the most sickly for all diseases of any since that of 1865.—N. Y. Letter.

"The day is not far distant," says Parson Brownlow, in his paper, the Knoxville Whig and Chronicle, "when the republican party will redeem and regenerate Tennessee." Thanks, Parson; but if you analyser party can give Tennessee no better article of redemption and regeneration than you have given a number of other southern States, the longer you postpone the gift the better Tennesseeans will like it.—Ex.

They have begun to arrest Bender again. The papers should be more "saving" of their items. So long as Beecher fills up the telegraphic columns every day, and, when he lets up, the Washington reporters can give us aneugh to supply the deficiency, the papers ought to put Bender aside and keep him for a scarcity which may come by and by. We are willing to "give the old man a chance"—only wait a bit.—Cleveland Plain Dealer.

We published the other day the We published the other day the would be left by those cormorants of this is a genial employment for "Shristians at work," it is not diffi-

bit.—Cleveland Plain Dealer.

We published the other day the story of a Maryland woman who had four children at a birth. A Wisconsin woman has "seen" that Maryland woman and "gone her one better." Mrs. Kanouse, of Watertown, Wis., recently had five crites? He said, "Ye are of your is a very important article in the story of the state of the state of the said, "Ye are of your is a very important article in the state of the said, "Ye are of your is a very important article in the state of the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said, "Ye are of your is a very important article in the said work."

children at a birth, the aggregate father, the Devil, for his weight being ten pounds and two ounces. One of the lot weighed only a pound. Two were born dead and the other three lived only two hours.—Cleveland Plain Deal-

The Monmouth Revie e says—
Our government is neither a government of the people, for the people, nor by the people. In spirit
and in deed, it is as purely a class
government as was that of England seventy-five years ago, or that of France before her great revolution. The people can make it otherwise, and do it peaceably, if they set about the job with deter-mination, and set about it soon; if not-not."

The scene presented in the Plymouth church, yesterday, is one that has never had a parallel, and experiment is attempted she will place two corps of the army on the Rhine.

The formation of the new it is to be hoped never may—a minister preaching to a church, one of whose members has just sworn in court that he confessed to her his adultery with another member, while a third member The Alphonists have lost (through his lawyer) with being i "conspirator" against his reputain a battle with the Carlists on the tion, and retorts by pronouncing Spanish frontier.

It is rumored that Alphonso tion" and daring his pastor to call is tired of playing king, and wants him into court.—Springfield Re-

There was a gathering of "Social —D. S. Wade has been nominated for Chief Justice of Montana.

—A Chicago prostitute, aged sixteen years, fatally stabbed her paramour, aged seventeen, yesterday.

—Eardinal Barili, of Rome, is a long time in a report of a public meeting, and yet one of the papers is compelled to explain that a large part of the speeches were wholly unfit for publication, and therefore omitted; only such expressions being preserved as are sufficiently lucid to express the general sense of the meeting.—Ex.

THAT LEGISLATIVE PANDE-MONIUM.

In the course of the extraordinary performances during the last hours of the Nevada Legislature at Carson, March 4th, some of the mem-Baltimore and Ohio railroad, at bers emulated the wildest antics and rudest ravings of the ursine and bovine creatures in the stock market. During a rell call, one Bartlett rushed up to the clerk's desk, seized the roll, and tore it to pieces When Hogan rose to speak, Van Senator Ferry, of Michigan, has been elected President pro tem. of Hagen said he hoped Hogan would be decent. Hogan replied, and Van Hagen took up a book, which Charles, Canada, belonging to the Grand Trunk Railway Company, at the head of Hogan. Van Hagen afterwards apologized. In the heat of the squabble, the Nevada "animals bellowed like wild bulls," and confusion worse confounded prevalled, a perfect legislative Babel.

After the Legislature had adjourned, says a dispatch in a western paper, "the disorderly scene during the last hours of the session was good-naturedly discussed next Metropolitan M. E. Church in this day by the participating members, city. Hannbial, Mo., claims to have a new-found silver mine, yielding friendly feelings toward each other, and all sadly regretted the past disgraceful occurrences." Many of the members went, with their wives, by car-loads to San Francisco, to spend their money, speculate in stocks, and enjoy themselves gener-

the common right of self-govern-In Kent, England, the British ment. The Legislature of Nevada gentleman is in distress for want of characterizes its sessions by scenes of rowdy turbulence werthy only of the back slums of a large and densely populated city. Yet Nevada, with less than half the population of Utah, has been an admitted State upwards of a full decade.

What is the legitimate inference A bright lad, eight years of age, named Clapp, died of brain fever recently at Ballston, and the dis-

Pinchback's Case.

Washington, 9.—After the amnouncement of the standing committees in the Senate to-day, the consideration of the resolution for the admission of Pinchback was resumed, and Morton continued his argument.

EASTERN.

A Black Hills Expedition—The Lousiania Muddle.

CHICAGO, 9.—A Wisconsin dispatch says that a Black Hills expedition is fitting out at that place, expecting to start early in the spring.

The display of vegetables was indeed very fine, some of the mangoli wirzel on exhibition weighing fifty-four tons per acre. Other roots, Swedes, etc., were proportionately good, cabbage weighing fifty-five pounds per head.

There is one item, if you will not think it out of place, in connection with our material interests, which I desire to call special attention to, and that is, the importance of more general introduction and use, throughout the Territory, of machines for cutting feed, hay, straw, etc. I am perfectly satisfied, from observation, that nearly, if not quite, one-half is lost or wasted in feeding, that might be saved if our farmers would adopt the plan in universal use here, of cutting their hay, straw, etc., in stock-feeding. This, taking into consideration the high price of hay, and the amount used throughout the Territory, would be the means of saving to the plan in the plan in the spring.

The Inter-Ocean's Washington appears to the plan in the spring in the s would be the means of saving to the people many thousands of
