ON THE RACE TRACK.

Favorites Took Three Events at Oak- land Yesterday Afternoon.

San Francisco, Dec. 1.—Favorites took
three of the races at Oakland today and
the other winners were not neglected in
the betting. One of the closest races of
the season occurred in the last event
when Davis landed Nigrette up in time
to win by the shortest of noses from An-
drew B. Cook, who opened up a gap of
four lengths in the early stages. Red
Cross Nurse, an 8 to 1 chance, led all
the way in the mile race, beating Ishiana,
the favorite, by less than a length. Result:
First race, five and a half furlongs,
selling-Alhemaric won, Battlor second,
Blodden third. Time—1:39.
Second race, Futurity course—Lillieus
won, Jerusha second, Indicator third.

Third race, five and a half furlongs,
selling-Bell Reed won, Pickaway second,

Fourth race, one mile, selling—Red

Sensational Finishes.

Los Angeles, Cal., Dec. 1.—The finish in
the fourth race at Ascot park today was
the feature event on the card, a free
handicap for 2-year-olds and upwards, at
a mile and a sixteenth. Flo Bob was the
favorite at 9 to 2. Princess Tulane at
10 to 1, and Elbe at 10 to 1. William Wright
was also in the race, but did not figure
in the running to any extent. Elbe set a
terrible pace, but in the stretch Princess
Tulane and Flo Bob closed up on him
and in a mile, the finish was a close
one. The crowd was in doubt as to the
winner until the judge hung up Princess

Your Pulse.

Feel It Once a Week
To See In What
Condition Your
Heart Is.

If your pulse beats too fast, or too
slow; too strong or too weak; or too
irregular; 'tis a sign of a weak heart.
Refresh it with Dr. Miles' New Heart
Cure.

The healthy pulse of a grown person
should average 70 to 80 beats a minute.
The beats should be regular pulsations—
not too weak to be easily felt, not so
strong as to be felt without some pres-
sure of the skin.
You may not feel particularly sick,
but any day, if your heart is weak, you
are liable to some sudden seizure,
heart-pang, fainting, weak or smother-
ing sleep, a sign of real danger.
Do not wait for such a moment to
come, but treat your weakened heart
and circulation with a safe and efficient,
modern, scientific specific remedy, such
as Dr. Miles' New Heart Cure, which has
proved itself to be—
It is a wonderful heart and blood tonic
and will make the blood rich and the
heart strong. It will do you good by
strengthening and building up the ner-
vous system and circulation.

"For years I was troubled with pains
around my heart, shortness of breath,
palpitation and fluttering of the heart,
and at last, after trying all kinds of
remedies, I was cured by Dr. Miles' New
Heart Cure. It is a wonderful heart and
blood tonic, and will make the blood rich
and the heart strong. It will do you good
by strengthening and building up the ner-
vous system and circulation."

THIS WOMAN KNOWS

WHAT ONE OF THE SEX DISCOVERED TO
HER GREAT JOY.

Mrs. De Long Finds that the Indescribable
Taste of the Pink Pills Can Be Cured
Through the Blood.

Mrs. De Long's recovery from rheu-
matism has aroused considerable inter-
est because it occurred as the result
of an independent course of treatment
which she pursued in accordance with
a theory of her own. When interviewed
on the subject of her illness, Mrs. De
Long said:

"I was in bed half the time, suf-
fering from pain that cannot be de-
scribed to one who has never had rheu-
matism. It would concentrate some-
times in one set of joints."
"Just what do you mean?"
"Why, sometimes it would be al-
together in my feet and then I could not
walk. At another time it would be all
in my elbows and wrists, and then I
could not even draw the covers over my
body. Whether the pain was in my
ankles, knees and hips, or in my wrists
and elbows, it caused me extreme suf-
fering. The doctor gave me no relief,
and I finally decided to get on without
him."

"I did a great deal of thinking, you
may be sure. I happened to have a
brother-in-law who had used Dr. Wil-
liams' Pink Pills, and who was a per-
fect enthusiast on their value as a pur-
ifier of the blood. What he had said
came often to my mind in connection
with the thought that rheumatism is a
disease of the blood. I decided that if
Dr. Williams' Pink Pills are so good
for the condition of the blood in gen-
eral, they must be good for rheumatism
too."

