One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

AYER'S CHERRY PECTORAL,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma and Consumption.

The few compositions which have won the confidence of mankind and become household words, among not only one but many nations, have extraordinary virtues. Perhaps no one ever secured so wide a reputation, or maintained it so long, as AYER'S CHERRY PECTORAL.

It has been known to the public about forty years, by a long continued series of marvelous cures, that have won for it a confidence in its virtues, unequalled by any other medicine. It still makes the most effectual cures of Coughs, Colds, Consumption, that can be made by medical skill. Indeed, the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors to a great extent, and given a feeling of immunity from their painful effects, that is well founded, if the remedy be taken in season. Every family should have it in their closet for the ready and prompt relief of its members. Sickness, suffering, and great loss is saved by this timely defence. The prudent should not neglect it, and the wise will not. Keep it by you for the protection it affords by its early use in sudden attacks.

EVENING NEWS.

Monday, - Nov. 27, 1882.

SUNDAY SERVICES.

The regular Sunday services of the Church of Jesus Christ of Latter-day Saints were held in the Assembly Hall, on Sunday, commencing at 2 p. m.

The choir sang the hymn on page 9:

The time is nigh, that happy time,
That great expected blessed day.

Prayer was offered by Elder S. B. Young.

The choir sang the hymn on page 125:

How sweet communion is on earth
To those who've realized the birth
Of water—who the Spirit's powers
Receive, in genial quickening showers.

The sacrament was administered by the Priesthood of the Ninth Ward.

Elder John Morgan said he was pleased to meet with the Latter-day Saints in Utah once more. Notwithstanding the opposition and unpleasant influences with which he came in contact, he had enjoyed himself and his labors had met with success in the Southern States mission. The excitement in the South had subsided, as all forced excitement generally does, in course of time. The people of the United States seem to think that the "Mormon" question is a larger affair than any other. Most of the gentlemen who stood up for constitutional rights in the last Congress when the Utah question was being discussed, have been re-elected, notwithstanding that many who were opposed to the truth brought up this fact against them. In past years when the Elders went into a town, the people would call upon their ministers and he with his Bible would try to confound the Elder and prove our principles to be false. But now, finding that they cannot do anything in this way, they are trying to punish us from a political standpoint. We would not accomplish much if we did not have opposition. We find in all ages of the world a work; no matter of what nature, if it has been successful, has been opposed There has been a power working with the people of United States, which makes them more liberal in their views. Henry Ward Beecher and many others are now preaching a probation hereafter, and the principle, of those who did not have a chance to receive the truth here, having a chance to receive it hereafter, And we find that there is a religious revolution going on in the minds of the people. There is a growing desire among the people for what we believe, and our tracts are eagerly sought after. There have been a goodly number of people baptized in the South. He did not think that there had ever been as good an opportunity to preach the Gospel as at the present day. The condition of the United States is weak, and the people are losing faith in their political and religious leaders, and are looking around for something to cling to. They are tired and wearied out with being deceived. When he was asked what he thought was the cause of it, he would refer to the words of Isaiah, where it says "The hand which is turned against you shall not prosper."

Apostle W. Woodruff said there is no instance where God has undertaken any thing that He has failed. The question arises, Has the Lord changed His purposes. No. He has called upon this people for the last time to prune His vineyard and fulfil the words which have been prophecied for thousands of years. The speaker said he had traveled many miles preaching the Gospel, had been connected with the Church many years, and he never saw one incident which tended to stop the progress of this work. We must expect opposition. If this was not the work of God we would not be persecuted. This is the work of God and He will carry it through. The nations of the earth will soon learn that there is a God in Israel. We believe that every man has a right to enjoy his religion, whether he is correct or not, and we believe that we with the rest should have the same right. We have the Priesthood of God and are working in His cause, and we need not fear. We will live forever if we perform our duties. We have been commanded to warn this nation, and we are doing it to the best of our ability.

