

THE BEN TERRY AND BRITISH STAGE

Her Theatrical Jubilee Most Remarkable Demonstration In Its History.

SALVOS OF APPLAUDITS GIVEN

Enthusiasm of Audience Unbounded, Each Appearance Vociferously Greeted.

London, June 12.—The lasting and affectionate regard in which English playgoers hold their stage favorites found splendid exemplification today in the matinee at the Drury Lane theater in commemoration of the theatrical jubilee of Ellen Terry.

The was the most remarkable manifestation of its kind in the history of the British stage.

Not only drawing to the great historic auditorium an immense audience representative of all walks of life, but crowding the stage with the most notable names in the dramatic and musical profession, including playwrights and composers, in an unprecedented program which continued from 12:30 to 3:30 o'clock. The most notable event on the program was the first act of "Much Ado About Nothing," with Miss Terry as Beatrice and 22 other members of the Terry family in the cast, but perhaps the most moving and memorable event was reserved for the end, in the reception of the stage, embracing the participants in the program and other well known members of the profession, including Sir Charles Villiers Stanford and Sir Alexander Campbell Mackellar among the musicians. The enthusiasm of the audience was unbounded, and each appearance of Miss Terry was greeted with cheering and handclapping, lasting many minutes. A notable feature of the performance was W. S. Gilbert's "Trial by Jury" which the veteran author himself directed and in which the jury was composed of famous playwrights, Capt. Robert Marshall being the foreman, while the "crowd" was made up of a host of well known actors and actresses.

Before the performance began Miss Terry was given a tribute by the pitties and gallery gods who for more than 4 hours had patiently waited for the doors to open, amusing themselves meanwhile in a good natured fashion, the girls still being rendered even to the appearance of Miss Terry at the gallery doors at midnight to look at those friends through tear-dimmed eyes.

Salves of plaudits greeted the entry of the idol of the British stage, the immense audience rose in a body and cheered followed cheer, while shouts of welcome rang through the house and hands were clapped until the audience was forced to give up from sheer exhaustion.

Miss Terry stood in the center of the stage evidently deeply moved, bowing and smiling her acknowledgements right and left until a cessation of the clamor permitted the performance to proceed.

BERWIND-WHITE CO.

Was Issue Before the Interstate Commerce Commission.

Philadelphia, June 12.—The Berwind-White Coal Mining company was the issue before the interstate commerce commission when it resumed its investigation today into the relations of railroads to coal and oil interests.

Probably the most important fact brought out was that the coal company bought about 5 cents a ton by the railroad company for handling its cars on the Hudson's pier. This allowance gives the coal company about \$17,000 a month for this service. The work is performed, however, by Pennsylvania crews with railroad locomotives for which the coal company makes monthly settlement with the railroad, the amount of the monthly bill being sometimes over \$100.

It developed through the testimony of Frederick MacOwen, treasurer of the company, that during a period when cars were scarce, J. E. Berwind made arrangements with the Pennsylvania railroad by which his company secured 1,000 individual cars, several hundred of which had been in the service of the railroad. MacOwen stated the history of the Berwind-White company and explained the lease of Hudson's pier.

BOY KILLS WOMAN.

Vallejo, Cal., June 12.—Roy Spurr, aged 20 years, shot and killed Carrie Clark in the red light district of Napa last night. He then shot himself and died almost instantly. The woman was about 40 years old. The tragedy was the result of a quarrel.

MOB WILL BE PROSECUTED.

Brightwood, Va., June 12.—Gov. Swain has ordered Commonwealth's Atty. Watkins of Northampton county to use all power to arrest, imprison and prosecute the mob of 50 well armed Maryland men which came into Virginia intent upon lynching William Lee. The governor ordered two companies of militia to aid the sheriff in enforcing this order.

NO YELLOW FEVER NOW.

New Orleans, June 12.—An official statement that there are no cases of yellow fever in New Orleans or in Louisiana was issued today by the Louisiana board of health.

MOB SHOOTS NEGRO.

Pensacola City, Fla., June 12.—Ned Watson, colored, was tonight, while in the hands of the authorities, beaten and shot almost to death by a mob. During the afternoon he had maliciously assaulted his employer, Samuel S. Barnes, near King's creek, Somerset county, with a single tree fractured his skull. The assault is said to have followed a dispute about wages and was witnessed by the victim's little son. The negro

Fainting Spells

CAUSED BY WEAK CONDITION OF THE BLOOD.

Cured by Dr. Williams' Pink Pills, the Remedy Which Actually Makes New Blood.

Anæmia makes the patient short of breath so that there is often a sense of suffocation, sometimes there is a cough and the sufferer seems to be going into consumption, at others there is a murmur of the heart and heart disease is feared. In the following case severe fainting spells were an alarming symptom, resulting from "too little blood."

Mrs. G. H. Forrester, of 7 Curtis street, Watertown, N. Y., says: Some time ago I took a heavy cold and it left me in a very weak condition, and became worse and worse until finally I had anæmia. I lost flesh and appetite, had no color and was subject to fainting spells. Sometimes they would attack me suddenly and I would fall to the floor with hardly any warning.

I had one of our best physicians, but after he had been attending me about a month without any improvement in my condition, I decided to see what Dr. Williams' Pink Pills would do for me.

The pills were well known to me for, about two years before, members of my family had taken them with the best results. Soon found that the pills were just what I needed for I soon began to notice an improvement. I had taken them a while longer I was entirely cured, and we all believe in Dr. Williams' Pink Pills and recommend them highly."

Dr. Williams' Pink Pills cured Mrs. Forrester because they actually make new blood. They do that one thing and do it well. Impoverished blood is deficient in red corpuscles and Dr. Williams' Pink Pills increase the number of these red corpuscles and in this way send health and strength to every tissue. Medical authorities are agreed that the health of the nervous system depends directly upon the red corpuscles in the blood and in this way Dr. Williams' Pink Pills have cured many nervous disorders as well as blood diseases that have not yielded to ordinary treatment.

All druggists sell Dr. Williams' Pink Pills or they will be sent by mail, post box, six boxes of \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
