EASTERN.

The Tippecanoe Battle Ground Meeting.

LAFAYETTE, 26.—The attendance at the battle ground, to-day, was very large, 10,000 being present. Speeches were made by Blaine, Harrison, Booth, Kilpatrick, Goodloe, Robert Lincoln, Gordon Lee, and others. All listened attentively. The most interest was manifested in Blaine. Around the whole stand a very large crowd was congregated. A public reception will be given this evening at the residence of Hon. G. S. Orth.

Crook Organizing a New Campaign.

CHEYENNE, 26. — Col. Stanton, paymaster of the United States Army, who commanded the volunteers and scouts in General Crook's recent campaign, and Major Randall, who commanded the Snake Indians, returned to this place to-day. The latter goes at once to Sydney to take charge of 100 Pawnees, who are to go Fetterman and take part in the approaching movements north. Col. Stanton returns with friends to pay off the expedition and the northern parts in this department, about sixty companies in all.

General Crook remains at Fort Laramie organizing a new campaign against the Indians, and he will not leave the field until the work is done. Fresh troops, consisting of the Fourth Cavalry, under General Mackenzie, and infantry under Captain Pollock, will be put in the field at once. A depot of supply will be established at Old Fort Reno.

The troops of the recent expedition are now at Custer City under command of General Merritt, and will await new supplies of clothing and equipments there.

Lieut. Lentwitz, of the Third Cavalry, and one or two others who were badly wounded, were left at Crook City, in the Black Hills, with a medical officer, and will come out as soon as they can bear removal.

The cavalry horses are much worn out, and many of them were eaten. At least 500 fresh horses will be required.

Democratic Mass Meeting.

CHICAGO, 26.—A democratic mass meeting was held on Market Square here, to-night, at which there was present, it is asserted, the largest crowd that ever assembled at a political meeting in Chicago. The speakers were senators Bayard and McDonald, ex-Senator Doolittle, Gen. Farnsworth and a number of other prominent democrats. The square was densely packed, and speeches were made from three separate stands. The whole street was brightly illuminated by calcium lights. The torch lights numbered some 1,500, every democratic ward and club in the city being represented, but no regular procession was formed. The speakers commanded respectful attention, and were often heartily applauded.

Raising a Relief Fund.

The Board of Trade are taking active measures to raise a relief fund for the suffering in Savannah and other Southern cities. Potter Palmer, to-day, sent a message to the relief committee at Savannah to draw on him, by telegraph, for $100, and if the immediate want was very great to telegraph to him. Citizens are raising funds to send to that afflicted section, and substantial donations will soon be forwarded.

Babcock's Case Presented to the Jury.

The *Tribune's* Washington special says: Babcock's lawyers presented his case to the jury to-day. The burden of the opening speeches was that the charge of conspiracy had not been proven, and that Whitley's testimony was of little value. A portion of Cook's defense was devoted to reading a sketch of Babcock's military history, and to a eulogy upon his services as commissioner of public buildings and grounds in this district.

The Indians in a Bad Temper About Their Removal.

The *Inter-Ocean's* Washington special says: The Commissioner of Indian Affairs has received no intimation of the movement of Sitting Bull on Fort Sully as has been reported in Sioux City items. The Commissioner of Indian Affairs received a letter from Bishop Whipple, of the commission, who expressed himself contented with the results of the council with the Red Cloud Indians. The Indians are in anything but a pleasant temper, and do not favor the proposition to remove them.

Salmon Eggs.

PHILADELPHIA, 26.—Prof. Baird, United States Fish Commissioner, at the Centennial, to-day, received a telegram from Sacramento, Cala., dated on Monday, as follows: A refrigerator, containing four millions of salmon eggs, left by passenger train for the east, to-day, consigned to Professor Baird, U. S. Fish Commissioner, and in charge of Mr. Livingstone Stone. The eggs are made up into packages and addressed to such State fish commissioners as have applied for them, and will be delivered to the express companies as the car passes the station nearest their destination. The first delivery will be to Utah, and the last, about a week later, to the Centennial Exhibition. About two millions more are destined for California, and a million for Australia, New Zealand and the Sandwich Islands.

