POET WATSON'S BROTHER SAYS HE IS INSANE

New York, Dec. 23.—Robinson Wat-son, in a statement telegraphed to New York from Montreal today, reiterates that his brother, William Watson, the English poet, now in Havana, is insane, although the poet's wife, who is with him, is unaware of her husband's men-tal condition.

although the poet's wife, who is with him, is unaware of her husband's men-tal condition. Mrs. Watson cabled from Havana yesterday that Robinson Watson's mes-sage to The World "is a wicked attempt to ruin my husband." The brother replies today as follows: "It is not surprising that Mrs. Wil-iam Watson has cabled an angry mes-sage. There will probably be woras to come, and still worse, until she fully ap-prehends the whole truth. A sad feature of the situation is that she has been ignorant of the events of 1908. "When the long statement about the Asquiths compelled me to recognize clearly what others were beginning to perceive, I immediately worst fears con-firmed, endeavored for four consecutive days to get an opportunity of speaking alone with Mrs. Watson, but no such opportunity could be obtained, and I left without having given her the siightest intimation." morning, toward his home in Grand Rapids. "I haven't named my new manager," said Ketchel. "I have been negolating with Harry Gilmore, but he tells me his time is occupied with business interests here since he split with McFarland. George Little may be my partner, al-though I haven't decided. For the pres-ont I'm going home to rest. Then I'll catch a steamboat at New York and start around the world, making a few yights in Australia. I expect to fight Tommy Burns in England. Then I will meet Sam Langford and Fitzsimmons."

The princes of Korea, dele-gates to the funeral of Prince Ito, were categorically informed by Marquis Kasura, the premier, that there would be no change whatsoever in the policy of Japan towards Korea as a result of an eto's assassination. But certainly an effort has been made to excite the populace by the publication of reports of Japan's intentions and to create pre-mould demand that the emperor of Korea visit the court in Tokio.
