AN IMPORTANT OPPOR-TUNITY.

ON Monday, Sept. 8th, an import- Constitution, the plain meaning of goods. It is the general testimony ant Commission will arrive in this which is manifest in the consumption was never ant Commission will arrive in this which is manifest in the context: city. It is composed of the followcity. It is composed of the follow-ing well known gentlemen: Gen. J. A. Williamson, commissioner of the land office; Clarence King, di-rector of the United States geologirector of the United States geological survey; Mejor J. W. Powell; Mr. T. A. Britton, a celebrated Washington lawyer; Hon. Thomas Donaldson, of Philadelphia, and Captain C. E. Dutton. Hon. Geo. E. Converse, chairman of the House committee on public lands, be plain to every fair mind that it is in company with the Commis- is "property" not persons which is

The object in view is an inquiry. East, it is desiral le that legislation should be had adapted to the requirements of the people and the mately claim the right to make situation of affairs in the different sections of the country. The Com-

acquisition of titles to agricultural, mineral and timber lands. It is expected that a new law on the public lands will be enacted at the next sitting of Congress, in which important changes will be made on existing legislation, and this com-mission, after close inquiry into the matter in the various localities they visit, will make such suggestions to expected that a new law on the people visit, will make such suggestions to more is it an obligation in reference Congress as they consider likely to to a Territory over which it as-Congress as they consider likely to be conducive to the public interest. The peculiar condition of our tim-ber lands and the oppressive nature of the present laws and regulations relating thereto should be plainly presented to the commission. Also of a republican form. Without a the hardships attending the reclamation of the soil in this arid region where land is 0 little value without irrigation. At the last session of the Legislative Assembly, a Memorial to Congress was adopted asking for an amendment to the land laws, so that in places where irrigating canals and ditches are construct-

to pass a law obnorious to the p ple of the Territory, inimical to their domestic interests, and inten-tionally aimed against a tenet of their creed, an establishment or large for the season, and buyers wh institution of their religion. This supposed they had supplied them assumption was founded upon a selves amply with mo violent distortion of a clause in the are already

coming back for mor Elder Orson Pratt's Late Mission

We clip the following from the llennial Star of August 18th:

On Saturday, August 16th, Elder Onon Pratt, of the Querum of the Twelve Apostles, left Liverpool for home, on the S. S. Nevada. He

rived in England Dec. 21st, He has, during his sojourn in the untry, accompliated the work i signed him by the Council of the Apostles; the procuring of electrotype plates for a new edition each of the Book of Mormon and Boek of Doo-trine and Covenants. Of the for-mer work we have already spoken, an edition from the plates of which has been published at this office. The plates of the Book of Doctrine and Covenants are finished, and from them we are printing an edi-tion at this establishment. The press-work is being done by Elder W. J. Lewis. The references for it were prepared by Elder Pratt in this country, aided by some of the brethren whom he called to his assistance that the work might be

assistance that the work might be expedited. The plates are from large, clear type, and will make a very handsome and complete vel-Wool Sacks, Twine and a No-1 article of Sheep Shears furnished.
