The Canal question is still a subject of discussion and contention. The News to-day contains a letter

Massachusetts are earning their own living. The men convicts outnumber women by 2,816. Eighty-two per ceut, of the convicts in Massachusetts and shouting all around me and the convicts in Massachusetts are earning their own liuch about it. Then he called tors that both were to share the same fate. There can be no excuse for an act of back faith and that the unseating of Kellogg would be such an act appears from the records of setts are men. And yet woman suf-frage is on the "boom." Are the above not evidences that women sked for the blood of the Lamb to the sphere of politics?

The following from Ruskin is worthy of note and accords with the apostolic argument in favor of a combina tion of works with faith: "It is surely scarcely necessary to say further, what the hely teachers of all nations have invariably concurred in showing, that faithful prayer implies always correlative exertion; and that no man can ask honestly or hopeful-ly to be delivered from temptation, unless he has himself honestly and firmly determined to do the best he can to keep out of it."

As a sample of the comical kind o mingled ignorance and assurance sign in a Pennsylvania village: "John Smith, teacher of cowtillions and other dances grammar taut in the neatest manner—fresh salt her-ring on draft—likewise Goodfreys cordiail - rutes sassage and other garden truck-N. B. bawl on friday nite-prayer meeting chuesday-also salme singing by the quire."

Comparisons are often drawn be tween English and American railroad speed, generally in favor of the road speed, generally in favor of the in the ways and manners of revivalformer. But the Jersey City and Philadelphia train on the Pennsylvania of invitation has been sent to them for the comparatively small supply from Washington, D. C. The name of hand. Some large in 111 minutes, or a mile in about of the writer is not disclosed, but is mills are turning their attention to 1.25 minutes. The Boston and said to be that of a responsible per- Australian, but supplies of this de-Taunton train runs over the Old son, and it is slyly intimited by Colony road, a distance of 34 miles some who are not afraid to hint evil in 47 minutes, or a mile in about 1.27 of dignitaries, that the increase of minutes; while 44 miles in 60 minutes, averaging 1.36 to the mile, are traveled by the Boston and Provi-

girls and sewing women, an eastern paper says: "Perish the thought! led to stand ten hours a day and dress well, on three dollars a week, on the philanthropic mind, while there is a Ute or Sloux without earffs or a nickel-plated egg-beater? And, we would add, or an impecuniary clerical mendicant unsupplied with funds to help convert the terrible "Mormons?"

tion to the Mayor for permission to march and hold forth in the public streets being denied by that functionary, the "General Commanding," who made the request "in the name of the Almighty God," has made the terrible threat that if the demand is not complied with, he will draw his forces off and leave the city. As there is a municipal ordi nance against such assemblies, el. ther Gotham is doomed-to lose the lasts, or they must wage their

warfare within doors. The "Salvation Army" originated in England, and is only a traveling The preaching is of the exhortative kind and appeals only to the feelings. The following, said by the New York Herald to be a vernized as the old style of stock exerdium of "Ranter" and other rev ival

Justice Miller, of the United
States Supreme Court, on Saturday
signed decrees terminating the lease
and receivership and restoring its "Return of common sense," was the abrupt reply; and Knox applied himself to his anvil and would say no more."

The effect produced on Knox and other persons similarly excited by these means, is called religion, and is supposed by many to be the Chrisis supposed by many to be the Christian religion. And yet no such scenes as occur at revivals are described in the Scriptures, and neither Jesus nor his Apostles ever adopted mathematical or taught such seems of the old Rio Grande road.

Leadville to the Denver & Rio Grande Co., and dismissing all suits. This is the end of a long and severe legal warfare involving the well known struggle for the Grand Canton of the Arkansas, and the contest of last summer for the possession of the payment of six months, by the payment of six months are six may be issued for all purposes or branches of business which, under the Ordinances of this city, are required to pay a yearly license, and six may be issued for all purposes or branches of business which, under the Ordinances of this city, are required to pay a yearly license, and six may be issued for all purposes or branches of business which, under the Ordinances of this city, are required to pay a yearly license, and six may be issued for all purposes or branches of business which, under the Ordinances of the ordinances of the ordinances of the ordinances of the ordinance of the ordinances of the ordi any such methods or taught such sion of the old Rio Grande road. of six months, by the payment of doctrines, as the popular disciples of emotional excitement consider the very essence of evangelism and converting grace.

The whole system is nothing but a species of intemperance, producing spiritual inebriety, with a consessing spiritual inebriety obnoxious to would market.

The line to Leadville will now be completed in two or three months. The compromise thus perfected is based upon a treaty of peace for 10 years between the Atchison, Topeka and Santa Fe, the Union and Kansas Pacific, and the Denver and Rio Grande R, R, Co's., and all their subsidiary companies.

SEC. 3.—Nothing in this Ordinance affect any license heretofore issued under the provisions of the Ordinance of which this is amendatory.

BOSTON, 29.-The wool market is comparatively quiet. Sales last week aggregated 2,154,800 pounds, a large portion of which was foreign. Notwithstanding the quiet tone of The Salvation Army may meet with greater success in places not quite so experienced as New York ing of consequence was done, but lish and Irish combing. In unwashed and merchantable floeces sales

were of 248,000 pounds at full prices.

NEW YORK, 28.—Large meetings were held yesterday afternoon and evening, looking to the establish-ment of an American independent church, at which addresses were made by Rev. Fathers Quinn, Wood-Broderick and others, formerly Ro, man Catholic priests. It was stated that many priests were at present engaged in the work and that Father Quinn, the president of the organiz-ation, was daily in receipt of com-munications from priests who were preparing to abandon Romanism and who were most anxious to labor for the benefit of poor people in ex-tension of the true principles of Christianity. Letters were read from several priests in various parts of the country, saying their whole hearts were in the movement, and communications were presented from Methodist, Baptist and Presbyterian conferences in Baltimore, Philadelphia and New Jersey hear-tily endorsing the movement.

DIED

Deceased was born in the town of Lunen-

burgh, Pssex County, State of Vermont, on the 29th day of June, 1793. Was baptized by Elder Orson Hyde in the year 1832; passed through all the trials and tribulations visited upon the Saints, without murmuring, firm and unwavering to the faith she had embraced; ever ready to share her bread with cor the distressed. She was the mother of ten children, had seventy-one grandchildren. and seventy-three great grandchildren; she had taken to raise ten motherless children. and nobly performed a mother's part to them-During the past three years she had been sorely afflicted, being almost entirely helpless, for twenty-one days she had speechless and unable to partake of food, yet, whilst unable to speak she was quite conscious to the last, and several times made signs that she wished the administration for the sick, earnestly desiring to be healed; at the last she passed quietly away, and will now sleep until the resurrec-