George Q. Cannon said there is no labor which a human being can engage in which produces so much happiness as preaching the Gospel and bearing testimony to the nations of the earth. It gives the Elders ample opportunity to test whether the God they worship is the God of ancient days. We need entertain no fear for the work when our young men go forth in such numbers as they do now, and bear their testimonies to the nations of the earth. He was pleased to notice the prosperity which attends the people of Utah to-day. The harvest has been plentiful and the people have everything they need. He felt thankful to the Lord for selecting this land for us. It seems as though it is just the land we need. It would not do for a people who were seeking for money. But it is productive of health, and our children are growing up robust and healthy. The people are united, and everything is going on as it should do. The future of this people is bright. The union which exists among us is something remarkable, and something which those who are not of us cannot understand. The sheep recognise their shepherd, and are not contending among themselves who shall be the leader. With regard to the political situation we are like a flock of sheep, we know the howl of the coyote and we huddle together for protection. We have nothing to fear from without, but must watch that pride does not follow our prosperity, and divide us into classes. We must work for one another, if we do not we cannot prosper. It would be better for us to remain in the condition that we were in when we came here, than to become proud and disunited. The Lord has chosen the poor of the earth for his purposes. He suffered his Only Begotten Son to be born in a stable and cradled in a manger. It is our duty to go to the world and preach the Gospel, bearing meekly their scoff and sneers. It is the duty of every man to examine himself and see if he is living as he should do and if not to correct himself, and then examine his family. This is the source of our strength. God has made promises to this people but they are conditional and if we do not keep these conditions we will not receive the blessings. Our position has been worse than it is to day. God did not forsake us then, and He will not forsake us now, if we do not forsake Him.

The choir sang an anthem.

Benediction by Bishop John Sharp.

SUMMIT STAKE CONFERENCE.

SUNDAY, Nov. 11th, 1882.

After singing and prayer Elder Ward E. Pack rejoiced to meet in conference in church organized by revelation from God. The Elders who have gone forth to the nations of the earth and borne their testimony of the truth return with joy. The High Priests are placed in authority to teach the people that they may have the spirit with them that they may understand the things of God; he who is humble, will receive the testimony of the Lord.

Elder Josiah Rhead addressed the Conference in an interesting manner. Adjourned.

2 p. m.

Prayer and singing.

The Bishops of Upton, Hoytsville, Hennefer and Coalville made encouraging reports.

Thomas Ball, Patriarch, rejoiced, bore testimony to the truth of the work, and spoke about the school district at Coalville. Adjourned till to-morrow at 10 a.m.

Sunday, Nov. 13.

Opened with singing and prayer.

The Bishops of Peoa and Alma reported their several wards.

Elder Ward E. Pack said that power was given to the servants of God to seal up their testimony, and the living servants of the Lord can go a work for the dead, for the spirit of Elijah has come. Spoke of what had been done the past 28 years. It will take all our time here to perform the work required. It becomes necessary for us to qualify ourselves that we may confound the wisdom of the world. We shall have an exaltation or glory according to our labors and must work for eternity as well as time.

Elder F. A. Mitchell followed, showing that we should educate ourselves by the inspiration of the Almighty; that we must expect opposition. We want to know the things of God for ourselves, and show the world that we have something worth living for.

Choir sang an anthem.

Benediction.

Adjourned till afternoon.

2 p. m.

Singing and prayer.

The sacrament was administered.

Elder Almy I. Smith read the missionary fund: Received, $1,028; paid out, $985; and made a report of his first mission to the Sandwich Islands. The report was received.

Elder Alma Eldredge presented the General Authorities of the Church, as presented at Salt Lake City, last October Conference, who were unanimously sustained. The Stake Authorities were also presented and sustained, with the exception of Charles F. Giles, counselor to Bishop of Hoytsville; and Jared C. Roundy, Bishop of Wanship, who were dropped for the time being.

The report of the treasury of Summit Stake House, was read and adopted.

The list of home missionaries was read and accepted.

Elder Alma Eldredge said our religion embraces every thing; we prefer life, virtue, and salvation, to the conflict of parties; we shall defend ourselves, and each other; and show ourselves and our true colors.

President W. W. Cluff announced a two days meeting to be held at Kamas, on the 2nd Saturday and Sunday of December.

Choir sang an anthem.

Benediction by Patriarch Thomas Ball. Adjourned for December,

THOMAS BULLOCK, Stake Secretary.

Mr. S. A. Curtis, Cashier of the Washington D.C. Swimming School was cured by St. Jacobs Oil of very severe chronic rheumatism which often assumed the inflammatory type.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial. I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
