LAST NIGHT'S DISPATCHES.

CONGRESSIONAL.

SENATE.

WASHINGTON, 5.—At the expiration

of the morning hour, the con-

sideration of the finance bill was

resumed, and after considerable

discussion Thurman moved to table

the bill, agreed to 31 to 27. Col-

vered in the affirmative, Cassery in

the negative.

The report of the conference com-

mittee on the bill for providing for the

construction of the new locks of the

St. Lawrence river was received and

conferred in.

The House bill granting a pen-

sion to Mrs. Wood daughter of

factory Taylor, was taken up and

referred to the committee on pen-

sions.

The diplomatic and consular ap-

propriation bill was taken up. Ed-

wards moved to strike out the ap-

propriation for the United States

and Mexican claims commission,

agreed to. Adjourned.

HOUSE.

The bill from the committee on

pensions passed, repealing the pro-

vision of the act of July 4th, 1864,

prohibiting the allowance of pen-

sion claims unless presented and

brought to a successful issue within

five years from the date of being

filed, and allowing claims so barred

to be granted or allowed within

two years from the date of the

act upon satisfactory parole evi-

dence.

The House, in committee, took

up the post office appropriation bill.

Palmer, who has charge of the

bill, remarked that since the aboli-

tion of the franking privilege the

Postmaster General was willing to

grant the allowance of a million

and a half.

An amendment was offered and

adopted increasing the item for let-

ter carriers by one hundred thou-

sand, and allowing their employ-

ment in places where the popula-

tion is twenty thousand and within

the post office delivery. An unsuccess-

ful effort was made to increase the

compensation of letter carriers. Ad-

jourmed.

EASTERN.

NEW YORK, 5.—The bill of last

year for allowing the reduction of

the capital stock of the Pacific Mail

Company to ten millions was re-

introduced into the General Assem-

ble today.

ALBANY.—The joint committee

to select an orator to deliver a eu-

rology on the late W. H. Seward, have

agreed upon Charles Francis

Adams.

Affidavit of Gifford, the oldest

member of the stock exchange,

dated today.

There is great excitement among

the Wall Street operators at the

5th Avenue Hotel, over the alleged

corner in Western Union; 941

was freely bid. Jay Gould is

believed to have been arrested

by the police of New York.

The body of Jacob Knap, a

Brooklyn shoe keeper, was found

which had been closed for some

weeks. Beside him was a dog feed-

ing his leg, the rest of the flesh

having been eaten from the body.

St. Louis, At Moberly, Mo., at

2 o'clock yesterday A. M., A. L.

tried to attempt to force en-

trance into the room of Mrs. Pullam,

a milliner. She warned him to

desist, but he forced the door, and

she shot him dead. A coroner's

jury exonerated her.

NEW ORLEANS, 5.—The

United States border commission-

ers and attaches arrived here to-

day. They will resume the investi-

gation of the Mexican depredations

at this point, at once, proceeding

along the border as demands may

require.

ALBANY, 5.—The Senate de-

clined to pass a resolution in op-

position to the government purchase

of the telegraph lines.

WASHINGTON.—In the Wilson

committee, this p. m., F. C. Hooper,

who is believed to be insane and

has been known to have been

blackballing, appeared and testi-

fied to certain alleged acts, impli-

cating Congressman Kelley of Pa.,

and Mr. McKim of New York, who

are the Credit-Mobiler business.

The committee placed no reliance

on the story.

The report of the committee of

conference on the bill for the con-

struction of the locks of the St. Law-

rence river was received and con-

ferred in.

Senator Pomroy returned to this

city last evening, but was not in

his seat in the Senate to-day.

BOONER.—Wilson, chairman of

the Credit-Mobiler committee, has

begun the examination of the books

of the Union Pacific.

EXETER, N. H.—The jury in the

Evans case rendered a verdict of

guilty in the first degree. Evans at-

tempted suicide by hanging with

his own hands.

