription of one of the most renowned physicians of Louisville, Ky., but to no purpose; whereupon I was induced to try Simmons Liver Regulator. I found immediate benefit from its use, and it ultimately restored me to the full enjoyment of health.

EVENING NEWS.

Monday, April 16, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.

An Archbishop Ill.

CHICAGO, April 15.—Archbishop Riordan, of California, is staying in this city for a few days. He was on his way to Rome and was summoned here by the illness of his brother. He himself suffers from a severe sore throat and is confined to his room.

Backing the Enterprise.

CHICAGO, April 15.—The *Times* tomorrow will say: "It is announced on very good authority that the Chicago, Milwaukee & St. Paul Company is behind the proposed Leavenworth & Denver short line, which is just now exciting a great deal of interest among business men of Denver and points along the proposed line. It is known that the St. Paul has purchased 1950 acres of water front at Oakland, and that it has quietly secured the right of way for a distance of 850 miles from Oakland through Stanton and Lathrop. The direction of the route selected is eastward from the Pacific Coast to Salt Lake City, and as the expressed intention of the people having in charge the Leavenworth & Denver Short Line is to construct a line from the former point to Denver, then westward through the mountains to Salt Lake City, it is very easy to believe that the St. Paul is interested in the new enterprise. It has been an open secret among railroad men for several years that the Chicago, Milwaukee & St. Paul is anxious to reach the coast, and it is only a question of time until this company will operate a line of its own from the Missouri River to San Francisco. The company has an independent line to Kansas City and is anxious for western and southwestern branches. It would be an easy matter to extend this line to Leavenworth and thence westward to Denver. The statement is made that Denver people propose to tunnel the mountains and push the new line on to Salt Lake. When these disjointed facts are put together, it rounds out a colossal, but entirely feasible scheme, behind which looms up the Chicago, Milwaukee & St. Paul Railway Company, striking for the Pacific Coast. The Burlington, Santa Fe, Missouri Pacific and Union Pacific have found it essential to build to Denver, and the Rock Island is on the way, and signs indicate that the St. Paul is making formidable preparations for a westward march and that the proposed short line from Leavenworth to Denver is the line of its advance."

A Denial—Speech by Flouquet.

PARIS, April 15.—*Figaro* and other journals deny that Mackay has been supplying Boulanger with funds for his political campaign.

Premier Flouquet, presided at the annual meeting of the Commercial Union in Trocader. Six thousand persons were present. Flouquet in a speech declared that the sole guarantee for civil liberty was political liberty. Republican France needed neither a protector in time of peace, nor a dictator in time of war, if the necessity of defending her honor forced her to take up arms, "because now in peace we have republican institutions, after seventeen years of exertion, strife and perseverance, while in the event of war, we have skilled and valiant generals, who loyally obey the public powers, and a citizen army, the flower of the nation, for which you all feel a solicitude, and which enjoys such popularity among you. It is a republic of liberty, which has decided to celebrate the centenary of 1789, by holding a universal exhibition. In order to make the festival complete, let concord be restored among us, and let us remain a people, master of its own destinies." The speech was received with great applause.

Another Wrecked Train.

CHICAGO, April 15.—A special from Creston, Iowa, says: The fast mail on the Burlington road collided with a freight train near here this morning. The fireman of the freight train was instantly killed. Engineer Bouch, brakemen Gibbons and Miller, and engineer Carpenter of the mail train were badly bruised. Two mail cars were thrown down an embankment and totally burned together with a bridge near which the accident occurred. The mail clerks were rescued. The wreck is said to have been caused by the freight train running past a station where it should have side tracked.

Cashier Released.

ST. VINCENT, Minn., April 15.—Cashier Cameron of Winnipeg, arrested at Pembina was released this afternoon, the law not warranting his detention. His confederate arrested at Emerson has most of the stolen money.

The New Tube.

LONDON, April 15.—A dispatch from Berlin says the Emperor's temperature is increased. Surgeons fear supervention or bronchitis. The new tube causes the trouble.

Damages by a Tornado.

LONDON, April 15.—A dispatch from Calcutta says that the damage caused at Dacca by a recent tornado, amounts to 100,000 rupees and that 112 bodies have been recovered from the ruins and over 1000 persons, more or less injured are in hospitals.

Anthony Comstock.

WASHINGTON, April 15.—Anthony Comstock, Secretary of the New York Society for the Suppression of Vice, addressed a large audience at the Congregational Church in this city this afternoon on "The moral purity of our children and youth." Comstock said he had been opposed and ridiculed by the newspapers for fifteen years; why he did not know. "But this cause," he continued, "is too holy and just to be impeded by the opposition of our enemies."

An Appeal from Imperialists.

PARIS, April 15.—Gen. Du Barails, who has been elected president of the imperialist committee, appeals to people through the columns of the *Figaro*. He vaunts the strong plebiscitary position of the imperialists and urges that votes be given to General Boulanger to overthrow the parliament regime and prepare the way for Prince Victor.

Mills Will Be There.

WASHINGTON, 15.—Representative Mills arrived in this city tonight from Fort Monroe, where he has been for the last week. His health is much improved, though he is not yet entirely well. He says he will be in the House Tuesday, when the tariff bill comes up.

Were the Horses Hurt?

SAN FRANCISCO, April 15.—F. D. Black, representing E. J. Baldwin's stables, telegraphed to Albuquerque late last night to learn if there was any truth in the reported accident. A reply from the operator says there is no truth in it. Replies received by other persons, however, are evasive and it is thought the train which carried the horses met with some kind of an accident which may not be serious. It is impossible to get definite information.

Still Another.

CHICAGO, April 15.—A special from Fort Smith, Arkansas, reports that a passenger train on the St. Louis & San Francisco road ran into a car of ties, at a station in Indian Territory yesterday. The engineer and fireman were killed and several passengers badly injured.

Condition Unchanged.

NEW YORK, April 15.—Dr. Agnew's condition was not materially changed today.

Brewery Burned.

NEWHAVEN, Conn., April 15.—The brewery of Phillip Fresinus & Sons was burned this morning. Loss $150,000; insurance $40,000.

Clearing House Exchanges.

BOSTON, April 15.—A table compiled from specials to the *Post* shows that the gross exchanges of leading clearing houses the past week were $965,709,039, a decrease of 16.7 per cent from same time last year.

MR. JOSEPH BEACH.

A LUCKY MAN.

Stone in the Kidney expelled after using Dr. David Kennedy's "Favorite Remedy" about two weeks.

One of the most remarkable cases that has ever been brought to the notice of the public is that of Mr. J. S. Beach, of Stone Ridge, Ulster Co., N. Y. Mr. Beach had suffered since October 18th, 1874, from the presence of Calculus of stone in the right kidney. No less than seven physicians were employed at different times, to whom Mr. Beach paid hundreds of dollars for medical treatment with only temporary relief from his agony.

By the urgent solicitation of his friends he was induced to try Dr. David Kennedy's "Favorite Remedy," made, you remember, at Rondout, N. Y. He experienced marked improvement from the first day he began to use the medicine. On the 15th September he voided a stone as large as could be passed through the natural channel.

Mr. Beach concludes a long letter to Dr. Kennedy by saying: "It will always afford me pleasure to recommend the "Favorite Remedy" to those who may be suffering from difficulties of the Kidneys and Bladder, or any disorders arising from an impure state of the blood." The "Favorite Remedy," is sold by all druggists. Price only $1 a bottle. The Doctor's only address where he manufactures his "Favorite Remedy," is Rondout, N. Y.
