NOT SURPRISED.—When we consider the little attention which is paid to the laws of health, by the citizens of this country, we cannot be surprised at the indifference manifested by them in relation to the purity of the articles that are used in their daily food. If all articles put upon the market were like Dr. Price's True Flavoring Extracts and Cream Baking Powder this indifference might answer, their perfect wholesomeness would insure us against all evil consequences from their use. When you want a flavoring extract or a baking powder, ask for Dr. Price's, you will soon be convinced that for strength and excellence they have no equal.

NOTICE!
MONEY can be forwarded from Salt Lake City to Liverpool as late as the middle of September for the company that will leave that port on or about the 14th of October, which will be the last company this season.
ALBERT CARRINGTON,
President of P. E. Fund Company.

AT Omaha.—W. C. Staines and party arrived at Omaha yesterday, all well.

FELL DEAD.—On Monday morning a resident of Granite named John Lelonde, a native of Canada, fell down in a fit, at his residence, and suddenly expired.

FINED.—The boy Donovan, who struck Mr. Grenig's little girl on the forehead with a rock, was fined $10. This case should prove a warning to other lads addicted to the dangerous practice of rock throwing.

TOOELE.—A large number of deputy U. S. marshals put in an appearance in Tooele on Saturday, and have been boasting about what they intend to do in using up the "Mormons." The using up of the "Mormons," however, is a very tough and difficult job.

BAD FOR THEM.—The very heavy showers of this morning must have rendered the situation of the "Wasatch" Fire Company excursionists to Lake Side exceedingly uncomfortable, as the storm appeared to extend considerably to the northward.

BUILDINGS SHAKEN.—During the thunder storm this morning there was a terrific clap of thunder, the like of which is not often heard. It seemed to roll directly over the city, and made many of the buildings tremble, as if the ground was being shaken by a genuine earthquake shock.

THE NAVAJOES.—We learn from a telegram received to-day from Kanab, that the Navajoe Indians, who have been for some time troublesome and threatening in the South, are now becoming more friendly, and are about visiting the settlements on a trading expedition.

BEGGING.—Begging among the "Liberals" has commenced to defray the expenses of the illegal proceedings of the Tooele election. They announce that that affair has already involved the Tooele County "Liberals" in indebtedness, but do not state the amount that was paid for illegal votes, by the dozen. The Tooele County tax list shows that fully three-fourths of the liberal votes cast were fraudulent.

ANOTHER POSTPONEMENT.—This morning Mr. Nathaniel V. Jones appeared before U. S. Commissioner Kimball to answer to a charge preferred against him of assaulting and beating one Whittemore, with intent to do bodily injury. Owing to there being no prosecuting attorney or prosecuting witness present, the case was continued until Thursday morning at 10 o'clock.

PREPARATORY SCHOOL.—Misses M. E. and Ida I. Cook, as per their advertisement, will open a graded school in the Social Hall and Thirteenth Ward Schoolrooms to-morrow, to cover a primary, intermediate and high school course. These ladies are well known to be able and accomplished teachers, and parents will do well to take advantage of the opportunity to secure for their children a course of efficient teaching.

MORTUARY.—Sexton's report for August. Males 38, females 31; of these adults 28, children 41. Causes of death as reported: consumption 8; inflammation of bowels 7; fevers 7; brain disease 5; inflammation of lungs 5; apoplexy 4; heart disease 4; effects of injuries 4; teething 3; convulsions 3; killed accidentally 2; paralysis 2; marasmus 2; gravel 1; canker 1; liver complaint 1; old age 1; croup 1; cancer 1; chronic asthma 1; suicide 1; not reported 5; total interments 69.

JOSEPH E. TAYLOR, Sexton.

AGREEABLY DISAPPOINTED.—Last night a large quiet Rip Van Winkle looking man, giving the name of Henry Hansen, was locked up at the City Hall, being much intoxicated. When he was let out this morning he said when he awoke, at an early hour, he had no idea where he was and immediately commenced groaning about for his pocket book, which he couldn't find. When it was returned to him, with its contents, he was profuse in his expressions of gratitude to the police for taking care of himself and his money.

PUBLIC MUSEUM.—With a silver Saxon dollar of 1763, and a pebble, ed pebble from the Rock of Gibraltar, comes the following note from the Superintendent of the Deseret Museum—

"MUSEUM, Aug. 31st, 1874.

