LOCAL AND OTHER MATTERS.

SABBATH MEETINGS.—Yesterday morning Elders J. D. M. Crookwell and John Taylor addressed the meeting; in the afternoon, in the New Tabernacle, the time was occupied by Elders W. Woodruff and B. Young, Jr.

THE THEATRE.—We have had so few theatrical representations of late, that when an opportunity of witnessing a performance like that of Saturday evening offers itself it is eagerly seized. The attendance on that evening, was very good, and the audience was gratified by the performances. In "Love and the Fide of Birth," all the ladies and gentlemen—Miss Nellie Colebrook, Mrs. Alice Lawson and Mrs. M. A. Romney, Messrs. D. McKenzie, H. K. Whitney, P. Margolis and D. J. Mackintosh—acquitted themselves excellently. Indeed it is rarely that an unfavorable criticism can be pronounced upon them; for, as a rule, they are careful and painstaking. The pantomime was light; but in this hot weather it is a better far than its opposite, and Herr and Madame Hawkins' vivacious ability as pantomimists.

In addition to the above-named performers there were Mr. H. E. Boring and Miss Lizette Platt in the farce. This passed off amusingly and excited the risibilities of the audience. After the first piece Mrs. L. Carlsson sang, "I cannot sing the old song," which was vociferously encored, and she gave "Popping the question." Mr. H. K. Whitney's re-appearance drew forth warm demonstrations from the audience. Altogether the performance was a success.

FOR CALIFORNIA.—John W. Young, Esq., left by this afternoon's train for California, whither he has gone on a short visit to inspect the coconeries and silk manufactures of that State. He is sanguine that this branch of production is most remunerative in this country and should engage the attention of our people; his success thus far, this season sustains him in his views. We wish him a pleasant trip and a safe return.

DIED.—In the 26th Ward of this city, on the 25th inst., David B., son of Benjamin and Emma Morren, aged 1 year, 10 months and 14 days.
Mtl. Star please copy.

RETURN OF THE GOVERNOR.—Governor Shaffer arrived in this city on Saturday evening, and we are pleased to learn that his health has been improved by his journey. Since leaving us he has suffered a sad bereavement, and we sincerely condole with him under his great loss.

AT LIVERPOOL.—Horace S. Eldredge, President Joseph Young, son, and the elders with them, who left this city on the 13th ult., reached Liverpool on the 6th inst. They had a pleasant journey and arrived at their destination all well.

DEPARTURE.—Captain Baldwin, agent of the New Zealand government, who has been in this city for a few days, left this afternoon for San Francisco, whence he will start very shortly for his home in New Zealand.

AN ERROR.—A late number of the Omaha Herald, has the following among its items from Utah:

"A young man at Kelton has been accused of improper conduct towards a little girl, only six years old. An attempt was made to mob him, but it failed. He denies his guilt, and it is believed that the terrible accusation is entirely groundless, and made from spiteful and malicious motives."

Our contemporary seems to have got things slightly mixed. We have not heard of any such case as the above; and if there is such a place as Kelton in Utah we are in total ignorance of its topography.

FOOTPADS IN NEVADA.—The Reese River Herald of the 24th says:

It has become unsafe for any one to venture out of the city limits of Virginia and Gold Hill. These two cities are besieged by a swarm of footpads. We expect to hear of their capturing the police and municipal authorities and holding them for ransom after the style of the legendary brigands of Greece and Italy.

THE WEATHER IN THIS CITY.—About noon yesterday, the thermometer stood at 92 in the shade.

A telegram received per Deseret Telegraph this morning, says the thermometer at St. George, Washington County, at half-past one o'clock to-day, stood at 111° in the shade, it was 112° on Saturday.

KILLED IN A STREET BRAWL.—The Boise City Chronicle, of the 22nd instant, contains an account of the killing, in a street brawl, of the Hon. E. D. Holbrook, the person by whom, it will be remembered, by some of our citizens, Hon. W. H. Hooper, Delegate to Congress from this Territory, was some time since insulted and assaulted. The affair in which Holbrook was killed took place at Idaho city, and the following particulars are furnished the Chronicle by a correspondent from that place:

"A terrible tragedy took place in this city, on Saturday evening last (18th inst.), in which Hon. E. D. Holbrook lost his life. It occurred in a street brawl or pistol fight between Mr. Holbrook and Charles H. Douglas. Mr. Holbrook was mortally wounded at the first shot fired by Douglas, the ball penetrating the right side of the abdomen and ranging inward. Both parties emptied the contents of their pistols, firing some five or six shots each. Holbrook then staggered from where he stood, during the affray, into his office, by Sheriff Frank B. Britten and Mike Durein, and fainted immediately afterward. Drs. Healy and Zief were immediately summoned, and every appliance known to medical skill proved unavailing to prolong life longer than about an hour. He died on Sunday morning. He was conscious to the last moment, and he was dying, was not afraid to die; that Douglas fired the first shot, and he was glad he had not hit him on account of his wife and children."

Douglas was arrested and committed to a jail cell after Holbrook's funeral, which took place on Monday, the 20th instant.

PASSING OVER.—The Washington Daily Globe of the 11th instant, says that on the day previous a call was made in the Senate for the Quill Bill, when a Tennessee

Senator, Hon. Joseph S. Fowler, said "let that be passed over," to which the President said "The bill will be passed over, objection being made."

ELGIN WATCHES!

The National Watch Company

All the grades of the Elgin Watches

INCLUDING THE

'LADY ELGIN'

READY FOR

SPRING TRADE.

The company also call the attention of Watch buyers to the fact that the Elgin Watches now offered have an added improvement over all others, in a new

PATENT DUST EXCLUDER

So constructed as to enclose the works, and form a protection against dust, enabling the movement to remain in order without cleaning double the time that a watch will ordinarily run without this protection.

The company feel confident, after having had their Watches three years in market, and selling many thousands of them in all parts of the country, that the Elgin Watches are the best time keepers now offered to the American public.

OVER FIVE HUNDRED DEALERS

In various parts of the land have unreservedly endorsed them. They are in use upon numerous lines of Railway, including the Union Pacific and the Pennsylvania Central, and officers of these roads, with other prominent R. R. officials, endorse them as the best watches for the use of R. R. employees and travelers yet introduced.

The following are presented as specimens of these testimonials.

TESTIMONIAL.

UNION PACIFIC R.R., OFFICE OF GEN'L SUPT. OMAHA, Dec. 16, 1869.

Hon. T. M. Avery, President National Watch Co., Chicago, Ill.

Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches challenge my admiration, and I am confident that in all respects they will compete successfully in the market of the world, with similar manufactures of other nations. They need only to be known to be appreciated.

Yours most respectfully,

C. G. HAMMOND, Gen'l Supt.

OFFICE OF THE HUDSON RIVER RAIL ROAD, Gen'l Supt., New York, Jan. 17, 1870.

T. M. Avery, Esq., President National Watch Co.,

Dear Sir:—The Watch made by your company which I have carried the past two months, has kept excellent time. I have carried it frequently on engine, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock.

Truly yours

J. M. TOUCHEY, Gen'l Supt.

The following dealers also, in various parts of the country, have certified that they consider the Elgin Watches to be all that the company have advertised them as, better finished, more correct and durable, than any in market of similar price, and that they have great confidence in recommending them to the public, on account of their general merit.
