AFFAIRS AT CEDAR CITY.

Bruch Normal School Agitated by the People There.

**LITTLE SNOW IN THE SOUTH-C. AND P.
BUNCHES IN CEDAR CITY—
STOCK DROPPING WELL.**

Editor Utah T. Jones, president of Peacock Bluff, who is now in Salt Lake City on business, to a newspaper yesterday, he remarked that the people of his family were particularly anxious about the condition of the school at Cedar City. The school is in charge of Fred Miles Hansen, with a corps of competent teachers, and principal and assistant have the full confidence of the people. Peacock Jones says the instruction given by the Bruch Normal School is not equal to that given by the Peacock Bluff school, which is the best in the state. The students there have been given plenty of food, and the weather is favorable for the animals.

The Bruch Normal School is located in the south end of Cedar City, and was built for 100 people, while at present there are 100 students.
