New Steamer Launched.

CHESTER, Pa., 5. — The new steamer *City of New York*, belonging to the Pacific Mail Co., was launched to-day.

An Important Question Argued.

CHICAGO, 5.—In the U.S. district court in this city, before Judge Blodgett, the question of the right of the government to seize the books and papers of persons whose distilleries have been seized on a charge of defrauding the revenue, is being argued to-day. The government claims that the books and papers are part of the personal property of the distillers and therefore liable to seizure and forfeiture; the defense claims that the books and papers are private property, and exempt under the law, they not being compelled to furnish evidence for their own conviction. The decision will be given in a few days.

Departure of the Rifle Team—Several Arrests—The Lost $47,000.

NEW YORK, 5.—The American rifle team, who are to contend with the Irish team, at Dolly Mount, and who took their passage by the Inman steamer *City of Chester*, leaving this port to-day, embarked on board the tug *Battery* this p.m., attended by a large crowd, and were followed on board by a howitzer and band of music. The *City of Chester* left the pier at 3 o'clock, and took the riflemen on board in the lower bay. The riflemen were all in the best of health, and full of confidence in their ability to bring back additional laurels to those already won in the contest with the Irish team.

W. H. Talcott, buyer for the silk department of H. B. Claflin & Co., to-day, was arrested on a warrant, issued by a U. S. Commissioner, based on an affidavit made by U.S. District Attorney Bliss, setting forth that Talcott did knowingly buy, and aid in bringing and selling, silk goods, which had been smuggled. Talcott was held in bail of $10,000. Bliss says that Talcott purchased four hundred thousand dollars worth of silk from the alleged smuggler, Lafayette Groaff.

Valentine Gleason and Chas. Ralston, two of the alleged accomplices of the notorious Pettis, in his extensive bond forgeries, have been arrested at the suit of the New York Guaranty and Indemnity Co.; the action is for the recovery of $75,000 advanced to Ralston for the gang on forged bonds of the Buffalo, New York and Erie Railway Company.

The Park Bank acknowledges the receipt of forty-seven thousand dollars from the Treasury Department at Washington, in due course of business; whether the package is the one reported lost, or whether the original has been replaced is not known.

That $47,000—More Growling by the Indians.

WASHINGTON, 5.—The package of forty-seven thousand dollars, received by the Park Bank, New York, was sent by the treasury to replace the one lost.

The Cheyennes called on commissioner Smith this afternoon, and complained about the government failing to do anything since they arrived, saying that the Indians who did the best were treated the worst by the government. Tall Man Dan said that if he had learned to lie like Spotted Tail and Red Cloud he would have fared better. After handshaking the Indians left, and they will return home *via* N. Y. The President presented Sitting Bull with a fine rifle, nicely mounted and enclosed in a leather case. On the mountings surrounding the lock is engraved—"Sitting Bull, from the President, for bravery and friendship." The Cheyenne Indians requested the commissioner to appoint the Rev. S. D. Hinman and the Rev. J. P. Newman commissioners to aid in negotiating the Black Hill matter.

BOSTON, 6. — The twenty-third annual session of the International Typographical Union begins here to-morrow.

Another Postoffice for Utah—Indian Troubles Expected.

WASHINGTON, 6.—A post office has been established at Charleston, Wasatch Co., Utah, Joseph McRae, P. M.

As the visit of the Sioux here, to negotiate for the relinquishment of their possessions in the Black Hills has proved a failure, and the Indians have left here much dissatisfied, difficulties are apprehended with the whites seeking gold in their territory. It is estimated by the agents that the Sioux can muster from 3,000 to 5,000 warriors, about half armed with rifles and the remainder with bows and arrows. The government in the meantime will endeavor to prevent adventurers from going to that country, still having some hope, through the medium of commissioners, to effect a treaty with the Sioux.

The Treasury Department has instructed the surveyor of customs at St. Louis that the proper rate of duty on wool garments less is 50 cents per pound, and 50 per cent. *advalorem*.

Rumored Army Changes.

There is a report, unofficially confirmed, that Quartermaster General Meigs, having been assigned to special duty with brevet rank of Major General, will be placed in command of the department of the South, with his headquarters at Louisville, and that Gen. McDowell will go to Europe on leave, and upon his return will be placed upon the retired list.

Wonderful Discovery of Gold.

CHICAGO, 6.—The *Tribune's* Sioux City special says that Winget and Chapman's pony express brought in, yesterday, some of the finest specimens of gold quartz ever seen in that country. The pieces of rock found contain from one eighth to one half gold. Miners from Colorado and California say they never saw specimens of equal value in that country. The quartz was obtained from a party of five who had been in the Hills since March last, but were obliged to come out, as the Indians were so troublesome they could not safely remain. They say there are miles of ledges like the specimens they brought.

SPAIN.

Army Appointment.

MADRID, 6. — General Jovellar, formerally Captain General of Cuba, has been appointed to command the army of the Centre.

FRANCE.

Horse Racing.

PARIS, 6.—The prize of Paris was won easily by Salvator, with Nuget second and Perplece third. None of the English horses at Claremont, Cambo, or Seymoure were anywhere near at the finish.

CANADA.

$200,000 Fire.

OTTAWA, Ont., 6.—A fire this evening at Hull destroyed Gilman's large steam saw mill, throwing 400 men out of employment; the loss is put at $200,000.

$50,000 Fire.

HAMILTON, Ont., 6.—A fire today destroyed Hill's cabinet factory, Heald Bro's piano factory, and several adjoining buildings; loss about $50,000.

GREAT BRITAIN.

An International Municipal Banquet, &c.

LONDON, 6.—The corporation of London has resolved to invite the Mayor of New York to the international municipal banquet next month.

The representatives at Liverpool of the Trans-Atlantic S. S. Companies have come to an agreement as to the rates of freight and passage fares.

SOWING TREE SEEDS.—The Rutland *Herald* says:

"There is a maple grove in St. Johnsbury, Vermont, which has been twice thinned out and is now held at $200 per acre, and seventy years ago the same field was covered with growing corn. The fine sugar orchard has come up as a natural growth, and the opinion is quite prevalent among those familiar with the subject that the best way is to grow trees from the seed."

All our forest trees yield annually millions of seed. The maple and elm are very prolific. These and some other of our fine shade trees are of slow growth, but they attain a good size in fifteen or twenty years, and a large size in seventy years. We have seen elms and maples sixty and seventy years old which have attained a diameter of twelve and eighteen inches, and a height of fifty and sixty feet. The locust and chestnut will grow much faster.—*Ex.*

CURE FOR CONSUMPTIVES.—The following simple remedy we find in the Oxford (N. C.) *Leader*. It is a receipt of Mr. John Satterwhite, for the cure of consumption: One pint of liquor, three table-spoonsful of old lightwood knot dust. Dose, one table spoonful three times a day. Instead of drinking coffee he drinks mullen tea. The *Leader*, which is edited by reliable and responsible gentlemen, remarks that Mr. S. has suffered severely from lung disease up to 1874, getting worse. Since trying the above remedy for a while he has improved steadily until he is now in perfect health. Although sixty-three years of age he plows every day.
