FIRE CHIEF IN A COLLISION.

Funeral of Mrs. Moroni Doxey—Dee-Shaw Nuptials—A. C. Foster Under Arrest—News Briefs.

A small blaze in the Pingree school building, on Thirtieth street, occasioned considerable excitement yesterday afternoon. Smoke was seen pouring out of a small store room in the building, caused the children to believe the school was on fire and they rushed out into the street in a very excited manner. Considerable waste paper had been placed in the room, and one of the boys "accidentally" threw a lighted match in the paper, which ignited, making a great deal of smoke, but a very little blaze. There were about 500 children in the building at the time, and had it not been for the coolness of the principal John Wintle and the other teachers it is almost certain some of the smaller children would have been hurt in the mad rush, but the teachers quietly talked to the larger students, who left the building quietly. The fire did but little damage aside from the scare.

FIRE CHIEFS HURT.
Fire Chief Graves narrowly escaped serious injuries en route to the fire at the school. On the corner of Grant avenue and Twenty-seventh street the chief's buggy collided with the hose wagon, throwing the chief under the vehicle, but he held to the reins and stopped the horse after being dragged a short distance, causing serious bruises. Assistant Chief Rogers, who was with Chief Rogers, was thrown against the hose wagon, but escaped with bruises.

FUNERAL OF MRS. DOXEY.
The last sad rites over the mortal remains of Olive Jane Doxey, wife of Moroni Doxey, were held at the Second ward meetinghouse, Bishop Robert McQuarrie officiating. The ward choir rendered some sweet music. The speaker were Elders T. S. Browning, Fred G. Clark, G. E. Browning, J. H. Varkins, John G. Ellis, George Shorten, and Bishop McQuarrie. Each paid a high tribute to the memory of the deceased, eulogizing her many noble traits of character and her usefulness among her associates. The services were very impressive and comforting to the bereaved family. Interment took place in the city cemetery.
The funeral was very largely attended by friends, who gathered to pay a tribute of respect to her memory. The deceased was the daughter of James and Harriet Riley, Utah pioneers. She was 45 years of age and leaves a husband and five children, besides a host of friends to mourn her sudden decease.

A. C. FOSTER UNDER ARREST.
A. C. Foster is under arrest at the city jail on the charge of obtaining money under false pretenses. The complaint, which was sworn to by George W. Jones, alleges that Foster, who is a resident of Brigham City, purchased a ticket from Mr. Jones to Denver and return, for \$27, that Foster paid a check for the amount, and after receiving the ticket it is alleged he stopped the payment of the check. Also that a portion of the ticket was to be returned to Mr. Jones, but instead Foster is alleged to have sold it for \$2.50. Foster has employed Attorney Joseph Chee to defend him. He claims that he has acted in good faith in the transaction.

Mr. Dufer went to Denver 10 days ago, where he was taken ill, and was brought home yesterday afternoon in a critical condition. He leaves a wife and a daughter six years of age. The time of the funeral has not been set awaiting word from relatives in California. The deceased was a member of the Masonic lodge and will be buried under the auspices of that order.

The coroner's jury impaneled to inquire into the death of Herbert J. He was arrested for burglarizing Welch, Buck & Driscoll's store a short time ago, and taking a number of revolvers, and was arrested while trying to sell one of the guns at a second-hand store in Salt Lake City. He made his escape Sunday while every one was away from the court house, by digging a hole through the wall on the stairway into the clerk's office, and then got out through the window. Miss Hannah Olsen Succumbs to Diphtheria—Old Folks Festival

Special Correspondence.
Monroe, Sevier Co., Dec. 9.—The grim reaper on last Sunday paid a visit to the family of Ole Olsen and tore from their embrace the almost idolized daughter, Hanna Betena, a beautiful and lovely young woman, who would have been 19 years of age on Saturday next. The girl had been working at Elsinore, about three miles from her home, where she contracted a sore throat and was brought home on Friday last; it developed into diphtheria, and on Sunday at noon she passed away. conducted the program, which consisted of songs, speeches, and recitations neatly rendered, all of which were highly appreciated, as were also the numbers from the fine graphophone of F. B. Gould.
One of the features of the occasion was the vivid description of the Prophet Joseph Smith and Parley P. Pratt, given by Catherine Winget, as she saw them in the 30's.
Father J. V. Williams, one of the Mormon battalion boys, also spoke of his acquaintance with the Prophet and other reminiscences. At 1 o'clock all were seated at tables laden with the bounties of the earth. After dinner the program was continued, the festivities closing with a benediction from Patriarch R. F. Gould.
Since the meeting of the old folks a year ago, five of the veterans of this place have passed to their reward. The dry, piercing cold weather of the past month is causing some wonders—as the like is not remembered in past years. A heavy snow would be much appreciated. Plowing has been steadily going on where the ground is not frozen too hard.

OVERWORKED WOMEN

The Suffering and Pain Endured by Many Working Women is Almost Beyond Belief.

How distressing to see a woman struggling to earn a livelihood, or perform her household duties when her back and head are aching! She is so tired she can hardly drag about, and every movement causes pain, the origin of which is quickly traced to some derangement of the female organism.

When the monthly periods are painful or irregular, when backaches and headaches drive out all ambition, when "I-can-hardly-drag-about" sensation attacks you, when you are "so-nervous-it-seems-as-though-you-would-fly," it is certain that some female derangement is fastening itself upon you. Do not let the disease make headway; write your symptoms to Mrs. Pinkham for her free advice, and begin at once the use of the medicine that has restored a million women to health—

Lydia E. Pinkham's Vegetable Compound.

Profit by the Experience of the Women Whose Letters Follow:

"DEAR MRS. PINKHAM:—Your medicine has done so much for me I want to tell everyone how it absolutely cured me. Three years ago, when my dear husband was sick in his last illness, I lifted him and hurt myself. I felt the strain, then I felt something give way inside. Afterwards I found it was my womb, and I suffered the most dreadful agonies from falling of the womb. I began dressmaking, but could not do my work for pain and nervousness. Trying to sit still and seem seemed to drive me nearly crazy, and I did not seem able to get any help from doctors or medicine. I was so unstrung and nervous I hardly dared to go out in the street, for fear I would not get home safely. It would make me scream to see a car coming even, and I was so terribly run down I did not know what would happen.

"A friend suggested I take Lydia E. Pinkham's Vegetable Compound, and on her advice I bought a bottle. It did me so much good I bought more and kept on taking it, and when I had taken eight bottles I was entirely cured.

"Whenever I hear of a woman suffering I tell her about my cure, for your medicine has helped me so much I knew it would help all suffering women. Women need not get so discouraged over their health, if they would take your advice and medicine."—Mrs. BERTHA HERMERO, 224 East 95th St., New York, N.Y.

"DEAR MRS. PINKHAM:—I cannot tell you with pen and ink what good Lydia E. Pinkham's Vegetable Compound did for me, when suffering from the illa peculiar to the sex, extreme lassitude and that all-gone feeling. I would rise from my bed in the morning feeling more tired than when I went to bed, but before I had used two bottles of Lydia E. Pinkham's Vegetable Compound, I began to feel the buoyancy of my younger days returning, became regular, could do more work and not feel tired than I had ever been able to do before, so I continued to use it until I was restored to perfect health. It is indeed a boon to sick women and I heartily recommend it. Yours very truly, Mrs. ROSA ADAMS, 819 12th St., Louisville, Ky."—Niece of the late General Roger Hanson, C. S. A.
