

tempting to turn our right flank with built by the Union Iron works of San considerable forces, but several bat-Francisco talions of reserves advanced, and after a fierce engagement, checked the Japanese and compelled them to retire. The Jamesport, Mo., 'Aug. 31,-Senator Fairbanks, the Republican nominee for battle continued until after dark, and Fairbanks, the Republican homme to vice president, arrived on his way to Marin, Kansas today. He came in on a special train over the Rock Island road, and was heartily greeted along the route. At Trenton the county sent only ended at 9 p'clock.

"The spirit of our troops is excellent. The men are rejoiced over the news of the heroic behavior of the garrison at Port Arthur, the repulsing of Japanese attacks, which has been communicated to them.

"Our losses today have been considerable, reaching about 3,000. The Japanese losses must have been heavy."

LIAO FILLED WITH JOY.

Liao Yang, Tuesday, Aug. 30, (8 p. m.) -(Delayed in transmission.)-The town has been filled with joy owing to a report that the Russians took 46 cannon today.

He responded promptly, saying that he had nowhere seen greater interest manifested in the campaign than at that point, and adding: "If the American people take to their homes and their firesides the great public questions there can be no possi-ble doubt that the verdict to be ren-dered will be rendered in their interest and in the interest of our common country. If Missouri shall take counsel of her highest and best interest she will align herself with the hosts of Re-publicanism." The Japanese assault on the Russian center was desperate in the extreme. The Japanese losses were very great. The attack was sustained mainly by the Eighth Siberian regiment. The fighting at Wafango can not be compared with what occurred today. Shells shricked over the town from early morning, People who occupied positions on house tops had a magnificent spectacle. The rain has begun to fall.

AWAIT NEWS FROM FRONT.

St. Petersburg, Aug. 31 (9:08 p. m.).-The great anxiety here for news of to-day's battle had not been relieved at this hour. No press or private disthis hour. No press or private dis-patches giving details of the fighting have arrived, and the information giv-en out is that the wires are probably considered messages. It is posien out is that the wires are probably busy with official messages. It is posi-tively stated, however, that the emperor this afternoon received a telegram from Gen, Kuropatkin, but the contents can-

on the Union Pacific. Hunning at full speed the engineer saw an obstruction and saw a man teaving the bridge. He brought the train to a stop before any damage resulted further than to raise one truck off the track. A new pilling was found todged under the engine. It is the second attempt of the kind in the same vicinity within 39 days. ot be learned. The general staff does not doubt that the losses vesterday sides, but the staff declares that in the absence of direct information the fig-ures mentioned are largely guess work. hands.

New, York, Aug. 31.-Secy. Urey Woodson of the Democratic national committe, has received a letter from William J. Bryan, in which Mr. Bryan says he will be at the disposal of the Democratic normalized for committee Democratic committee for campaign purposes during the month of October. Mr. Bryan indicates that he would prefer speaking in the west, mostly in Indiana

Chairman Taggart says that the committee has not yet taken up the sub-ject of Mr. Bryan's itinerary and it is ject of Mr. Bryan's itinerary and it is not known whether he will speak in the eastern states, although there have been several requests from different lo-calities that if Mr. Bryan enters the campaign he should make one or two speeches in Connecticut and New York.

STILL THEY COME.

Six More Trainloads Knights Templar Arrive in City.

Six train loads of eastern Knights Templar arrived from the east this morning and noon, over the Rio Grande coad. These included Illinois, Iawo, Ohio and other delegations. The Illinois grand commandery is perhaps the most notable body, and is officered by Right Eminent Maj. H. G. Purinton, past grand commander; William L. Sharp, past grand commander of No. 59, and Sir Knight H. E. Cobb. There are 42 persons in this particular matrix are 43 persons in this particular party; but associated with them is the Ottawa, Ia., delegation of 47 people. They reg-istered at the Knutsford, but remained in town only during the day. Early in They reg afternoon, the streets were filled with uniformed strangers.

WANT BRIDGES.

Emery County Residents Complain of Listlessness of County Commissioners.

Parties from Emery county complain with some bitterness against their county commissioners because of the neglect of the board to look after the The commissioners live in difroads. The commissioners live in dif-ferent parts of the county, and it is

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous cruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat, these eruptions with drying medicines is dangerous. The thing to do is to take

Hood's Sarsaparilla and Pills

Which thoroughly cleanse the blood, expelling all humors and building up the whole system. They cure Hood's Saraaparilla permanently cured J. G. Hines, Franks, Ill., of eczema, from which he had suffered for some time: and Miss Alvina Wolter, Box 212, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled There are more testimonials in favor of Hood's than can be published. Hood's Sarsaparilla promises to cure and keeps the promise.

