NEWS OF THE DAY

----In the House of Representatives, yesterday, at the request of Stowell, of Virginia, accused of selling a naval cadetship, the charge was referred to a committee for investigation.

Dawes on the currency question, he said the republican party had just three months to save or destroy its as some former ones, that the deexistence, and whichever was the mand for labor has not been great, result it would be brought about by its own acts.

-Next Tuesday is set for the investigation, by the House foreign affairs committee, of the question as to what legislation is necessary to prevent the importation of cool- out work for weeks and months, ies for servile labor, and of Chiacse prostitutes.

-The Danish vice consul at Washington died yesterday morning.

---- Smith, who claims to be governor of Arkansas, is at the Providence has favored with more national capital.

-King Kalakaua reached Chi cago yesterday. -The pig iton makers East

have resolved to reduce their production next year to one half the capacity of their furnaces.

-A fire at Darlon, Ga., did \$50, may help them to provide creature 000 damage.

-The trial of Jesse Pomeroy, the boy murderer, terminated yesterday, with a verdict of murder in the first degree.

-A noted Mississippi negro, nam-ed Cortosa, is credited with saying goes, but we may be permitted to By that a conflict of races is imminent, and that the negro women are ready to commence with ax and knife to enough, that it will not go so far slaughter white women and children.

Boand, a liberal member of the British parliament, has been unseated for bribery.

-The trial of the Count Vor Arnim was continued yesterday.

-General Loma hassummone the Carlists to surrender within eight days, and in case of non-compliance threatens to devastate the region of country now occupied by

----Two hundred thousand dollars damage by fire, at Charleston, zens were to take this matter into West Virginia.

-Dr. Blaney, professor of ana-lytical chemistry in the Rush med-could not devise some means to could not devise some means to ical college, died at Chicago, this furnish a few weeks' work for morning.

-The Arnim trial was resumed, at Berlin, this morning. mind any encodel amonate the

-There was a shock of earth

CHRISTMAS COMING. HRISTMAS and New Year are coming. In fact they always are,

but they are now very near, and, as with approaching objects in the physical world, the nearer they

come the faster they appear to advance. In two weeks Christmas will be here, and in three weeks New Year. This causes everybody to be busy with preparation for the

spector of Consulships further than traveling about, seeing the world

that many mechanics and other and enjoying himself. These du-people who depend upon their daily labor for their sustenance have have been so far restored that he consequently that all or nearly all such cannot be in a situation to have much available means, if any at all, to make merry with during the holidays at hand. Those whom Providence has favored with not been by any means fully emhas begun to think of going into dispatches that thirty cases of these of the means of this world may

goods were discharged from the ship Kate Kearney from Hong-kong on Saturday, and seized by the custom-house officers." take the cases of their less fortunate fellow-citizens and neighbors into consideration, and in some in-

stances may be liberal in assisting Can't the President save his ecclesiastical friend and pastor by a them a little to something which nod or a wink, or, even in this rev. comforts and other desirable artigentleman's case, must the doccles for the enjoyment of themselves trine be enforced that America exand their families and friends pects every man to pay his duties?

that many should be. It would be HOUSE. better if those who needed employ-Relief Bill. ment were furnished with it and WASHINGTON, 11. - The senate paid for it, se that with the means bill for the appointment of Geo. Bancroft, to fill the vacancy in the thereby realized they might make

themselves and families comfortaboard of regents of the Smithso-nian Institute, passed. The committee on public lands reported a bill for the relief of the ble at least during the holidays. Suppose all our well-to-do citigrasshopper sufferers in Nebraska consideration. and ponder over it and Kansas.

EASTERN. Dead

THE PRESIDENT'S PARSON AND Ph. Felsenthal yesterday receiv- ding to a correspondent of the New HIS IMPORTED GOODS—This is how the San Francisco Chronicle talks about the great Washington theo-logical inspector of consulates and b to thisty cases of seized goods

logical inspector of consulates and his thirty cases of selzed goods— "The Rev. J.P. Newman, a fluent orator and a great gun in the Meth-odist denomination, preached for some time in Washington, and was chosen chaplain to the Senate seve-ral years ago. During this period he became a great favorite with the President, and when he began to EWS OF THE DAY. —In the House of Representa-ss, yesterday, at the request of yeason. We say everybody, but are we not too liberal in the use of yeason. We say everybody, but are we not too liberal in the use of yeason. We say everybody, but are we not too liberal in the use of that word in this connection? It ingation. —In a vigorous speech by wes on the currency question, he I the republican party had just as some former ones, that the de-

From the Piochs Record, Dec.

Stage robbcries seem to be the rule rather than the exception. Not only was the stage robbed night before last near Pioche, but also another on the other side of Eureka. the stage was halted about two miles from Pioche by some men who were concealed behind some cedar bushes. The driver was then told to hand out Wells, Farge &

Co's express box, and be d-d quick about it, and eccelerated the acquisition of the coveted casket by the use of some choice exple-tives. After the box was handed to the rascals, the driver was told to turn his team and drive back to the Four-mile Wells and not to be show about it either. As there was

slow about it either. As there was nothing else for it, the driver did as he was directed, drove back and retraced his way to town. So well did the robbers keep themselves concealed that it was impossible to tell how many were engaged in the affair. The box was found yesdriving at."

such a thing be possible, they may be removed -S. F. Chronicle. THE FLYING TROPEZES By the Dashing and Internet LOTTE. NEWS NOTES. Box Office now open for the sale o Tickets. The Lebanon (N. Y.) Shakers are an outspoken set. When asked I their doctrines, carried out, would not depopulate the earth in a very brief period, they reply: "Certain-ly, that is precisely what we are Gustave Boukofsky.
