Fight for Life With a Shark.

Milton Thomas is a resident of Pahrump, and according to his story, he was swimming in the water near the shore of Lake Mead, when he was suddenly attacked by a shark.

It was a struggle for very life, and finally the young man reached the shore, and then the shark, almost exhausted from exertion and loss of blood.

**Do You Take A RIDE?**

No more pleasant ride can be found anywhere than that to the suburban South of Salt Lake City. If you drive, ride horse back, or use a bicycle, the newly sprinkled roads afford continual pleasure. The popularity of the East Boulevard is attested by the hundreds of wheels and thousands of people that daily throng it.

Why not combine business with pleasure? If you keep a home in Forest Dale, you can enjoy the ride to and from your residence that hundreds are anxious to take for pleasure alone.

What is more invigorating during these warm days than a ride on an open electric car? Try it early one morning or after your work in the evening, and you will find a home, day in Forest Dale. By doing so you can enjoy the canyon breezes, and still be near your work. Can have water belonging to your pipe to your door and still not pay city taxes. Can have the benefit of good schools, and of pleasant associations, and yet have none of the smoke and discomfort of residence in a city.

Inducements to build. Small payments and long time at low interest will be allowed desirable parties.

Call at CARROLL'S office, 221 Constitution Building, and get plan and prices.
