TRUTH AND LIBERTY.

VOL. VII. SALT LAKE CITY, UTAH TERRITORY, THURSDAY EVENING, DECEMBER 4, 1873. NO. 11.

BY TELEGRAPH.

Last Night's Dispatches.

PER WESTERN UNION TELEGRAPH LINE.

CONGRESSIONAL.

SENATE.

Finance.

WASHINGTON, 3.—In the Senate Morrill, in an argument for the resumption of specie payments, favored the plan proposed by a prominent financier of New York, providing that the Secretary of the Treasury shall issue four-year certificates, bearing three and sixty-five hundredths per cent. interest, redeemable at par in U. S. notes or gold, at the option of the holder; requiring the banks to keep a moiety of their reserves of these certificates, and for the government to give notice on January 1st, 1875, that it will pay its notes in cash in New York, authorizing the government to negotiate a loan of two hundred millions in coin, at six per cent. per annum, the certificates, as fast as redeemed, may be paid out by the Secretary of the Treasury to satisfy claims against the government. The Senate went into executive session for about twenty minutes and then adjourned.

Corporations.

Pratt offered a resolution, instructing the committee on judiciary to inquire whether Congress has the constitutional right to create corporations for constructing railroads or canals penetrating two or more States, and whether it has the authority to regulate the rate of railroad transportation over existing roads, chartered by States, which, by consolidation, have continuous lines running through two or more States.

Utah.

Bills were introduced to provide for the better protection of the northern and northwestern frontier, to facilitate commerce between the States, to organize the Territory of Pembina and to provide a temporary government, and to aid in the execution of the laws in Utah. This last mentioned bill embraces all the amendments to the bill introduced last year.

HOUSE.

Referred—Financial—Admitted.

The resolution to admit Davis and Hogan, from West Virginia, was referred.

Dawes introduced a bill for the redemption of the loan of 1858. It authorizes the Secretary of the Treasury to issue in exchange for twenty millions of these bonds, an equal amount of bonds of the funded loans, and declares it to be the pleasure of the U. S. to pay all the coupon bonds of the loan of 1856 on the 1st of January, 1879, but allowing the holders of these bonds to exchange them for five per cent. bonds within six months after that date; the bill was referred to the committee on ways and means.

Geo. L. Smith was admitted by a party vote to his seat from Louisiana, under a certificate from Governor Kellogg, Cox opposing the motion and intimating that the certificate was gotten up in Washington, as the election was alleged to have been held on the 24th of November, and it was impossible to get returns from a large district without railroads or telegraphs.

The speaker announced as the committee on elections, Smith, of New York, Thomas, Hoppleton, Todd, Pike, Senor, Robinson, Harrison, Arthur, Speer and Lamar.

Free Newspaper Mail.

Butler, of Mass., moved to lay on the table such portions of the resolution regarding the Louisiana elections as applied to Pinchbeck, stating that he did so at his request; carried, after a short discussion.

Notice was given of a bill to repeal so much of the postal act as prohibits weekly newspapers from passing through the mail free of charge.

EASTERN.

The "Terror."

PHILADELPHIA, Pa., 3.—The monitor *Terror* went off the dry dock this afternoon. The work on her will be hurried to completion.

A Horrible Crime.

TROY, N.Y., 3.—Ann Shay, a respectable woman employed in Ball's paper mill, at North Hoosick, was robbed, outraged and murdered on Monday night near the Vermont State line; Charles Green was arrested on suspicion. He admits that he endeavored to rape the woman, but denies that he committed the robbery and murder.

Opposition to Williams—Committee on Elections—Salary Reduction Bill.

CHICAGO, 3.—The *Evening Journal's* Washington special says there is considerable opposition to the confirmation of Williams, as Chief Justice. Speaker Blaine announced the committee on elections with Boardman Smith as chairman, displacing McCrary of Iowa.

The same dispatch says a committee of the House have agreed to a bill repealing the salary law. The bill provides for the reduction of the Congressional pay from seventy-five hundred to five thousand, beginning with the present Congress, and dates back to March 4th last, which will require the refunding of about eighteen hundred dollars by each member from the amount received since that date; no mileage, stationery or other perquisites are allowed. The provisions of the bill extend to all who are benefitted by the act repealed, except where prohibited by the constitution, and includes the cabinet and bureau officers; the only exceptions to its operations are the president and judges of the Supreme Court, and in these cases a reduction of five thousand is provided for in the President's salary after Grant's term expires, and also for a reduction in the salary of every new justice of the Supreme Court. The committee are not unanimous upon the bills but agreed to support it. Many western and southern members say they will not support it.

Thief Sentenced.

