Senator Snoot concluded his remarks by encouraging the people in their work and urging them to be true to themselves, true to their country and true to their God.

After speaking, Senator Snoot shook hands with many of the saints assembled. And all were pleased to have the privilege of seeing and hearing him speak.

BUSINESS MEN ORGANIZE.

For several months the Business Men's Association has been hard at work. The organization was formed for the purpose of bringing the business men closer together and enabling them to be of service to each other in many ways. Fred Schwedman is president; A. I. Comstock, vice president; and Ben R. Firman, secretary and treasurer. The organization is taking an active part in the affairs of the town and many things that they have undertaken are beginning to be shown for good, not only to the association but to the town and country.

George Ricks was presented with a boy last Saturday; and on Sunday Dan Anderson was presented with a girl.

The weather for the past week has been very disagreeable and it has been hard to get around. However, it now seems to have settled, and all are looking for the spring days to come. Another 15 cars of cattle were shipped from here Saturday. The cattle have wintered well and those interested in the enterprise seem to have done well on their investment. The sheep which have wintered in this locality look much better than they did at this time last year.

These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Sold by F. J. Hill Drug Co.

REXBURG VOTERS

NOMINATE CITY TICKET.

Special Correspondence.

REXBURG, Ida., March 21.—On Saturday a call for a mass meeting of the citizens to nominate a ticket for the coming city election was circulated around town for signatures, with the result that by evening over 40 names of the representatives of Rexburg had been secured, and printed bills embodying the call were scattered broadcast. At the time designated for the meeting on Monday morning the Commercial club hall was filled.

Nathan Ricks was elected chairman by a unanimous vote and C. G. Keller secretary.

C. H. Woodmansee suggested that before the nominating should begin

it would be well to have an open discussion of the needs of the city in a general way. Acting Mayor E. C. Dauby, City Atty. Douglas Hix and Councilman J. H. Squires called attention to what had been done during the last two years and referred to the present needs of the city in the way of improving the roads and sidewalks, extending the watermain and establishing a fire department.

Upon motion of Dr. George E. Hyde a committee of nine, three from each municipal ward, was selected to act as a nominating committee. Sixteen names were placed in nomination and after balloting the clerk announced that the following had received the largest number of votes: C. H. Woodmansee, Nathan Ricks, Willard Johnson, W. C. Holley, David Osborn, T. J. Winter, L. F. Wright, W. A. Walker and Dr. George E. Hyde.

While balloting for the nominating committee the following gentlemen were named by the chair as a committee on resolutions: James H. Wallis, Ezra C. Dauby, Thomas E. Ricks, J. H. Squires and Willard Johnson.

The convention then took a recess until 4 o'clock when the convention reconvened the following resolutions were unanimously adopted:

We, the citizens of Rexburg in mass meeting assembled, do hereby place the candidates of this body to labor for the accomplishment of the following improvements in the condition of our city, looking to its future and further progress and welfare:

That our candidates use every effort to extend the waterworks system to the residence portion of the city as soon as possible so that all the citizens may receive the benefit of the bonds that have been voted for this improvement.

That we favor the erection of a city hall as soon as possible where the city records can be kept and suitable rooms provided for the transaction of the city's business. We pledge our candidates to undertake this work immediately by creating an improvement fund that shall be used for that purpose.

That until the records of the city can be deposited in a permanent vault in the city hall, we are in favor of suitable accommodations being secured for that purpose.

That steps be taken to beautify the city park and cemetery by the planting of trees and shrubs.

That it be the aim of the council to do all that can be done consistently with the means at hand to grade and improve the streets of the city.

That we feel to endorse the action of the last state legislature with regard to the measures passed by them relating to the liquor traffic and pledge the incoming council to amend the ordinance of the city to comply with the provisions of said new legislation.

That the incoming city council shall take steps for the further extension of our sidewalk system, and that in those districts, where the travel is such as to justify it, the council in the absence of any petition from property owners, proceed as the law contemplates, and order the laying of such sidewalks.

That immediate steps be taken to remove the electric light poles from

the center of Main street to the sidewalk line.

That the ordinances looking to the sanitary improvement of the city be rigidly enforced, that our present healthy condition may continue.

Secy. Keller read the report of the nominating committee as follows:

We, your committee on nominations beg leave to report that we have unanimously agreed to recommend the nomination of the following gentlemen to serve in the positions indicated:

For Mayor—James W. Webster, Clerk—A. L. Blackburn, Treasurer—Alma M. Carbine, Police Judge—David Osborn, Engineer—O. E. Peterson, Assessor—First Ward—J. H. McIntire and Silas A. Smith, Councilman, Second Ward—W. C. Holley and W. W. Stephens, Councilman, Third Ward—Henry J. Flamm and Chris Jensen.

