By Universal Accord, AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use by Physicians in their practice, and by all civilized nations, proves them the best and most effective purgative pills that medical science can devise. Being purely vegetable, no harm can arise from their use. In intrinsic value and curative powers no other pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, maintain in healthy action the machinery of life. Mild, searching and effective, they are especially adapted to the needs of the digestive apparatus, derangements of which cause constipation, if timely taken. They are the best and safest pills to employ for children and weakened constitutions, where a mild, but efficient cathartic is required. For sale by all dealers.

It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kalsner, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

Solid Merit with Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kalsner's German Effluvia. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief, but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kalsner, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

INCIDENT CONSUMPTION. — In bronchial and chest affections, arising incidently to consumption, and in lessening the distressing symptoms of this disease in its hopeless stages, as well as in cases of nervous debility in giving tone to the system, it is undoubtedly a valuable remedy.
JOHN MCMURRAY, (Methodist Minister) Newport, N. S. depdw
