SILVER REPUBLICAN ADDRESS

What the Party Has to Say for the Cause of
Bismarck in Utah.WHAT LOCAL FAVORITES, TO CLOTH HANDS
With the Patriots of the Nation
Respective of Political Party.The State committee of the Silver
Republican party adopted resolutions
and issued an address yesterday
afternoon as follows, introduced in the
"News" of last evening:THE STATE COMMITTEE OF THE SILVER
REPUBLICAN PARTY.The committee unanimously adopted
the following resolutions:The State Republicans of Utah affirm
that their principles align them in the cause
of the people of the United States,
to secure the rights of all men, and
to destroy the power of the rich.
We believe that the functions
of the government are best served
by unselfish contributions. We believe
that the people's party has ab-
solutely abandoned the cause of
independence. We demand
the immediate dissolution of all
the forces which belong in imitation
and the social reform of all
the people in co-operation in all honorable ways.However, that we endorse the
objectives of the Green, Dyer and
Tamm of the national Democratic
Party and their principles and command
the same to the service of our country
and to restore the dignity and power of
individual Americans unselfishly.We call upon the patriotic urges
and efforts to enter into operation
with other Americans of the State
and nation, and that a strong
front may be presented against the
combined antagonists of the people's
cause.However, that we call upon the
men and women of Utah without regard
to party or creed to rally around
the flag of a mighty conflict to secure
the control of government by the
people and to restore the dignity and power of
individual Americans unselfishly.We call upon the patriotic forces
throughout the States and
nation to do more ingratitude to
the individual ambition of any
candidate.However, that with a unanimous
of the silver forces of Utah we demand
that for all national and
present purposes, in our respective
affiliations as known in tried and
trusted silver men.However, that a committee of these
affiliations act as a "committee
on unification." They will
communicate with each other and
arrange a meeting to be held in
Utah at the earliest opportunity to
secure the amalgamation of the
silver forces of Utah.However, that with a unanimous