The report of the committee on nominations was unanimously adopted after which short talks were made by James W. Webster, W. C. Holley, J. H. McIntire and Henry J. Flamm.

THE DESERET NEWS.

Nervous and Nerve.

The more nervous a man is, the less nerve he has. That sounds paradoxical—but it isn't; for nerve is stamina. Hood's Sarsaparilla gives nerve. It tones the whole system, perfects digestion and assimilation, and is therefore the best medicine a nervous person can take.

If you get tired easily, mentally or physically, take it—it will do you good.

IMPROVEMENTS FOR OAKLEY CITY

Commercial Club Taking a Hand In the Building up of the Community.

R. S. WILSON'S SUDDEN DEATH

Passes Away at Murrumbidgee, a New Settlement Under the Twin Falls System.

Special Correspondence.

OAKLEY, Casia Co., Ida., March 20.—The Oakley Commercial club will give a banquet to the members and their wives next Thursday evening in the spacious club rooms.

With an enrollment of 253 pupils, the district school here is thoroughly crowded and the trustees, acting on a suggestion made by the Commercial club, are taking the preliminary steps looking to the erection of a new brick schoolhouse of modern construction.

Another much needed public improvement is also under encouraging headway, in the form of the opening of a six-foot street north and south through the center of town, thus making it possible for the people of Locust to reach Oakley with one-third the distance to travel.

A move is also on foot looking to the formation of an independent water district for the Goose Creek water owners. Heretofore there has been only individual ownership to all the waters of the valley.

DEMISE OF ROBT. S. WILSON.

Robert S. Wilson of Oakley Third ward died suddenly at Murrumbidgee, a new settlement under the Twin Falls system, where he had gone to establish a new home, on Friday, 15th inst. Heart failure is said to be the cause of his demise. Mr. Wilson came to Oakley from Utah in 1882 and has since lived in Provo and also in the western part of Colorado, returning to Oakley 15 months ago, and he was at work clearing sagebrush from his land when he was taken ill and passed away inside of 24 hours. His body was brought to Oakley last night. Funeral services were held from the Third ward chapel at 10 a. m. Sunday. The deceased was 47 years of age, and leaves a wife and one boy, besides a

widowed mother, nine brothers and six sisters.

President William T. Jack and Bishop A. G. Smith of Marion made a visit to Kimberly on Sunday, March 19.

James H. Worthington and wife went to Rexburg to be present at the funeral of Miss Jix of that place.

John L. Smith made a trip to Boise during the past week on business connected with the county.

George A. Day, state senator from Casia, returned home last week.

Elder A. W. Jack, who has been laboring in the Central States mission for 23 months, returned home on the 15th inst.

A social banquet will be given by the people of the First ward tonight in honor of Elders Horton D. Haight and W. R. Lee, who are to start away on missions in a short time, the former going to New Zealand and the latter to assist at the bureau of information at Salt Lake City.

The Difference.

"Invest," said Golsa Golds, "that never speculates."

"But what, precisely, is the difference, father?" the young Golds asked, "between an investment and a speculation?"

"It's a speculation," the other answered, "if you lose."

Orion Clemens—Politician.

He [Orion] exhibited a facility in changing his political complexion that was a marvel to the whole community. Once the following curious thing happened, and he wrote me all about it himself.

One morning he was a Republican, and upon invitation he agreed to make a campaign speech at the Republican mass meeting that night. He prepared the speech. After luncheon he became a Democrat and agreed to write a score of exciting notices to be printed upon the transparencies which the Democrats would carry in their torchlight procession that night. He wrote these shouting Democratic notices during the afternoon, and they occupied so much of his time that it was night before he had a chance to change his politics again; so he actually made a rousing Republican campaign speech in the open air while his Democratic transparencies passed by in front of him, to the joy of every witness present.

He was a most strange creature—

MRS. EDDY'S SON BRINGS SUIT.

Dr. E. J. Foster-Eddy, adopted son of the founder of the Church of Christ, has joined in the suit against the feeble old woman and declares that the clique which surrounded her made her believe that he was trying to kill her by evil mental influence. He alleges that this was done because he refused to join the conspirators in their plot to coerce her and obtain possession of her property.

but in spite of his eccentricities he was held in high esteem, for at bottom he was a sterling man.—Mark Twain, in community he lived. And he was also North American Review.
