### 40. Count Them! 40.

Did you ever Count Them? We refer to the Beepers in the Wheels of your Stearns. Some make 20. Some make 30. The STEARNS that Super 20 Pound Guaranteed Road Wheel, has 40. Count them! 40. No wonder the Wheel stands hard usage. What wonder that it can be ridden over all kinds of roads and never break down. Mr. T. O. Angel, who knows, and pains-taking, reliable agent. He never says anything like that STEARNS speaks. Not a broken one so far this year. And really, you can't see one out. Talking about the "cross" Angel is doing the 10 Pound Road. Think of it. Beepers for his Road wheel. He is now at Logan and B. streets, City, on route for Salt Lake City. We are told over the wire that our representatives have created a sensation of 40 and 40 green City, with one STEARNS.
