Worth Knowing. If you want to see something that will remind you of "Auld Lang Syne" look at the real old fashioned stoneware butter. pots, preserve, cream and bread churns, jugs and batter pails at Little & Roundy's; all sizes from one quart to six gallons, and at prices that are wonderfully low. This firm, knowing the superior quality of this ware, have imported a full car load, something like two thousand dollars worth and will sell them at prices that cannot fail to please the people. This ware is manufactured of the very best material, have nothing poisonous in their composition, are salt glazed and are not porous, but will hold whatever you choose to put in them, are of a good color and nice shape. Wholesale dealers will find it to their advantage to examine the

prices. READ estray notice, Moroni district.

Moscow, 19 .- A fire here last night destroyed over fifty houses. No precise particulars of the damage have been received yet, but it is believed to be enormous. Three-quarters of the town of Kadschony, in Caucausus, including Bazare, were burned on Saturday last.

Ogden Junction, June 17-An inquest was held by Coroner attack which carried him off about Williams, this morning, on the one week. He was connected with body of Mr. Gledhill's little daughto be higher new than it has ever been known to be before. This morning it commenced to run over the street, a short distance east of it discharging the dation of the price of the rule of the rule of the dation of the price of the rule of the rul it, discharging the duties of the he picked the child out of the waste water ditch on Eighth Street at four p. m., yesterday. She was quite dead. For three months in the year there was water enough in the ditch to endanger the life of even an soult who might fall into pertaining to the intellectual culture of his fellow creatures, especiit. The banks were so steep that a ally the young, even almost to the large child falling in would have great difficulty in getting out

We, the undersigned jurors, whose names are hereto affixed, do declare on our oaths that the deceased, Annie Gledniii, came to her death from being drowned in the waste water ditch on Eighth St., Ogden. And we here take this opportunity to place before the opportunity to place before the Mayor and city authorities, the unsafe condition of said ditch, and we recommend that the water now allowed to run there, be divided through several ditches or otherwise directed, where there is less liability of accident, as at present there is every probability of similar accidents occurring.

THOS. PARKINSON, ALBERN ALLEN, Jurors. WM. MCKAY, JOSHUA WILLIAMS, Coroner. OGDEN, June 17, 1876.

Immense numbers of small cater illars, or, as some call them, army worms, have made their appearance in the eastern part of this city, hang-ing thickly on Jucerne and clover, and riddling the leaves of fruit trees. Mr. John Hooper, of Hooper, says the worms have "got through" with the lucerne and clover at Hooper and West Weber, and are new feasting on the gardens. Straw-berry and gooseberry leaves are dis-appearing like magic, but they have not yet attacked the grain. They have been on the march pools, drains, badly ventilated cellors, sinks, etc., will be of incalculations the benefit to the health of the Jeseph on the occasion. enting the lime as a seasoning to the leaves, he gave it up. When he came away, they were looking ravenously at a grindstone, and he doesn't know whether there will be any to look at when he returns. Fobacco water is the best application we have heard of. They can't stand that at all.

Mr. John Elliott, of Indianola, Iowa, accompanied by his wife, has been absent in California since last fall, the former tourecover his health, having been afflicted with bronchitis for some time. Finding that he could not recover, a few days ago the pair started from San Jose for their home in Iowa. This morning as the Central Pacific pas-senger arrived in this city, Mr. El-liott died, leaving his weeping and afflicted widow to resume the lone-ly journey with the corpee, which

he will do to-morrow morning.
