STAKE CONFERENCES.

SAN PETE.

The Sanpete Stake Conference convened at Mount Pleasant August 17th, and the regular two days' meetings were well attended. President C. Peterson presided, assisted by his counselors.

The Mantl North, Ephraim, Spring City, Mount Pleasant, Moroni, Fairview, Chester, Wales, and Indiana wards were represented, and the customary business was transacted. The general authorities of the Church were presented and sustained by the conference, as also the local authorities. The names of thirty-eight Elders and Seventies, of advanced age, were also presented to be ordained High Priests, and sustained.

The speakers, in the order named, were Bishop L. S. Anderson, Presidents H. Beal, J. B. Maiben, and C. Peterson, Elder Alma Greenwood, President S. B. Young, Elder A. H. Lund, President W. H. Seegmiller, of Sevier Stake, and President C. Peterson. A kindly feeling prevailed throughout the meetings.

Conference adjourned to meet in Moroni on November the 16th next.
GEORGE TAYLOR, Clerk.

MORGAN.

The quarterly conference of this Stake convened on Sunday and

Monday, the 18th and 19th inst. There were present on the stand besides the Presidency of the Stake, High Council, Bishops and others of the local priesthood, Apostle John W. Taylor.

The meetings on Sunday were, as usual, well attended. Those of Monday also brought together numerous congregations.

The instruction given during the conference by the local brethren and Apostle Taylor was exceptionally good, and, judging from the interest manifested, highly appreciated. The remarks were spirited and seemed to sink deep into the hearts of the people. Apostle Taylor advised them to pattern after the things of the Lord, and not those of men. The speaker read from the "Pearl of Great Price"—which he testified was revelation from God—in order to show the superiority of the workings of God compared with those of man. He likewise sought to impress upon the minds of all present the necessity for being united temporally as well as spiritually. Many other points were brought out in the course of the address.

The conference closed at 4:30 p. m. Monday by the choir singing an anthem. ALONZO FRANCIS, Stake Clerk.

SAN LUIS.

The quarterly conference of this Stake was held on Sunday and Monday, August 18th and 19th, at Manassa, in the partially completed Stake House. There were present Apostles John Henry Smith and Moses Thatcher, President John Morgan and Elder Geo. Goddard, besides the local authorities of the Stake and a fair representation of the Saints residing in the several wards and branches.

Four meetings were held, during which the business of the conference was attended to, and much valuable teaching given by the speakers. The subjects dwelt upon were numerous, and seemed to cover every station in the life of a Latter-day Saint.

On Sunday evening a Priesthood meeting was held, at which much good and timely advice was given.

After the adjournment of the conference, on Monday evening, a meeting of the Young Men's and Young Ladies' Mutual was held. The encouraging words and advice of Apostle J. H. Smith and Elder George Goddard were greatly appreciated.

The general opinion is that we had a most enjoyable and profitable conference and the majority of the Saints feel like renewing their energies and assisting in the great work of the Lord.

A. R. SMITH, Clerk.