Board of Health Report.

NEW ORLEANS, 26.—The official report of the board of health says there has been reported by the board, from the 11th of August to date, twenty-six cases of yellow fever, of which seventeen were fatal. The disease is confined to a few squares in the upper portion of the city. Only one new case has been reported since Saturday. No apprehension is felt. A meeting of the New Orleans Associated Press, this evening, passed resolutions requesting the board of health to order the reopening of the McDonald and Laurel schools, which were closed by order of the board a few days since, there not being sufficient cause to justify the closing, and creating unnecessary apprehensions.

More Relief.

MEMPHIS, 26.—At a public meeting to-night, in the interest of the yellow fever sufferers, $1,000 was subscribed, and committees appointed to canvass the city. The Howard Association sent the Brunswick sufferers $1,000 to-day.

The Postal Railway Commission.

CHICAGO, 26.—The postal railway commission, after taking testimony in Milwaukee, St. Louis, New Orleans, Louisville and Cincinnati, will proceed to California.

Appeal for Help for the Stricken City.

MACON, Ga., 26.—L. Davenport, Mayor of Brunswick, Ga., and J. M. Dexter, chairman of the board of health, appeal for help for the stricken city. Half the population are down with yellow fever; business is suspended, supplies exhausted, and unless aid is speedily sent many will die of starvation. The suffering and want cannot be described.

Quarantine.

GALVESTON, 26. — The health physician, Blunt, this evening, notified Captain Fowler, agent of the Morgan line, that the steamer which left Morgan city to-day, would be the last of the line allowed to enter this port between this date and the enforcement of the order of quarantine against New Orleans. It was subsequently agreed that the ship leaving Morgan City to-morrow, the 27th, could come in, provided there was no sickness on board.

Greenback Convention.

ALBANY, N. Y., 26.—Upon reassembling the temporary officers were made permanent. The resolutions cordially endorse the Indianapolis platform and declare for Cooper and Carey; also, that there can be no business prosperity unless all property is equally taxed; and, therefore, demand that Government bonds shall bear their just share of public taxation; that a more just system of laws should be enacted for the regulation of incorporated wealth, so that persons and property shall not be unjustly taxed for being transported over railroads, and that investments by savings banks and insurance companies shall afford greater protection to those whose interests they have in charge. The reading of the resolutions caused considerable excitement, one delegate pronouncing them utterly unworthy of the movement represented by the convention.

Maitland charged that the clique had drawn up the resolutions and had totally ignored the interests of the laboring men. The resolutions were finally adopted.

Richard Montgomery Griffin, editor of the Albany *Evening Post*, was nominated for Governor; Thos. Armstrong for Lieut. Governor; Anthony J. Caddeback for Land Commissioner; Marcus M. Dixon for Judge of Appeals; Jno. W. Crump for State Prison Inspector.

A Lime Causes a Negro Murder.

LOUISVILLE, 26.—A negro, named Napoleon Williams, was murdered here to-night by Ike Forest; a bar keeper. The trouble was caused by a dispute over a torn dime offered for a drink by Williams. Forest shot him, fled, and was subsequently captured.

Silver Coin Paid Out.

WASHINGTON, 26. — Since the 19th of April last $19,035,[illegible] silver coin has been paid out by the Treasury Department for the redemption of fractional currency and in payment of obligations, leaving a balance of two millions of dollars of such coin on hand at this date.

Yellow Fever Interments.

SAVANNAH, 26. — The yellow fever interments to-day were twenty-eight.

Satisfactory Explanation.

TOPEKA, 26 — The republican State central committee convened in this city, to-day, at the request of G. T. Anthony, republican candidate for governor. Mr. Anthony appeared and took up each and every charge made against him, and showed by documentary evidence of the most conclusive nature, the falsity and maliciousness of them all. It took him two hours to read his sworn statement and other evidence. It satisfied all present, including Senators Ingalls and Harvey, Representative Phillips and Gov. Osborne. The following resolution was unanimously adopted:

"*Resolved*, That this is the opinion of the Republican State Central Committee, after having a full and complete explanation of G. T. Anthony of the charges and specifications made against him, that such explanation is a complete vindication of his character."

