The quarterly conference of this Stake will convene in the Assembly Hall, Salt Lake City, on Saturday, March 7th, at 10 a.m., and 2 p.m., and in the Tabernacle on Sunday, the 8th, at 10 a.m., 2 and 7:30 p.m.

The officers and members of the Stake will please govern themselves accordingly.

Your Brethern,
ANDREW H. CANNON,
JOSEPH E. TAYLOR,
CHAS. W. PENROSE,
Presidency of the Salt Lake Stake of Zion.

NOTICE.

To Sunday School Superintendents.

We desire to call special attention of superintendents of Sunday schools, that annual Sunday school reports have been received from the following Stakes and missions only: Alberta, Box Elder, Bear Lake, Beaver, Cache, Davis, Emery, Juab, Kanab, Millard, Morgan, Parowan, San Juan, Sanpete, Snowflake, Taylor, St. Joseph, Star Valley, Wayne, Cache Schools, Indian Territory, Logan Colony, Netherlands, Northern States, Samoa, Scandinavia. We urge that the delinquent superintendents of Stakes and missions forward their complete annual report for 1895 at once, to Elder John M. Whitaker, general secretary, No. 258 Constitution Building, Salt Lake City, Utah. We should take a pride in this matter and be prompt as well.

Very truly,
GEORGE Q. CANNON,
GEORGE GODDARD,
KARL G. MAESER,
General Superintendency of Sunday Schools.
February 27, 1896.

A Total Loss.

A fire of unknown origin broke out in the barn of Alexander Gallagher, at No. 824 Sixth street, about 11 o'clock last night. The barn, a buggy, horse, harness, cart, chicken coop, twenty-two fowls, and Edward Brewster's sign-painting were converted into ashes. The loss is about $300; no insurance. The property was completely destroyed before the department was able to reach the scene of the blaze.

The Elevator Disagreement.

The question as to what kind of an elevator the county shall have in its part of the building is still an unsettled proposition and may remain so for some time. Selectman Geddes favors an electric one, while Selectmen Roberts is certain that a hydraulic elevator is the best. These conclusions were arrived at while the selectmen were on their eastern inspection tour and have been published above their return. The settlement will depend upon Selectman Christopherson. The colleague with whom he shall vote will succeed in getting his kind of an elevator put into the building.

Three Million White Fish.

The following is self-explanatory:

WASHINGTON, D. C.,
Feb. 24, 1896.

A. Milton Musser, Esq., Fish and Game Commissioner, Salt Lake City, Utah.

Dear Sir:—I am in receipt of your letter of February 20th, in which you advise me that arrangements have been effected through E. Dickinson, Esq., general manager of the Union Pacific company, to haul the U. S. fish commissioner, car No. 8, and crew of five men from Chicago to Salt Lake City and return free of charge.

Also that transportation would be furnished by the Chicago and North Western on application at the office in Chicago.

On receipt of your letter, as you did not advise me to whom we should apply at Chicago for transportation, I wired you to save the transportation promptly provided by H. S. Johnson, U. S. fish commissioner, car No. 8, Sandusky, Ohio.

This action I deemed necessary as I did not wish to take any chances on the car being delayed in Chicago, as it might result in the loss of the entire lot of eggs. Mr. Johnson will be instructed to wire you in advance of his arrival in Salt Lake, so that you may arrange for the immediate transfer of the car to the point where the eggs will be hatched. I expect to send about 3,000,000, which with the plant made in Utah lake last year will be the means of thoroughly stocking these two lakes. Yours truly,

M. DE RAVAYEL,
Assistant in Charge Division of Fish Culture.

Suit for Damages.

The case of J. M. Thomas vs John H. Baller came up for hearing before Judge Street yesterday afternoon in which the plaintiff sought to recover $512 damages for alleged wrongful conversion of machinery. After hearing the testimony his honor took the case under advisement.

Trouble Over a Bond.

The case of William T. Rose vs William Littlefield came up for hearing in Judge Street's court yesterday afternoon. The plaintiff alleges that on April 15, 1892, the defendant wrongfully broke open said bank of Rose's store and stole $1,000 in money and $1,000 worth of goods. The defendant claims that he was not guilty of the charges and that he was only acting as a constable in the discharge of his duty.

Firemen Suing Again.

The law firm of Powers, Straup & Lippman has begun proceedings against the city in a series of suits that are to follow, the plaintiffs being members of the fire department seeking to recover their pay for the time they were suspended. These filed now is on behalf of E. P. Mowers. The plaintiff alleges that there is due him salary from June 22, 1894, to May 25, 1895, at the rate of $60 a month, amounting to $240 all told, that in June, 1894, he was, by the defendant, wrongfully and unlawfully compelled to pay $27 for medical examination, and he therefore prays judgment for $275.46.

The other suits which it is said are to be brought are on behalf of Firemen Gilbert, Clark and McLellin and their claims are each in excess of that of Mowers, so that with interest the total claims against the city on this score, and which, according to the ruling of the Supreme Court, are valid, will amount to nearly $5,000.

Old Indictment Dismissed.

