

TROUBLE IN TABRIZ.

Tabriz, July 3.—The trouble in this city broke out again today when the revolutionaries and the reactionaries, after a brief truce yesterday evening again started shooting at each other. The revolutionaries last evening hoisted a white flag and intimated

their readiness to surrender, but instead of bringing peace, the circumstance was embraced by a reactionary mob to loot and destroy the quarter in the city where the bazars are located. The revolutionaries at once recalled all their men to arms, erected another barricade and another bloody conflict in the bazar district began. All the foreign residents of Tabriz

have hung out over their houses their respective flags. They are not believed to be in danger. There is a serious shortage of bread in Tabriz.

TOM JOHNSON TALKS OF DEMOCRATIC PLATFORM

Chicago, July 3.—Mayor Tom Johnson of Cleveland, on his way to the Democratic national convention, stopped in Chicago for two hours today. He set at rest all reports that he

might be the chairman of the campaign committee or a vice presidential candidate by announcing that the carrying out of his municipal ownership projects in Cleveland would not permit him to consider either of the two mentioned places. He declared he was for Bryan for the head of the ticket, as he had been from the start. Mayor Johnson departed for Denver

on the 5:15 o'clock on the Rock Island train.

"The platform of the Democratic party must be in accordance with Bryan's views and along radical lines," said Mayor Johnson. "The Republicans have and aim to hold the conservative vote. There must be no straddling on the part of the Democratic party, and the expressions on

all questions must be clear-cut and progressive."