Utah's gold output for 1903 was 277,-"Utah has enough coal to supply the Inited States for 500 years." "Utah ranks first in production of L'tah's output for 1903 was 17,-425,694 ounces.

'Utah's mines have paid \$70,000,000 in dividends. "Utah's mines in 1903 paid \$5,000,000 dividends. In 1903 they produced \$26,-467.000.

FAMILY REUNION.

Descendants of Charles Lambert Honor

His Anniversary.

A merry throng assembled in the Seventh ward meetinghouse last night on the occasion of the annual reunion of the descendants of the late Charles Lambert, on the eighty-eighth anniversary of his birth. An interesting program was rendered, including voprogram was rendered, including vo-cal and instrumental music, recitations, etc., Stake President Wm. McLachlan offered the opening prayer, after which Chairman Geo. C. Lambert gave an address of welcome, and Elder Wm. Blood who had known Father Lambert longer than anyone else present, related in-cidents in his early life. Patriarch Wm. Thorn and others also spoke of their Thorn and others also spoke of their acquaintance with Charles Lambert. During the serving of light refresh-ments, appropriate toasts were given by the children, grandchildren, and great-grandchildren. A census of the reseendants of Charles Lambert showed 19 children, \$4 grandchildren, and 30 great-grandchildren, of which a total of 111 are now living.

BACK FROM MISSOURI.

Church Workers Visit Adam-Ondi-Ahman and Other Places.

Joseph F. Smith, Jr., has just returned from a trip east, his travelstaking him to Independence, Gallatin Adam-ondi-Ahman, Far West and other points of interest in Missouri. The gentleman was accompanied by President L. W. Shurtliff of Weber stake. Director General Whitaker of the Utah exhibit at the World's Fair, the Utah exhibit at the works Fair, and James G. Duffin, president of the Central States mission. The points visited figure prominently in Church history and were full of interest to the entire party. Considerable important data were secured and a number of that once were taken showing scenes that once were familian to many of the early-day Latter-day Saints.

GOOD CONFERENCES.

Elders Smith and Wells Enjoy Themselves in a Trip North.

Elders George A, Smith and Rulon S. Wells returned this morning from a trip north, after having attended conferences at Driggs, Ida., and Jackson's Hole. They report a most enjoyable time and state that some 60 or 70 people went with them from Driggs to Jackson, where they established a camp and caught an abundance of fine The meetings were well at rout ended and an excellent spirit prevailed throughout.

POSTMASTER FOR BLUE ACRE.

COUPLE ELOPED.

County Clerk Asked to Look Out for Grantsville Parties.

Word was received by County Clerk James yesterday afternoon from Grantsville instructing him not to issue a marriage license to a Mr. Dunn and Miss Edith Wrathall should they apply for one, as the young lady is of unsound mind and her guardian objects to her marriage. The guardian tele-phoned the county clerk that the couple had eloped from Grantsville and he thought they were coming to Salt Lake to be married. Up to an today the couple had not peared at the clerk's office for a lice noor dB nd it is expected that the guardian of the girl has located them by now as came to this city last night looking for them.

POSSE AFTER ZIGICH.

Sheriff Gets a Tip That Murderer is Hiding in Canyon.

ocraistent rumors have been received at Sheriff Emery's office recently to the ffect that Marko Zigich, who is wanted for the murder of William Farro at Murray several weeks ago, has been in hiding near the mouth of Little Cottonwood canyon and that he has been supplied with food by his Austrian friends who had

with food by his Austrian friends, who had been seen carrying food to him. It is claimed that Zigleh was seen in that vi-cinity on last Sunday. Accordingly, Sheriff Emery, Deputy Sheriffs Steele, Cowan and Sharp went out to the canyon this morning on a hunt for the man, They were armed to the teeth, and if there is anyone out there who resembles Zigleh he will be cap-tured. It is thought that it is very improb-able that Zigleh would stay in this coun-try so long after the crime, and hence the officials do not anticipate finding him in hiding in the canyon or any other place within the county.

HOME FROM EUROPE.

Dr. Stauffer Returns After an Absence Of Three Months.