"As my sufferings continued unrel-
ieved it was necessary for me to do
something, so I decided to give Dr. Wil-
liams' Pink Pills a trial, and to see
whether they would not drive the mis-
chief out of my blood."
"How did the experiment turn out?"
"It was a complete success. Two
weeks after I began to use Dr. Wil-
liams' Pink Pills, they showed what
they were capable of doing by giving
me the very first relief I had found in
all my illness. I kept on using them
until I was entirely well."

"How long was that?"
"I was really cured by the time I had
taken six boxes, but to make perfectly
sure I continued to use them for about
two weeks longer and then I stopped al-
together. The benefit has lasted and
for several years I have had no occa-
sion to use them for myself, but I am
constantly recommending them to oth-
ers."

Mrs. De Long lives at No. 169 west
Broadway, Council Bluffs, Iowa. Her
experience with Dr. Williams' Pink
Pills establishes the fact that im-
provement begins very quickly, and
that a cure once accomplished is
thorough. This is due to the wonder-
ful change which these pills effect in
the blood. They really make new blood
and cure not only rheumatism, but all
disorders of the blood or nerves. They
are sold by all druggists.

nose, which was a head in front of Elbe.

itanazo third. Time—1:37.

and a half mile—Princess Tulane won, Flo
Bob second, Elbe third. Time—1:49.

Lady Simpson Sold.

Phoenix, Ariz., Dec. 2.—J. C. Adams
of Phoenix has sold to William Simpson of
Cuba, N. Y., Lady Simpson, the dam of
Sweet Marie, the trotting mare. Simpson
recently bought McKinney, the sire of
Sweet Marie for \$50,000.

Ted Sloan's Case.

Paris, Dec. 1.—Advocate-General Blondet
today submitted to the court of appeals
his opinion that the lower court had erred
in giving a judgment favorable to Ted
Sloan, the American jockey, against the
Jockey club. The opinion says the club is
the exclusive judge of discipline within
its precincts. This opinion forebodes
the judgment of the court of appeals
which was postponed for a week.

The court of appeals at Paris Nov. 17
began hearing the appeal of the French
Jockey club, against the decision of the
lower court favorable to Ted Sloan in
the suit for \$40,000 damages which the
Jockey brought against the club for being
drained off the turf in connection with
Jose de Mai's winning the Prix de Diane
at the Chantilly races in May, 1902.

HART AFTER JEFFRIES.

Big Fellow Says He is Willing to Meet
Any White Man.

Jack McCormick, manager of Marvin
Hart, the Louisville heavyweight, an-
nounces that he is after the scalp of
Jim Jeffries, champion of the world. Mc-
Cormick has this to say:
"I have talked Marvin into waiting
the color line in the case of Jack John-
son, and negotiations are now under way
for a match between Hart and Johnson
before a San Francisco club. It took a
long time for Hart to consent to a match
with a colored man, as he has the south-
ern prejudice, but now he is willing, as
he sees a chance of getting a match with
Jim Jeffries after he puts Johnson out
of the way."

"Hart has been offered a purse of \$5-
00 by a Philadelphia club for a six-
round, no-decision bout there New Year's
day, and will accept it gladly if there
is a chance of getting Jeffries to come
on. I think there is a poor chance of
making the match."

"In the meantime we would like to
know why John White does not keep his
promise and match with Hart before the
Blue Island club. He promised me
before I left Chicago that the match
would be made to a certainty, and the
club managers offered terms, but now I
cannot hear from him. I learn that
White is talking of making Hart do 175
pounds. This is out of all reason, as
Hart has turned out to be the biggest
kind of a fellow and will make weight for
nobody."

"What do you think of Hart?"

"A 'News' reporter asked Jeff at the Ken-
yon hotel.
"Oh, he is a big, strong young fellow,
and I believe he is a good man. He is im-
proving right along and should be able
to give a good account of himself."
"Would you fight any white man
living if I can be convinced that my op-
ponent will draw well. I have dropped the
game for the time being because there
is no one to fight me who I think would
draw, and, of course, I don't want to fight
for nothing. I won't fight Johnson be-
cause he is a colored man, and he would
not draw enough to pay training ex-
penses, anyway."

"I hear you are developing some big man
down in Texas. Well, let 'em come as fast
as they want, and the better they are, the
better I will be suited."

BILLY ROCHE TO REFEREE.

He Will be the Boss in the Ring for Nel-
son and Britt.

