# Before You Go

When about to travel, if subject to headache, nervousness, dizziness, or car-sickness. take one or two doses of Dr. Miles' Anti-Pain Pills before starting. They will insure you against an attack.

There are a great many who are sure to have headache, whenever they go to church or places of amusement, or where there is any excitement or oppression. Take them with you, and on the first indication, take a tablet and see how quickly it will disappear. To such persons Dr. Miles' Anti-Pain Pills are a great blessing. They soothe the nerves and allay irritation and excitement, We always keep Dr. Miles' Anti-Pain Pills in our home, and find them a remarkable remedy for the relief of headaches, nervousness, etc. Two tablets never fail to stop the most severe headache, but one is usually sufficient. By taking a Pain Till before going out to places of amusement, we find we do not have those distressing headaches that for-merly come with every little excite-tion.
