Our conclusion on seeing "The Descon's Daughter" on Monday evening that there would be another full house, was amply justified last evening, and the large audience seemed heartily to enjoy the entertainment. Miss Pixley is of course the leading attraction and not by any means the least of her claims to public favor is her melodious voice. Her whistling song drew round after round of applause last night, and it grew even more uproarious when it was discovered that the whistle continued with unabated vigor for some time after the Deacon's Daughter" had ceased pursing her lips and moving in cadence with the tune.
