Venality.

CHICAGO, 31.—It is alleged that several members of the Common Council will be indicted for having sold their votes during the recent election of architects for the new court house; the matter is now under consideration.

Moulton Can't Be Found.

NEW YORK, 31.—A special messenger was sent to Narragansett Pier to see Frank Moulton, but failed to find him.

Mr. Shearman, in an interview to-day, said, "I have talked with Mr. Moulton on this subject, he has nothing to say that will hurt Beecher. It is for the interest of Frank Moulton that Frank Moulton does not speak. Moulton held very peculiar relations with Tilton. His testimony will not hurt Beecher's case. I know what Mr. Moulton's testimony is, and wish he would speak."

The Investigating Committee in Session.

The Beecher investigating committee resumed its session this evening. Shortly after eight o'clock Mr. Hill entered the house accompanied by a lady closely veiled. About half past nine a carriage drove up to the door, when a young man jumped out and ran rapidly up the steps of Storrs' residence, in which he disappeared. In a few minutes he came out again and entered the vehicle, and was driven rapidly away. In about half an hour the same carriage returned and a gentleman jumped out and rang the door bell. On the door being opened he spoke a few words to the person who opened it, and came back to the carriage. A young man who was screening himself in the carriage then came out, and stated that he was a messenger from Victoria Woodhull and Tennie C. Claflin, to the committee, and had been sent to know from that body if their testimony was required, but they informed him that the committee did not desire to examine them. He handed the reporters a copy of his communication, which was as follows:

"Brooklyn, Friday 31.

"To the Investigating Committee:

"Gentlemen, my communication of a few moments ago is before you, and having it, as you have, it becomes me to insist, so far as I can, upon a more satisfactory reply to its contents. The parties I referred to are in this city with their documents. Do you want either? If you do, send me word. I wait your pleasure in a carriage at your door."

After this had been copied by the reporters both gentlemen reentered the carriage, which was driven rapidly away. The committee adjourned a few minutes before midnight, when the lady came out surrounded by the members of the committee, and was taken to the residence of Mr. Ovington, from which it was inferred that the witness was Mrs. Tilton.

Consolidation of European News Agencies.

The European news agencies, including the Reuter Telegram Co., London, and Havas, Lafite & Co., of Paris, have been amalgamated under arrangements made between them for a long term of years, and the agency of the former company here will hereafter be known as the United States Agency of Reuter & Havas, London and Paris. The business of the Reuter Company, which has hitherto embraced the European, Asiatic, African and Australian combination of news and the commercial affairs of the United States, the West Indies, Central America, Mexico and Canada, has, since the completion of the South American cable, been extended to Brazil, the Argentine Republic, Chili and such other nations of South America as are in telegraphic communication with the rest of the world. The consolidated companies announce that they will hereafter deliver all commercial messages entrusted to their charge to all parts of the world.

Statistics of the Silk Trade.

The Silk Association reports that the total value of silk manufactures landed at New York in July was $2,128,234, of which $1,857,552 was thrown upon the market. Raw silk received at New York, from June 26th to July 30th, was 294 bales and cases.

Cleveland Races.

CLEVELAND, 31.—This was the last and most successful day of the meeting. Fully ten thousand people were present. The weather was very pleasant. The first race was for a purse of $3,500, $2,100 to the first, $875 to the second, and $525 to the third. Ten started. "Kansas Chief" won; "Jas. Howell, Jr.," second, "Fleety Gold Dust" third; time, 2,27½, 2,24½, 2,26, 2,30½. The next race was for a purse of $6,000; $3,600 to the first, $1,500 to the second, and $900 to the third. Seven started. "Nellie" won in the last three of five heats, "Gloster" second, "Red Cloud" third; time 2,20½, 2,20, 2,21½, 2,25½, 2,25½. This was the most exciting race of the meeting. It is estimated that a hundred and fifty thousand dollars changed hands on its result. The last race was a two mile dash, for a purse of $1,200; $720 to the first, $360 to the second, $180 to the third. Eight started. "Jack Frost" won, "Granger" second, "Bill Wiggins" third, "Lady Washington" fourth.

Morton Opens the Campaign.

TERRE HAUTE, 31.—Senator Morton spoke to an immense audience at the Opera house to-night, opening the Republican campaign with a spirited speech; he was received with marked evidence of approval by the audience.

The Relief Fund—133 Bodies Recovered.

PITTSBURG, 31.—The subscriptions to the relief fund amount to $90,000. The total loss of life is 133 persons so far as known. The work of clearing up is progressing rapidly, and additional bodies may be recovered.

The Situation at Vicksburg—Bonds to be Paid—A Decision Affecting Railway Companies.