Mr. Anthony is speaking to-night at the Opera House, which is packed. It is a perfect ovation to him.

FOREIGN.

SPAIN.

Tweed Very Much Surprised.

VIGO, 26. — The United States steamer *Franklin* arrived here this morning. Tweed was very much surprised when told that the *Franklin* was to take him to the United States. He had hoped, on arriving in Cuba, to be off through the assistance and influence of his friends, to avoid being surrendered to the American authorities. He expressed great disappointment at the new aspect of affairs. On the arrival of the *Franklin*, Mr. Adee, acting minister of the United States in the absence of General Cushing, went on board to confer with her commander regarding the proposed transfer of Tweed, and Hunt to the *Franklin*. The intention is to remove the prisoners from their present quarters to the steamer this evening. During their confinement in Castellar De Casto, Tweed and Hunt were kept in separate rooms, closely guarded, and not allowed to communicate with each other. The Captain General issued strict orders that no one should be allowed to speak to them. Mr. Adee has been warned that Tweed might destroy himself rather than return to New York. The commander of the *Franklin* has, therefore, been instructed to keep him strictly confined, and leave him no opportunity to jump overboard.

Crook's Command in the Black Hills.

DEADWOOD CITY, Black Hills, Sept. 16th, 1876.

General Crook's troops have been encamped near the foothills of these mountains, and have been supplied by the Black Hills merchants with food. The scenes which occurred when the soldiers crowded around the wagons which were laden with bread and seized and devoured it before it could be distributed beggars description. They had for two days subsisted on nothing but horses. Yesterday a soldier of the Fifth Cavalry while hunting was killed by the Sioux. The destruction of the village near the Slim Buttes was complete. Twelve squaws, five papooses and three bucks, including a mere boy, were captured. Iron Shield, or American Horse, died of a wound in the abdomen. Seven Indians were killed by the rear guard, consisting of a portion of the Fifth Cavalry, on the morning when the army marched away from the field of battle. The number of Sioux killed on the 9th and 10th and the whole loss of the enemy, including the wounded and captured, is estimated at 100. The following is a correct catalogue of the casualties in Gen. Crook's command—

KILLED.

John White, alias Buffalo White, a scout, shot through the heart at the siege of the ravine.

Private A. Medbury, alias Wenzel, Company A, Third Cavalry, shot through the head, and dying within an hour after the attack.

Private Edward Kennedy, Company C, Fifth Cavalry, shot through the legs; died of the shock produced by his terrible wounds.

WOUNDED.

Lieutenant A. H. Von Leutwitz, Company E, Third Cavalry. His left knee was shattered and the leg amputated.

Sergeant John A. Kirkwood, Company M, Third Cavalry.

Sergeant Edward Glass, Company E, Third Cavalry.

Sergeant Edward Schreiber, Company K, Fifth Cavalry.

Private J. M. Stevenson, Company I, Second Cavalry.

Private August Dorn, Company D, Third Cavalry.

Private Edward McKernan, Company E, Third Cavalry.

Private Charles Foster, Company D, Third Cavalry.

Private Wm. R. Dubois, Company C, Third Cavalry.

Private Daniel Ford, Company F, Fifth Cavalry.

Private George Cloutter, Company D, Fifth Cavalry.

Private Michael H. Donnelly, Company F, Fifth Cavalry.

Private William Madden, Company M, Fifth Cavalry.

Private Robert Fitzhenry, Company H, Ninth Infantry.

With the exception of Lieutenant Von Lentwitz none of the wounds are dangerous.

MARCH OF THE TROOPS.

The troops move by easy marches towards Fort Laramie. General Crook is ordered to hasten thither in advance, with an escort, in order to consult with Gen. Sheridan. He arrived here this afternoon, and was received with cheers and explosions of gunpowder. The population welcomed them as their deliverers. A petition was presented him, bearing more than 1,000 names, asking his protection from the Indians who infest the mountains, who have killed during the past two months more than 100 white men.—*New York Herald, Sept. 21.*