NEW YORK, 3.—Henry E. Murray, pleading guilty to stealing jewelry from Tiffany & Co., while their salesman, has been sentenced to five years in the State prison.

Loan Certificates—The Navy Yard.

The loan certificates issued by the loan committee of the associated banks are being rapidly redeemed, fourteen of the 26 millions issued have been cancelled. No publication will be made of the names of the banks that accepted loans.

Work is brisk at the navy yard. The *Colorado* will sail on Saturday. Work is continued night and day on the *Florida*, *Minnesota* and *Dictator*. The *Arapidos* is taking in coal and will probably leave on Saturday.

$250,000 Fire.

TITUSVILLE, Pa., 3.—A fire occurred in Greece City last night, and destroyed thirty buildings, consisting of stores, dwellings, three hotels and the Producers' Bank. The loss is estimated at $90,000.

Attack by Indians and Mexicans.

CORPUS CHRISTI, 2.—A courier brings news that on Monday night Indians and Mexicans attacked Gray and Grover's ranches, about seventy miles hence towards the Rio Grande, killed seven and carried off Gray's son. When the courier left fighting was still going on. It is within fifteen miles of San Diego, which, with the ranches, contain several hundred people, but they have no arms.

Serenaded—Colored College President.

WASHINGTON, 3.—Representative Horace Maynard, of Tennessee, was serenaded to-night at the Ebbett House. Among those in the room adjoining the balcony from which he spoke, were President Grant, several members of the cabinet and a number of senators and representatives. In the course of his remarks he said the people of Tennessee would see for themselves whether the present agitation on the subject of Cuban affairs meant war or peace. They had read the protocol, which was honorable to the U. S. and not dishonorable to Spain. They would look on the President as the leader in this transaction, while they would not forget the wisdom and caution of the Secretary of State, through whom the instrument was consummated.

Professor Langston, colored, has been appointed provisional president of the Howard University, in place of General Howard, resigned.

WESTERN.

Elected—Rain and Snow.

SAN FRANCISCO, 3.—In the State senate this p.m. Irwin, of Siskyou, was elected president *pro tem.* This is a victory for the anti-monopolists.

The snow fall in the interior is unprecedented since 1856. Two inches have fallen in Vallejo, Modesto and Petaluma, three inches in Suisun, two inches at Stockton, Sacto and Woodland. All the valley cities and towns of the Mission hills and San Bruno mountains near this place are white with snow. It is still raining steadily at this place. The snow will have a disastrous effect on the vast herds of cattle in the foot hills, and there is some apprehension of floods in the Sacramento and San Joaquin valleys similar to those in 1861-2.

FOREIGN.

PRUSSIA.

Equally for Spain—Refuses to Comply.

BERLIN, 3.—The controversy between the German and Spanish governments regarding the German vessels seized by Spanish war vessels in the Phillipine Islands, continues to increase in the seriousness of its aspect; the German frigate *Kron Prinz* and the corvette *Augusta* have been ordered to prepare for active service.

Archbishop Ledochowski replies to the demand of the German government for his resignation, refusing to comply, declaring that he is responsible only to the Pope.

Dull Times.

Business men are ever eager to find some way to tide over the hard times which occasionally fall upon the country. Too often they seek to "economize" by withdrawing their advertisements from the papers, in other words, taking in their sign, and almost closing their doors against custom. The Milwaukee *Wisconsin* relates that after the crash of 1857, when everybody was almost scared to death and the croakers predicted that the country had gone to smash, a dry goods house was opened in that city, which proceeded on the principle that in order to reach the hoarded money in the pockets of the people the proprietors must sell at very reasonable prices and advertise very largely. They worked vigorously upon this principle. Their brother merchants, who did not advertise, predicted that the new comers would be ruined, as they paid too much for advertising. Nevertheless, they persisted. In a single year they paid five hundred dollars in gold to the *Daily Wisconsin* for advertising, and at the end of seven years they retired from business with a fortune of one hundred thousand dollars, while other merchants on the same street, some of them opposite their store, failed. The New York *Post* says it remembers a similar occurrence among its advertisers during the same panic. A merchant continued his advertisement in our columns through the whole period of stagnation, and notwithstanding many predictions that "it wouldn't pay." His testimony afterwards was that his sales were steady and his profits satisfactory, while many a merchant around him, who "couldn,t afford to advertize," saw his clerks stand idly behind the counters. A financial panic does not mean that no one has any money. There is plenty of money in the country, and those who hoard it are just the ones to be eager for the "bargains" which a fall in prices holds out. But to buy they must know where to buy, and the merchants who sell them will receive their cash.—*Ex.*