NEW HAVEN.—C. L. Griswold

has been nominated for Lieutenant

Governor, John M. Hall, Secretary

of State, Charles Nichols, Treasur-

er, John J. Rockwell, Comptrol-

ler.

WESTERN.

SAN FRANCISCO, 5.—The primary

election passed off very quietly,

though in several wards the con-

test was sharp and there was con-

siderable drumming up of voters.

It was a square fight between the

two factions of the Gorham party;

result not yet known.

The exorbitant State of Steam-

Boilers was sold to-day for \$14,000.

Goodall & Nelson purchasers.

At the annual meeting of Wells,

Fargo & Co., to-day, the following

Directors were elected: Lloyd Te-

vis, W. G. Fargo, A. H. Barney, B.

P. Cheney, D. O. Mills, Leland

Stanford, J. B. Hoggins, Oliver El-

ridge, and Mark Hopkins.

An old man came down him-

self to-day at North Point, and

when rescued said his two daughters

abused him and he did not wish to

live any longer. His name could

not be ascertained.

Work on the Texas Pacific R. R.

will be commenced within a week.

Abundance of rain is falling in

all sections of the State, from south

to north. There are no floods, but

the storm is not yet over, and it is

still raining in this locality every

night and day.

The epidemic has broken out

amongst the horses at Gilroy.

A large tobacco manufactory is

about to be established at Gilroy.

SANTA BARBARA, 5.—During the

late storm two and a half inches of

rain fell, accompanied by heavy

thunder, lightning and hail.

SHINGLE SPRINGS, Cal., 5.—J.

Frey, residing about half

mile from here, was found dead to-

day. It is supposed that he died from

the effects of liquor.

SACRAMENTO, 5.—A vigilance

committee with about 100 members

has been organized at Shingle

Springs since the murder of Evans;

they have notified several parties in

that vicinity that they must behave

themselves or find other quarters at

once.

CADIZ, 5.—The steamship *Murillo*

is still here. The British consul de-

manded a writ of attachment

against her. The Captain and offi-

cers on the watch at the time of her

collision with the *Northfield* are

held prisoners on board a Spanish

gunboat, pending investigation.

The crew are under guard and

not allowed to go ashore. The

Spanish authorities who have ex-

amined the *Murillo* declare that she

did not strike the *Northfield* in col-

lision. Their belief is she is in-

nocent.

LONDON.—At the trial of Robert

Bowles to-day he was acquitted.

The counsel for the prosecution in

his opening speech said it was im-

possible to doubt that he was guilty.

The foreknowledge by the defend-

ant of the manner in which the

firm disposed of bonds of Mr. Ren-

gort, the prosecutor, amounting to

\$8,800, and of the securities of

Mrs. Gates and Mrs. Gardner, in

value over \$50,000, were examined

and found correct. The deputy

recorder in summing up showed

that other members of the firm

were responsible for the securities

deposited.

MADRID, 5.—In the engagement

between the Carlist forces and the

royal troops at a small place call-

ed, in the north of Navarre, which

was announced that 200 insurgents

were killed and 1,000 rifles includ-

ing eight hundred of the Remington

patent, a large quantity of ammu-

nition stores and 300 prisoners

were captured. Eighty of the in-

surgents begged for amnesty.

ATHENS, 5.—The earthquake

shocks on the island of Samos con-

tinue to be felt. There has been

great destruction of life and prop-

erty. The number of victims is yet

unknown.

LONDON, 5.—The British court

will go into mourning for a short

time for the Dowager Empress of

Brazil.

St. Petersburg, 5.—The *Official*

Gazette, in an article on the move-

ments of Russia, says that the

indifference with which Great

Britain views the growth of the

United States with the jealousy

with which she watches the growth

of Russia, is a source of great

concern to the British public. The

British public are simply beside

themselves with anger, and con-

clude the article by advising the

government to take no more notice

of the progress of Russia than

she does of the United States.

The Russian fleet is now in the

Baltic, and will soon sail for the

Mediterranean.