"*Editor Deseret News:*

"DEAR SIR—Will you kindly notice the accompanying present I have received from Henry Sewell, Esq., for our future Public Museum; and please to acknowledge the receipt of the same in your columns. The idea of a free public museum was mooted some time ago in the *Mining Gazette*, and, although nothing has been done in the matter, I am willing to receive donations for such an institution. The medal is very curious. It gives one some notion of primitive modes of smelting and mining. The process of sieve-washing, which has now resolved itself into concentration, shows that the men of the last century understood the principle that Mr. Sewell has so frequently brought before the public since 1871.

"Yours faithfully,
"JOSEPH L. BARFOOT."

TILL ROBBERY.—Messrs. Matthieson & Co.'s premises at the Corner Bakery, Commercial Street, had their till robbed three times within the last week. The first time was a week ago last Sunday, the second on the following Tuesday, and the third and last time on Saturday, their entire loss amounting to between $50 and $60.

Mr. Matthieson and his partner are industrious gentlemen, and do the most of their own waiting, and it is supposed that the stealing was done during the momentary absence of both from the counter.

The act could easily thus have been done by an adroit thief, as the water fount is close to the till.

Some tills or money drawers are so fixed that they can not be opened without sounding an alarm bell. It would be profitable for the proprietors of the German Bakery and others to have such tills.

MONTGOMERY QUEEN'S SHOW.—We received a call to-day from Mr. Claude Williams, the gentlemanly advance agent of Montgomery Queen's mammoth show, which exhibited here in the beginning of July. Mr. Williams arrived in town this morning and expects the circus and menagerie to pay a return visit to Salt Lake on or about the 6th of October. He purposes leaving for Texas in a day or two to find out the prospect for a run in that part of the country. He states that the show had a splendid run of three weeks in San Francisco and is now out in the country.

The first night they opened in San Francisco they had a rough time with the notorious "hoodlums" of that city, who attempted to force their way into the pavilion without paying. They attacked the circus men, killing one and wounding four or five others, besides nearly pounding a policeman to death.

REASONS.—There are many reasons why a narrow gauge railroad should be built between this City and the Weber coal beds, *via* Parley's Park.

It would be a decided solution of the coal question.

It would develop the splendid and extensive lumber resources along its route, which are unsurpassed by those of any other locality within the same distance of this City.

It would encourage the development of the mineral resources of the Parley District.

It would provide labor for many hundreds of people who have now nothing to do and a prospect of having consequently not anything like an abundance of the necessary wherewithal to feed and clothe them.

It could scarcely fail to be a paying road, as the coal interests, the general mining interests, and the lumbering and farming interests would all create a freight and passenger traffic that could not well fail to make it remunerative.

THEATRE.—The Theatre will be open again to-morrow, Wednesday, evening for an attractive variety performance, by a number of favorite artists. Mr. Chaplin and Miss Walters will appear in four characters with songs in the popular comedy of the "Eton Boy." Mr. Chaplain will also appear in the burlesque of "Lady of the Lions," as "Polly Ann," with songs and dances, Mr. P. Margetts as "Clod Meddle-Not," and Miss Walters as "Widow Meddle-Not."

Between the plays a Grand Olio will be given, consisting of a duet by Misses G. Clawson and M. Ellsworth, a clog dance by Mr. Madden, and a ballad by Mr. John Hardie, his first appearance.

A FIGHT.—Two men quarrelled in Fritz Adolphy's saloon this afternoon. One struck the other with a rock and the one receiving the blow retaliated with a shot from a revolver, without doing damage. Both were arrested.

WOMAN'S EXPONENT for Aug. 15 contains "Editorial Notes," "R. S. Reports," "Women's Voice," "Obedience," "Does it Pay?" "Retrenchment," "Deseret University," "Treatment of Animals," "Home Affairs," "Household Hints," "Hygienic Notes," "Mary Somerville;" "Civility and Sincerity," etc.

OUR FIRST HUNDRED YEARS.—This is a well got up work, and is to be issued in twelve monthly parts of 64 or more royal octavo pages each, with a series of full page engravings, and to be completed by July 4, next year. It will be a guide book to American progress for the last hundred years, and can hardly fail to be a work of much interest.

Superior Wines and Liquors.
HAVING lately tasted some Wines and Liquors, imported by Messrs.