San Francisco, Dec. 1.—It has been
decided that Billy Roche will referee the
fight between Jimmy Britt and Battling
Nelson, which will take place in this city
on Dec. 10. Roche is a representative of
the two fighters met tonight and the fight
faction asked for Eddie Graney. Todd
Murphy, manager for Nelson, agreed to
have the referee, understanding that should
Graney not accept, Roche would be chosen.
This was satisfactory to all concerned.
It was later learned that Graney
would refuse to act.

MONEY ALL HOURS OF DAY AND NIGHT.

New York Financiers Organize the
First Night and Day Bank and
Safety Deposit Company.

WILL BE GREAT ACCOMMODATION

Travelers Will Use it and Women
Returning from Opera Can De-
posit Their Jewels.

New York, Dec. 2.—Impressed by
the need for an institution where
money may be obtained at any hour,
prominent New York financiers and
commercial men have, it is announced
by the Herald, organized the First
Night and Day Bank and Safe Deposit
company. The names of men promi-
nent in the business and social world
appear on the organization committee
and the capital stock of \$250,000 al-
ready has been subscribed. The concern
also will have a working surplus of
\$250,000.

The plight in which many travelers
of wealth often find themselves be-
cause they are unable to draw cash in
cases of emergency, suggested the or-
ganization of the bank. The trouble
experienced by a well known man who
required \$2,500 before 11:30 p. m.,
started the work of organization. The
man in question had \$27,000 deposited
in one downtown bank but only suc-
ceeded in raising the sum he needed by
the assistance of cashiers in two large
uptown hotels.

Financiers to whom the subject was
mentioned smiled at first, and then on
second thought recognized the plan as
not only feasible, but one which pre-
sented many possibilities of success.
It is likely that Oakleigh Thorne, of the
North American Trust Co., will be
president of the new institution.

The organization committee consists
of Mr. Thomas O. H. P. Belmont,
Frank J. Goodnow, Thomas H. Clarke,
William K. Vanderbilt Jr., John Tomp-
linson, Harry Payne Whitney and
James W. Haysworth.

Among those who have subscribed to
the capital stock are Winthrop Chan-
ler, Charles H. Choate, Frederick Geb-
hard, William Chandler, Charles M. Gel-
rich, Augustus St. Gaudens, Joseph
D. Widener, J. Borden Harriman, Ed-
ward O. Welcott, and Clarence H. Mac-
kay.

All the details of the organization
have not as yet been completed but the
bank probably will be situated near
Fifth avenue at some point south of
Forty-second street, convenient to the
great hotels, restaurants and the theater
district. It will be conducted on the
lines of a state bank and be open
day and night. There will always be
on hand a large emergency fund. In
order to do this it will have at least
two forces of clerks. It will receive
deposits at any time and be prepared
to cash checks for its patrons, no mat-
ter when the bits of paper are pre-
sented.

Fushimi Formally Welcomed.

New York, Dec. 1.—Prince Fushimi
of Japan was formally welcomed to the
city of New York today by the New
York chamber of commerce. President
Morris K. Jessup of the chamber, pre-
sided at the meeting and welcomed the
prince.

The prince spent about an hour and
a half at the chamber before retiring
to his hotel. This evening he witnessed
a performance of "Humpty Dumpty"
at the New Amsterdam theater.

Felton Pleads Not Guilty.

New York, Dec. 1.—Stuart A. Felton,
known as "Big Frank" Felton, who on
Thanksgiving day fatally wounded Guy
Roche, a gambler, and who was indicted
before Judge Foster in general sessions
and pleaded not guilty. He was re-
manded to the Tombs. It is shown
that Felton acted in self-defense, Dist.
Atty. Jerome will ask for a dismissal of
the indictment.

National Bank Circulation.

Washington, Dec. 1.—The monthly
statement of national bank circulation
shows that at the close of business
Nov. 30, 1904, the total circulation was
\$406,679,075, an increase for the year of
\$39,572,096, and for the month of \$3,
397,575.

The circulation based on United
States bonds was \$427,047,565, an in-
crease for the year of \$44,929,021 and for
the month of \$3,416,524.

The circulation secured by lawful
money amounted to \$32,731,570, a de-
crease for the year of \$5,356,925 and for
the month of \$19,349.

The amount of bonds on deposit to
secure circulating notes was \$431,075,840,
and to secure public deposits, \$114,275-
650.