In Judge Higgins's court at Bowery yesterday, the long pending indictment against John M. Higbee, for alleged participation in the Mountain Meadow massacre, was dismissed. The motion to that end was made by David H. Morris, prosecuting attorney for Washington county, and was supported by J. G. Sutherland, S. A. Kenner and John W. Christian, counsel for Higbee, and a petition from 300 citizens of the State.

Skipped Once More.

Last week a report was in circulation that Lawrence Napier, the noted school contractor, had "skipped," says the Tempe, Arizona, News. Some believed it but many did not. He went out on last Friday night's train, telling some of his friends that he was going to Tucson on business, and that from there he might go on to El Paso to see the big fight. A letter received from him Sunday morning has set at rest all doubt. The letter stated that he had left the country for good. On leaving our peaceful village he also left a lot of unpaid bills amounting to several hundreds of dollars and the holders of them are out and injured. The reason is assigned both at Lorin's as it is said he left Salt Lake City in a similar manner. It is hoped for the sake that the country be big and growing for if he can't go he don't intend to live here, he tells us. Live and long he can find new pastures.

Old Folk's Day in Arizona.

LAYTON, Graham Co., ARIZONA,
Feb. 23, 1896.

To the Editor:

The second annual meeting of the Old Folks in this place was held at the Layton ward meeting house yesterday, Feb. 22, at one o'clock p. m., where a large table the entire length of the house was filled to its utmost capacity with good cheer, everything this earth would afford was present over the age of fifty-five years were seated to as nice a dinner as ever used to set before a king; and there were quite many present. The tables were loaded to the utmost and worthy poor. A nice program was given of songs, speeches and recitations, and all present had a very happy time. Bishop David Layton, of East Bench, Utah, gave a few encouraging words to the old and young people on this occasion. The names of all the old folks that met at this place one year ago will be kept on record, the first name on the list is P. C. Merrill, of Mormon Battalion fame, of which organization but few are now living that crossed this country when Arizona was Mexican soil. As the Twenty-second of February is selected as old folks day at this ward, it is to be hoped the good people of this place may never tire in their endeavors to make it a happy and enjoyable occasion. The committee of arrangements are W. J. Facer, H. F. Peel, J. Merrill.

Yours truly, A. B. PACKER.

FESTIVITIES AT PAROWAN.

Washington's Birthday Celebration—A Wedding Reception—Weather, Etc.

PAROWAN, Feb. 24, 1896.

To the Editor:

On the 22nd inst. the Parowan people celebrated the 163 anniversary of the birth of the good and great George Washington, commencing at 10:30 a. m., an excellent speech was delivered by Rev. Mr. Lowrett, minister of the Presbyterian church at this place, he argued that doubtless in those days, many had military skill equal to Washington, but in him was combined goodness with greatness, so much so that the whole nation could trust him implicitly, and their trust was not in vain. It should be the desire of all to follow such a grand example. A song by Miss Ada Orme, Our Grand Country Colored Ground, gave much satisfaction, also one by Dandie Alpine McKnight, entitled to the chorus to the chord entitled "Washington and Lincoln," was finely and feelingly rendered. A sentiment "Our Flag," was fittingly and eloquently answered to by Lt. H. Watson. Other speeches were made and songs sung, all tending to keep green in our hearts the memory of the great man whose birthday we were celebrating.

A notes event took place at 5 o'clock p.m., it was a grand wedding reception for Joseph F. Mulvaney and Lucy Isabella Durham, who had just returned the evening before from the Manti Temple, where they were married on the 14th inst. The young couple were born in Parowan and from their childhood up have maintained most excellent characters, the groom is one of the Stake presidency of the Y. M. M. I. association and teacher in the Sunday school theological class, also a graduate of the law school of the university of Michigan. The bride is the daughter of Professor Thomas Durham, of this place, she is a good musician, a fine singer and is organist of the Sunday school choir. While the reception was going on an orchestra played very softly and sweetly, and as each member of the company came forward warmly shaking hands with the bridegroom and bride, blessings and best wishes without stint were showered upon them. There were speeches and songs, instrumental music, etc., after which a fine repast was served and soon the proceedings closed, no presents being received or allowed to be accepted.

The weather here at present and for the last six weeks has been all that could be desired, beautiful and lovely beyond degree, no snow in the valley and very little in the mountains; yet the farmers are not busy for at last accounts a great shrinkage in the number of acres to be sown and they are exceedingly depressed in spirit. But we live in hope, as there is plenty of time between now and the latter part of next May for a great amount of snow or rain to fall. LYLE.

In a recent editorial the Salem, Oregon, Independent says: "Time and again have we used Chamberlain's Cough Remedy and never without the most satisfactory results. Whenever we see a person ill and with a cold or cough or cold, we invariably advise them to get Chamberlain's Cough Remedy and when they do, they never regret it. It always does the work, and does it well." For sale by druggists.

The exposure to all sorts and conditions of weather that a businessman is called upon to endure in the course often produces severe colds which, if not promptly checked, result in dangerous throat troubles. Mr. J. O. Dayton, ex-manager of the Fort Gregg Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store and that he has himself used the remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and gives a prompt recovery. For sale by druggists.