WASHINGTON, 31.—Gov. Ames, to-day, telegraphed the President that the condition of affairs in Vicksburg is alarming, that infantry and cavalry organizations exist, and that bodies, armed in violation of the law, assume the guardianship of the peace. The controversy is political. The Democrats, who are white, and the Republicans, who are mostly black, each fear frauds and violence from the other. The Democrats, who are masters of the situation, oppose the presence of troops; he asks, Can there be any serious or harmful results in sending troops there, and will it not be the least of two evils to have troops there in case of an emergency? Secretary Belknap sent the following reply:

"*Hon. A. Ames, Jackson, Miss.*:

"The contents of your dispatch have been submitted to the President. He declines to send more troops, except under a call made strictly in accordance with the terms of the constitution."

The Secretary of the Treasury will issue, to-morrow, a call for twenty thousand coupons and five thousand registered bonds, to be paid at the Treasury on the first of November. They are of the series of the date of May 1st, 1862. The total amount to be paid is twenty millions of dollars in coupons and five millions in registered bonds.

In reply to an interrogatory by the Secretary of the Treasury, the acting attorney-general has decided that a railroad existing in contemplation or unfinished is defined and identified by its track and termini; if, therefore, a land grant has been made to the company to aid in the constructing, in whole or in part, of the road between certain termini, upon condition that it lies between the termini mentioned, more or less, any subsequent change of the termini will not affect the original application or condition.

Marine Disaster.

BOSTON, 31.—The harbor steamer *John Rollen* struck and sunk at Long Island head this afternoon; the boat contained three men, unknown, all of whom were drowned.

Nominated.

CHEYENNE, Wy., 31.—The Republican convention at Laramie City, yesterday, nominated unanimously Hon. J. M. Carey for Delegate to Congress.

$40,000 Fire.

DETROIT, 31.—Williams & Bros.' steam saw mill, at Saginaw city, was burned last night; loss $40,000, insurance $30,000.

Railway Accident.

ALBANY, 31.—While the Sharon express was coming from Sharon to-day, to Cobleskill, on the Cherry Valley branch of the Susquehanna railroad, a car was thrown from the track and turned over, and about thirty passengers in the car, half of whom were more or less bruised, but not any seriously injured; the accident was caused by a depressed rail.

FOREIGN.

GREAT BRITAIN.

Goodwood Races—Base Ball.

LONDON, 31.—This was the fourth day of the Goodwood races. The principal event was the Chesterfield cup, three years old and upwards. The race was won by "Datham," "Blankhoolie," second; "Flower of Dorsett" third.

The attendance at the "Redstocking" and Atletic" game of base ball, to-day, was very slim, owing probably to the bad weather. The "Red Stockings" won, 23 to 18.

Temple Bar—Loan for the Carlists.

Travel has been resumed through Temple Bar, that structure having been propped up and declared safe.

Le Temps reports that subscriptions for a loan of six million dollars for the Carlists have been commenced, and that out of the proceeds so far realized, two millions were forwarded to Spain to-day.

Spain's Arraignment of France.

MADRID, 31.—The *Imparcial* makes the following specifications in the complaint against France: "Arms bearing the royal initials of Don Carlos have been publicly sold at Bayonne; a manufactory at Bordeaux has been allowed to undertake contracts for supplying the Carlist army with boots and shoes; the Duchess of Madrid, wife of Don Carlos, has been suffered to reside at Paris without being disturbed; the demand for the extradition of Sevalles, on account of various criminalities, was refused by France and his return into Spain not prevented; the Prefect of the Department of the Lower Pyrenees, who promoted the public entry of the Carlists into Spain, is still retained in office; a thousand armed recruits for the Carlists have crossed the frontier, and finally, two cargoes of arms from France have been landed for the Carlists."

FRANCE.

Speech by Gambetta—Motion for Recess Carried.

PARIS, 31.—In the Assembly, today, the question of a recess came up for debate. Gambetta made an important speech, professedly against the prorogation of the session, but really in favor of the republic. The prorogation, he said, was simply intended to conceal the impotence of the Assembly which, although it arrogated constitutional powers, had done nothing, but successively reject all known forms of government. The Right was responsible for whatever might happen. The organization of a septennate was as impossible as a monarchy. He made a powerful appeal for the establishment of a republic, which would give peace and union to France, and concluded by demanding that the state of siege be raised. The speaker was tumultuously applauded by the Left.

During a subsequent debate the Marquis De Froucllcu, a legitimist, declared that he considered it his right and duty to do everything in his power to re-establish the monarchy. This caused great excitement, and the Left called for the voice of the government on the subject.

Gen. De Classey, Vice-President of the Ministerial Council, replied that the government would seek with firmness and impartiality to make its powers respected by all parties.

The motion to raise the state of siege was rejected, 282 to 366.

The motion to adjourn on the 6th of August, until the 13th of November, was finally carried by a large majority.

LOST.

ON THE 30th INST., A MEDIUM SIZED COW, about seven years old, branded on both hips, dark red head and neck, balance light yellow, point of horns cut, bell and strip around neck, gave milk on the near fore quarters. The finder will be rewarded by returning her to