Dr. Fred Stauffer and wife and Mrs. S. H. Leaver, who have been absent for three months touring Great Britain and Continental Europe, returned this morning after having had a most en-

joyable time. They were accompanied in their travels by ex-Marshal Glen Miller and family, who will return in about two weeks.

While away the party visited Eng-land, Scotland, Holland, Berlin, and then down the Rhine and back up to Switzerland, then to Paris and back to London and Liverpool. En route home they took in the world's fair, with which they were very favorably im-pressed. The doctor says he was amazed with the bigness of the exposition and states that good meals can be had there for less money than in either

Paris, New York or Chicago. Dr. Stauffer was greatly interested in Holland and north Germany, on ac-count of its being his first trip to those sections. While the tour was largely count of its being his first trip to those sections. While the tour was largely for pleasure the doctor availed himself \$12,000 to \$15,000.

natism.

Ralph Savage has gone to Twin Falls o do some extensive photographing for he local Land & Water company. It s the intention to make of the new city very extensive affair.

The local lime kilns are turning out a good article of lime at the rate of 1,300 bushels per day, with cost at 25 cents. The demand is steady and promises to increase.

Prof. ApMadoc will be the special guest of the occasion at tomorrow's Tabernacle organ recital, as Prof. Oli-ver Willard Pierce of Indianapolis was the special guest at some the special guest at yesterday's recital

The law and motion calendar for the September term of the United States court will be called on Tuesday next, instead of Monday, as the latter day is Labor day and a public holiday.

There is complain from frequenters of City Creek canyon of the automo-biles which came chasing down the roadways at the rate of 20 and 30 miles an hour. They frighten horses, and eccasion a good deal of confusion.

William Wing, a prominent Lehi liv-eryman, is in the city today on a busi-ness trip. He reports the prospects of a great sugar beet crop as very prom-ising, and that about every man who has some into beet raising has a plan In his house.

The conduit men have begun work on the Federal building, and the gen-eral contractor hopes now to begin to put in fleers and terra cotta partitions in two or three weeks. The building now makes a very imposing appearance from the street.

Prof. ApMadoc's song recital and art talk will be the big feature at the Sixteenth ward meetinghouse tomor-row evening. Mrs. Gwendelin Lewis Little will be his accompanizi and Miss Esther Davis will render a duet with bits. The professor eavy big trib him. The professor says his trip through the west has been one of the most delightful journeys of his life.

The consolidation of the Sixth street and the east Fourth South street lines goes into effect tomorrow morning, when cars will run continuously from North Temple streets to north State and North Temple streets, down East Tem-ple street to Fourth South, and thence east to Ninth East street, and south to Sixth South street. The cars will no longer run on State street.

There will be civil service examinations in this city Sept. 28, for the po-sition of assistant superintendent of construction, quartermaster's depart-ment at large, at \$900 per annum, Fort Sam Houston, Texus, or at Fort Mott, N. J., also, for the position of copper plate map engraver, in the geodetic survey, at \$700 to \$\$00 per annum; also, for position of constable in the Indian service at Osage agency, Oklahoma, at \$720 per annum;² also, for position of mate, quartermaster's department at large, at \$960 per annum; also, on Oct. 13, for the position of scientific aid, department of agriculture, at \$480 per annum. Applicants for this last posiion must be college graduates.

Prof. Clare Reid, organist of the Provo Tubernacle, and wife, are in the city for a day or two, preparatory to removing to Boston, where Prof. Reid will take a special course of study in the New England Conservatory of Mu-sic for the ensuing two years. He reports the pleasing intelligence that the money for the new great organ in the Provo tabernacle is practically sub-scribed, and bids have been received from Hutchinson & Votey of Boston builders of the great Newberry organ in Woolsey Hall, Yale university; also, from the Rimbails of Chicago-build-ers of the renowned Salt Lake Taber-nacle organ; from Hooks & Hastings,

The letter amused and irritated Mr Dibson. He smilled at it, and then he rowned at it. Finally, having nothing a do for the next five minutes, he sat down and wrote to the scap manufacturer as follows:

"You are heartily invited to partici-pate in a soap contest that I have in-augurated for a prize \$1.50. Each com-petitor must submit one hundred pounds of his best soap, put up in ornamental one-pound boxes, and all the soap that is not adjudged worthy of the prize will re-main the property of the undersigned. It is necessary that the soap be for-warded prepaid." You are heartily invited to partici-
